2019-2020/2021-2022 PARENT AND STUDENT NOTIFICATION

The Suwannee County School District's Student Conduct and Discipline Code guide for Pre-K through grade 12 has been developed to help your son/daughter gain the greatest possible benefit from his/her school experience. Parents/guardians have the responsibility for the actions of their children and should be involved in their children's education. Parents/guardians should take special notice of the attendance and tardy sections of this Code as well as the suspension and expulsion provisions. Please note the attendance policies and their effect on other policies, such as sports eligibility, compulsory school age, and driving privileges. Parents/guardians should also take special note of information in Section II, entitled "Public Notice," which includes, but is not limited to, your child's educational records, the release of directory information (i.e., Armed Forces) and possible participation in student surveys (i.e., Florida Youth Substance Abuse Survey).

The school is in need of your help and cooperation. When you have read and discussed the Student Conduct and Discipline Code with your son/daughter, sign this sheet, remove it from the booklet, and return it to the school. This form will be kept in your son's/daughter's curriculum folder for the current school year.

The Suwannee County School District (SCSD) is not responsible for the supervision of students on school grounds until 30 minutes prior to the start of the regular school day or a scheduled event, or beyond 30 minutes after the regular school day or scheduled event. Please refer to your school's beginning and ending hours and arrange for supervision of your child accordingly. [1003.31, Florida Statutes]

Failure to return this acknowledgement will not relieve a student, or the parent/guardian of the student, from responsibility for knowledge of the contents of the Student Conduct and Discipline Code and will not excuse non-compliance by the student of the Student Conduct and Discipline Code.

- ☐ A copy of the Student Conduct and Discipline Code guide has been received. Please mark your decisions in the two permission areas below and return a copy of the form to your child's school.

SECTION II: PUBLIC NOTICE

ACCESS TO STUDENTS AND STUDENT RECORDS BY PARENTS

The parent who registers the student and provides information on the student data registration form will be considered that parent who controls and makes final decisions regarding the student. It is the parent's responsibility to supply the school with any documents that delineate custody issues. When parents are divorced or separated, both parents have full rights to participate in the child's school activities and know what is happening at school unless there is a court document limiting that access. A non-residential parent may have access to student records and information unless a court order prohibits such access. If a court has issued such an order, then the student's parent is responsible for providing the principal with a certified copy of the order. Additionally, the school will not resolve parental disputes regarding a student and/or student record access. Normal school procedures for parent pick-up, eating with a student at school, and attendance at other school activities is permitted by both parents unless there is a court document that prohibits contact or severs parental rights. Schools do not have facilities nor is it appropriate to accommodate parent domestic visitations. If parents approach schools for these visitations, they will be requested to make arrangements for out-of-school visitation after school hours. [§61.13(2)(b)3, Florida Statutes]

CIVILITY POLICY

Employees of SCSD will treat parents and other members of the public with respect and expect the same in return. The District must keep schools and administrative offices free from disruptions and prevent unauthorized persons from entering

school/district grounds. Accordingly, this policy promotes civility, mutual respect, and orderly conduct among District employees.

CRISIS PROTOCOL

Providing a safe and secure environment for our students to learn is a top priority of the SCSD. Measures have been taken to ensure our staff and students are prepared in the event a crisis situation occurs in one of our schools. A comprehensive Crisis Management Plan has been created to guide our staff through a wide variety of situations. Fire drills, tornado drills, and lockdowns are practiced at each site to ensure that routines and safety procedures are well established and familiar to all.

Parents – The SCSD requires your cooperation with school and district authorities during a lockdown crisis.

1. Please follow school and/or district directives.
2. Please consult local media for regular updates about the incident. Listen for information updates on local radio and television stations.
3. You may be directed to an off-campus parent staging area for the latest information regarding a campus crisis.
4. Please DO NOT call the school because phone lines will be needed for emergency communication.
5. Please DO NOT call your child's cell phone in order for cell towers to be clear for emergency use.
6. Please DO NOT go to the school if a lockdown situation should occur. Roads will be closed, doors will be locked, and campuses will be off-limits to anyone other than authorized personnel.

Pursuant to Florida Statute 120.54, in the event of an emergency, the Superintendent or the School Board can enact additional rules governing student conduct which shall be enforced as included in this Student Conduct and Discipline Code.

DIRECTORY INFORMATION

The SCSD reserves the right to release "directory information" to the general public without obtaining prior permission from students or parents/guardians. Directory information includes the student's name, gender, parent/guardian names, residential address, telephone number (if listed), date and place of birth, name of most recent previous school or program attended, participation in school sponsored activities and sports, height and weight of athletic team members, dates of school attendance, anticipated graduation date, honors and awards received, and diploma conferred. However, a student or his/her parents may notify the principal of the desire NOT to have directory information released. This notification must be submitted in writing to the principal within 30 days of distribution of the Student Conduct and Discipline Code or 30 days after initial enrollment. Upon notification, this information will not be disclosed except with the consent of a parent/guardian or eligible student, or as otherwise allowed by the Family Educational Rights and Privacy Act. In the absence of written notification to restrict the release of directory information, the school and the SCSD will assume that neither a parent/guardian of a student, nor a student, objects to the release of the designated directory information. The SCSD will routinely publish directory information in conjunction with press releases regarding school activities, honor roll announcements, athletic events, and other such activities. Under provisions of the National Defense Authorization Act and the Elementary and Secondary Education Act (No Child Left Behind), directory information may also be released to law enforcement agencies, other governmental agencies (U.S. Department of Justice, branches of Armed Forces, etc.) and to post-secondary programs to inform students of educational programs available to them. However, directory information shall not be released for commercial use, including among others, mailing lists for solicitation purposes.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) affords parents/guardians and students over 18 years of age ("eligible students") certain rights with respect to the student's educational records.

1. The right to inspect and review the student's education records within 30 days of the day the District receives a request for access. Parents/guardians or eligible students should submit to the principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent/guardian or eligible student of the time and place where the records may be inspected. If copies of these records are requested, the first five pages will be provided at no cost. Additional pages will be copied for a charge of 15 cents per page.
2. The right to request the amendment of the student's education records that the parent/guardian or eligible student believes is inaccurate or misleading. Parents/guardians or eligible students may ask the SCSD to amend a record that they believe is inaccurate, misleading, or in violation of the student's privacy rights. When making such a request, a written statement to the principal should clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent/guardian or eligible student, the District will notify the parent/guardian or eligible student of the decision and advise them of their right to a

hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that the FERPA authorizes disclosure without consent. The one exception, which permits disclosure without consent, is disclosure to school officials with a legitimate educational interest. A school official is a person employed by the District as administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent/guardian or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District discloses educational records, including record of disciplinary actions, without consent to officials of another school district in which the student intends to enroll. The right to refuse to provide the student's social security number.
4. When requesting basic information from students and parents/guardians, a request will be made for student's social security number under section §1008.386, Florida Statutes. In any case, disclosure of the social security number is voluntary and will be used only as a student identification number in the Information Technology (IT) system maintained by the District.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue SW
Washington, DC 20202-4605

INSURANCE (Student Accident)

The SCSD recommends that parents/guardians, who do not have accident insurance for their child, purchase school accident insurance for their children Pre-K through grade 12 in the event of an incident on any SCSD property. Please note the type of insurance is accident only, not health insurance. School insurance information is available by calling 1-800-541-8256 or online at <https://www.schoolinsuranceagency.com>.

Child Find – The District has an obligation to identify, locate, and evaluate all children with disabilities.

Civil Rights Act of 1994 TITLE VII – The SCSD prohibits discrimination on the basis of race, color, religion, or national origin.

The supervisor responsible for compliance may be contacted at (386) 647-4644.

Section 504 of the Rehabilitation Act of 1973 – The SCSD prohibits discrimination against the disabled. It is the intent of the District to identify, evaluate, and provide appropriate educational accommodations to these students. Students may be disabled under this policy even though they do not require services pursuant to the Individuals with Disabilities Education Act (IDEA). Students and parents/guardians have a right to due process under Section 504. A copy of parent/guardian rights afforded by Section 504 of the Rehabilitation Act of 1973 is available at all district schools and on the Student Services website. The Director of Student Services is the coordinator of Section 504 activities and may be contacted at (386) 647-4638.

Title IX of Education Amendments of 1972 – This legislation states: No person in the United States shall, on the basis of sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance. NOTIFICATION OF RISK

Be aware that playing or practicing to play/participate in any sport can be dangerous in nature and involve MANY RISKS OF INJURY. It is understood that the dangers and risks of playing or practicing to play/participate in interscholastic sports may result in complete or partial paralysis; brain damage; serious injury to virtually all bones, joints, ligaments, muscles, tendons, and other aspects of the muscular-skeletal system; serious injury to virtually all internal organs; serious injury or impairment to other aspects of the body; and could affect other possible impairments to one's general health and well-being. Understand that the dangers and risks of playing or practicing to play/participate in interscholastic sports may result not only in serious injury, but in a serious impairment of future ability to earn a living; to engage in other business; social and recreational activities; and generally to enjoy life. Because of the dangers of participating in interscholastic sports, it is important to follow and obey coaches' instructions regarding playing techniques, training, and team rules. The best investment that any parent can make is to invest in purchasing school accident insurance.

In consideration of the SCSD permitting tryouts for high/middle school team sports and engaging in all activities related to the team including, but not limited to, trying out, practicing or playing/participating in that sport; all employees, agents, representatives, coaches, and volunteers will be held harmless from any and all liability, actions, causes of actions, debts, claims, or demands of any kind and nature whatsoever which may arise out of or in connection with participation in any activities related to the high/middle school interscholastic sports team. The terms hereof shall serve as a release and assumption of risk for heirs, estates, executors, administrators, assignees, and all family members.

PROTECTION OF PUPIL RIGHTS AMENDMENTS

Local educational agencies receiving funds from the U.S. Department of Education are required by federal law to comply with requirements for the collection and reporting of certain information by means of student surveys, as well as requirements to protect student privacy. The information that must be reported relates to student attitudes and behaviors on topics such as school safety, substance use and the prevalence of risky attitudes or behaviors, particularly with respect to alcohol and drug abuse. In addition, these surveys also collect information on general health practices and human sexuality. Such information is collected by survey anonymously on a sampling basis, and no personally identifiable information is obtained from or reported on any individual student. The District cooperates with other agencies such as the Florida Department of Health in conducting these surveys.

It is the policy of the SCSD to notify parents/guardians of upcoming surveys that reveal information concerning one or more of the following items:

- Political affiliations or beliefs of the student or the student's parent/guardian,
- Mental and psychological problems of the student or the student's family,
- Sexual behavior or attitudes,
- Illegal, anti-social, self-incriminating, or demeaning behavior,
- Critical appraisals of other individuals with whom respondents have close family relationships,
- Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers,
- Religious practices, affiliations, or beliefs of the student or student's parent/guardian, and
- Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

Participation is Voluntary – No student shall be required to participate in such a survey if the parent/guardian/student objects to participation. Prior written parental consent will be obtained before a minor student takes a survey funded by U.S. Department of Education that includes any of the above topics. On all other surveys, parents/guardians will be given the opportunity to opt their child out of participation. Notification to parents/guardians will occur prior to students being given surveys.

Right to Inspect – A parent/guardian/student has the right to inspect any such survey instrument before the survey is administered or distributed to students if a request is made within a reasonable period of time. Parents/guardians further have the right to inspect or review:

- Arrangements that will be made to protect student privacy,
- Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes, and
- Instructional material used as part of the educational curriculum.

Notification of Parents/Guardians – Parents/guardians will be notified of this policy annually, at the beginning of the school year, and within a reasonable period of time if any substantive change is made to this policy. Such notice shall include the specific or approximate dates during the school year when any such survey will be administered.

PUBLIC SAFETY INFORMATION ACT 1997 – SEX OFFENDER/SEXUAL PREDATOR LAWS

Information is available at each school. Contact your local principal.

STUDENT GRIEVANCE PROCEDURES

Any student who alleges harassment or discrimination by another student or SCSD employee shall report the harassment to the building principal, assistant principal(s), guidance counselor(s), or teacher(s). Filing of a complaint or otherwise reporting harassment in good faith will not affect the student's status, extracurricular activities, grade, or any other assignments. However, willfully reporting a false claim of harassment or discrimination in bad faith is illegal and will subject the reporter of the false claim to disciplinary action.

The harassment or discrimination complaint shall be in writing, state the act(s), state the date(s), state the name(s) of witnesses, and shall be signed by the complainant. The right to confidentiality, both of the complainant and of the alleged harasser, will be respected, consistent with the School Board's legal obligations and with the necessity to investigate allegations of misconduct and to take corrective action upon finding evidence of misconduct. Every student shall have a right to privacy with respect to the educational records kept on him or her. Personally identifiable information contained in such records and reports is confidential. These records and reports cannot be released without the written consent of the parent/guardian/student, unless the purpose for the release of such information is consistent with §1002.22(3)(d), Florida Statutes. Such a release of information without consent can be for any reason consistent with that in §1002.22(3)(d), Florida Statutes, including, but not limited to, purposes consistent with interlocal agreements with other agencies.

SUBPOENAS FOR STUDENT RECORDS

Federal and state law requires that school officials comply with court orders and subpoenas from a court of competent jurisdiction for the timely production of student records. If disclosure is made in response to a court order or subpoena, the parent/guardian will be notified, except where the law prohibits said notification. If a parent/guardian objects to the release

of these records, an objection to a subpoena for non-party production must be timely filed and/or a protective order must be timely obtained from a court of competent jurisdiction.

SUPERVISION OF STUDENTS BEFORE AND AFTER SCHOOL AND SCHOOL ACTIVITIES

The SCSD is not responsible for the supervision of students on school grounds until 30 minutes prior to the start of the regular school day or a scheduled event or beyond 30 minutes after the regular school day or scheduled event. Please refer to your school's beginning and ending hours and arrange for supervision of your child accordingly. (§1003.31, Florida Statutes)

SECTION III: GUIDELINES GOVERNING STUDENT BEHAVIOR

ACADEMIC ELIGIBILITY REQUIREMENTS FOR PARTICIPATION IN EXTRACURRICULAR ACTIVITIES

All high schools shall be members of the Florida High School Athletic Association (FHSAA) and shall be governed by the bylaws of that organization. These schools shall also follow the requirements for all extracurricular activities as prescribed by Florida law. For further details, refer to the FHSAA Handbook and the Florida Statutes. [§§1003.43(1) and 1006.15, Florida Statutes]

- A. A student not currently suspended from interscholastic or intrascholastic extracurricular activities or suspended or expelled from school pursuant to a district school board's suspension or expulsion powers provided in law, including §§1006.07, 1006.08, and 1006.09, is eligible to participate in interscholastic and intrascholastic extracurricular activities.
- B. A student may not participate in a sport if the student participated in that same sport at another school during that school year, unless the student meets the criteria in § 1006.15 (3)(h).
- C. A student's eligibility to participate in any interscholastic or intrascholastic extracurricular activity may not be affected by any alleged recruiting violation until final disposition of the allegation pursuant to § 1006.20(2)(b).
 1. Attendance – Students must be in attendance all day, at school, in order to participate in extracurricular/after school activities.
 2. Alcohol/Drug – Prohibited acts include a) possessing or consuming alcohol, b) operating a motor vehicle under the influence of alcohol, c) misrepresenting one's age for the purpose of purchasing, possessing, or consuming alcohol, d) public intoxications, and/or e) violations of additional team rules regarding alcohol use. Prohibited acts also include a) possessing or using illegal substances, as defined by law, b) possessing or using controlled substances as defined by law, c) distributing, selling, or possessing with the intent to distribute illegal or controlled substances, as defined by law, and/or d) using tobacco products by a student-athlete during practice, competition, or other team functions. A student found to be in violation of the alcohol/drug guidelines may be suspended and/or expelled from extracurricular/after school activities.
 3. Academic – 2.0 GPA is required for academic eligibility. A middle/junior high student must have a 2.0 GPA, or the equivalent of a 2.0 GPA based on a 4.0 scale, at the conclusion of each semester. A high school student must have a cumulative 2.0 grade point average on a 4.0 unweighted scale, or its equivalent at the conclusion of each semester to be academically eligible during the next semester (§. 1006.15(3)(a)1, Florida Statutes).
 4. School Discipline – Students who have been out of school suspended for disciplinary reasons will not be eligible to participate in extracurricular/after school activities. All other school discipline as it relates to student-athlete eligibility for participation will be at the discretion of the principal or designee.
 5. Bullying – see Student Conduct & Discipline Code (page 10).
 6. Sportsmanship – Sportsmanship shall be defined in accordance with the standards of the FHSAA. In general, a sportsperson is one who can take a loss or defeat without complaint, a victory without gloating, and who treats opponents with fairness, generosity, and courtesy. Sportsmanship is respect for oneself, teammates, coaches, officials, opponents, and property. Sportsmanship also requires maintaining self-control, and refusing to be drawn into or encourage physical conflict not otherwise required by the proper execution of the sport. All student-athletes are obligated to represent themselves, the team, the Athletic Department, the school, their families, and their communities, with the highest level of sportsmanship. A student found to be in violation of the sportsmanship guidelines may be suspended and/or expelled from extracurricular/after school activities.
 7. Dress Code – Students have a responsibility to be dressed and groomed in a manner that is consistent with the Student Conduct and Discipline Code. The principal or designee shall have the final authority for determining whether or not a student's apparel conforms to the dress code. The principal or designee may prohibit the use of clothing or items deemed inappropriate or to cause a disruption during school sponsored events to include extracurricular/after school activities.
 8. Four-Year Limit of Eligibility – A student is limited to four consecutive school years of eligibility beginning with the school year he/she begins ninth grade for the first time. This does not imply that the student has four years of participation. After four consecutive school years, the student is permanently ineligible.
 9. Age Limit – A student may participate at the high school level until the day he/she reaches the age of 19 years 9 months if the student has not exceeded his/her four year limit of eligibility. The student becomes permanently

- ineligible at the high school level on the day he/she reaches 19 years 9 months. Beginning with students entering the 9th grade in 2014-2015 and thereafter, a student who reaches the age of 19 on or after September 1, and who has not exceeded his/her four-year limit of eligibility may participate in interscholastic athletics during that school year.
10. Physical Evaluation (EL2 Form) – A student must have a physical evaluation each year and be certified as being physically fit to participate in interscholastic athletic programs. A physical evaluation shall be valid for a period not to exceed one calendar year from the date of the practitioner's signature. The student cannot be allowed to participate in any activity related to interscholastic athletic programs until the fully executed physical evaluation form is on file in the school (§. 1002.20(17)(b), Florida Statutes).
 11. Consent and Release from Liability Certificate (EL3 Form) – A student must have the consent of his/her parent(s) or legal guardian(s) to participate in interscholastic athletic programs at a member school. The student and his/her parent(s) or legal guardian(s) must also release the FHSAA, its member schools and contest officials from all liability for any injury or claim that may result from the student's participation in interscholastic athletics. This consent and release from liability must be provided in writing on a form developed by the FHSAA for that purpose. The form must be signed by the student and his/her parent(s) or legal guardian(s). The student cannot be allowed to participate in any activity related to interscholastic athletic programs until the fully executed consent form is on file in the school.
 12. Transfer "authorized for good cause".
 13. Transfer before a Sport Season – The student transfers and begins attending the new school on or prior to the beginning date of the sport season, as established in the FHSAA calendar, meets all other eligibility requirements per the FHSAA and, (a) the transfer has been approved pursuant to district school board policies in the case of a transfer to a public school or pursuant to the private school policies in the case of a transfer to a private school; and (b) a form to be provided by the association (EL6 Form – Notice of Transfer) has been submitted to the association.
 14. Full and Complete Move – The student moves to a new home address due to a full and complete move by the student and the persons with whom he/she has been living for at least one calendar year that makes it necessary for the student to attend a different school and the student meets all other eligibility requirements per the FHSAA. A student and his/her parents cannot occupy a residence at more than one address, and only the student's current residence may be used for eligibility purposes.
 15. Necessary Relocation to Residence of Another Individual – The student transfers because he/she has to move into the residence of another person who lives at a residence that makes it necessary for the student to attend a different school and the student meets all other eligibility requirements per the FHSAA. This exception applies only to the following specific situations: (a) one of the persons with whom the student has been living dies; (b) one of the persons with whom the student has been living is imprisoned or committed by court order to a mental facility; or (c) the student is made a ward of the court or state and is placed in a foster home by a court of legal jurisdiction. In this case, a certified copy of the court order, a copy of the petition upon which the order was based, and other evidence the court had to consider in issuing the order must be provided to the FHSAA office. Permanent guardianship must be appointed legally by a court of competent jurisdiction.
 16. Move to New Residence Following Marriage – The student marries and immediately established a new residence with his/her spouse at a residence that makes it necessary for the student to attend a different school and the student meets all other eligibility requirements per the FHSAA.
 17. Reassignment by District School Board – The student is reassigned during the school year to a different school by the district school board, as long as the reassignment is not for athletic or disciplinary reasons, and the reassignment is not requested by the student or his/her parents, and the student meets all other eligibility requirements per the FHSAA. In this case, the student may participate in interscholastic athletic competition at the public school where he/she is assigned or a private school he/she chooses to attend.
 18. Transfers of Schools within the First Twenty Days – The student transfers school within the first twenty (20) school days of the academic school year, meets all other requirements per the FHSAA and provided: (a) the student has not engaged in any athletic activities affiliated with either school prior to the transfer; (b) the student has not been recruited; (c) the student is not transferring in whole or in part for athletic reasons; (d) the student is not transferring because of disciplinary reasons and/or misconduct; and (e) the receiving school principal communicates and verifies with the sending school principal that the student has not engaged in any athletic activities affiliated with either school prior to the transfer, and the student is not transferring due to disciplinary reasons.

ATTENDANCE RULES

The classroom experience is of unique value and cannot be duplicated by make-up work. The purpose of this attendance policy is to foster responsibility and reliability on the part of District students to attend all classes. Students will acknowledge greater emphasis on attendance at school because credit in their classes will be contingent upon their presence.

The District School Superintendent is responsible for enforcing school attendance of all students subject to the compulsory school age in the school district and supporting enforcement of school attendance by local law enforcement agencies. The

responsibility includes recommending policies and procedures to the District School Board that require public schools to respond in a timely manner to every unexcused absence, and every absence for which the reason is unknown, of students enrolled in the schools.

Parents/guardians are responsible for the attendance of their children within the compulsory school age (6-16 years) unless the child files a formal declaration of intent to terminate school enrollment with the School Board on or after age 16. The declaration must acknowledge that terminating school enrollment is likely to reduce the student's earning potential and must be signed by the student and the student's parent/guardian. Parents/guardians who refuse or fail to have a child in school commit a misdemeanor, punishable as provided by law (§1003.21, Florida Statutes). Students 18 years of age and older shall have all rights accorded to their records unless they are dependent on their parent/guardian as defined in the Internal Revenue Code. Students 18 years of age and older in K-12 educational programs are required to be in compliance with attendance and discipline policies of the SCSD.

Absences - Absence is nonattendance of a student at school or in an approved educational activity/field trip or program on days when school is in session. Absence occurs when a student is not physically present at school or not participating in an approved school activity as defined under the compulsory school law. Though school-sponsored academic field trips are not considered absences, students are required to make up missed class work upon return to school.

Excused Absences may include:

- Illness or injury of the student, as documented by a health care professional,
- Illness or injury of the student's immediate family creating insurmountable condition of absence, as documented by health care professional,
- Death of a member of the student's immediate family,
- Documented appointments with health care professionals,
- Administrative approval based upon written request/justification to principal or designee,
- Recognized religious holidays,
- Documented judicial actions-subpoena/summons, or
- Therapy prescribed and delivered by a licensed certified practitioner.

Prior approval for absences for vacation or other anticipated reasons must be granted by an administrator and the student must make arrangements for makeup of work prior to the absence. Excessive absences and academic standing may be factors in the decision to excuse or not excuse the absence.

Unexcused Absences - An unexcused absence takes place any time a student is out of school for reasons unknown or not recognized under the law. On the third unexcused absence within the previous 30 school days, a letter will be sent to the parent/guardian informing them of the compulsory school attendance law and their legal obligation to follow the law.

Excessive Absences or Truant - A student is considered truant or excessively absent when he/she has had at least five (5) unexcused absences within a calendar month or 10 unexcused absences within a 90 calendar day period. The student may be exhibiting a pattern of nonattendance, and this may be considered excessive. Students who demonstrate truancy may forfeit their rights to attend Grad Bash, prom, field trips or other extracurricular activities. The student may be referred to the school's Student Support Team to determine if early patterns of truancy are developing. If it is determined that an early pattern of truancy is developing, regardless of whether the absences are excused or unexcused, a meeting with the parent/guardian shall be scheduled to identify potential remedies. If absences continue to be a concern, despite intervention attempts, the school may make a recommendation for filing a truancy petition. (§§1003.26 and 984.141, Florida Statutes)

Habitual Truant - A student is considered habitually truant when he/she has 15 unexcused absences within 90 calendar days with or without the knowledge or consent of the parent/guardian (§1003.01, Florida Statutes). Accumulated tardies and early check outs shall be considered unexcused absences. At the high school level or at a 6-12 combination school, seven (7) unexcused tardies, missed periods, or early checkouts will equal one unexcused absence for the purpose of defining a habitual truant. At the middle school level, six unexcused tardies or early checkouts will equal one unexcused absence for the purpose of defining a habitual truant. At the elementary school level, four unexcused tardies or early checkouts will equal one unexcused absence for the purpose of defining a habitual truant. Legal actions, including possible criminal charges, will be pursued when the parent/guardian ignores school attendance requirements. The Superintendent must provide the Department of Highway and Motor Vehicles (DHMV) with the name of each habitually truant student, age 14-18. The DHMV may not issue a driver's license or learner's permit to and shall suspend any previously issued license of any student who is habitually truant (§322.091, Florida Statutes). Families receiving public assistance for a student through the State of Florida WAGES program may have that assistance withdrawn if the student is classified as a habitual truant.

Authorized Student Sign Out - Students may not leave or be signed out from a school campus without the presence of an adult who is listed as the parent or guardian of record or an adult who is listed as an emergency contact on the Annual Student Contact Form. A photo ID is required from the adult listed on the Annual Student Contact Form who is requesting the release of the student to his/her custody. Students who drive to school at BHS and SHS may not be released or signed out prior to the end of the regular school day over the phone by a parent, guardian, or other individual without the authorization of the principal/designee in emergency situations or circumstances that warrant leaving school campus without the presence of a parent, guardian, or other authorized individual. The principal is the final authority in determining if a student has permission to leave campus in the absence of the parent.

Parent Notes - Whenever a student of compulsory school age is absent without the permission of the person in charge of the school, the parent/guardian of the student will report and explain in writing the cause of such absence or tardy to the appropriate school personnel. This note should be provided to the school within three (3) days upon the student's return to school. The principal or designee has the authority, within the guidelines of the law, to determine if an absence is excused or unexcused.

Make-Up Work - Parents and students with absences are responsible for making arrangements with the teacher to make up work and assignments missed while absent. Students with excused absences will be allowed to make up work for full credit. Students with unexcused absences will be allowed to make up work with a minimum of 70% credit. All missed work is due within a reasonable amount of time following the return to school (two days for each day absent) with the following exceptions:

- Test or exams assigned prior to absence will be taken on the day the student returns to school,
- Work assigned prior to absence will be taken on the day the student returns to school,
- Long-term assignments and projects must be turned in on the day the student returns to school,
- Students checking in or out on the day a long-term assignment is due must turn the assignment in by the end of that school day to be accepted as on time, or
- Teacher extends due date.

Failure to comply with requirements may adversely affect academic standing.

Tardies - Tardies may be recognized and calculated in instances of truancy. For truancy purposes and documentation for court action, 7 (seven) unexcused tardies to school or seven (7) early checkouts from school will equal one unexcused absence at the high school or combination school. Six (6) unexcused tardies to school or six (6) early checkouts from school will equal one unexcused absence at the middle school. Four (4) unexcused tardies to school or four (4) early checkouts from school will equal one unexcused absence at the elementary level. This number is determined by the number of periods at the school. Tardies are disruptive to the learning environment and have a negative impact on student achievement. A student is tardy when they arrive to school or class after the beginning bell has sounded without an approved excuse. Leaving school early before the end of the school day also falls under this category. For K-8 students, the parent must accompany the student to the office when they are tardy. For secondary and 6-12 schools, the student must report to the attendance clerk.

Home School Students - Home school students with previous attendance concerns will be required to submit ongoing documentation regarding educational participation in a home school curriculum by submitting required documentation as requested to the Home School Coordinator. Failure to meet attendance requirements as demonstrated by academic progress may result in student being ordered to return to student's home base school.

BULLYING AND OTHER FORMS OF AGGRESSION

The SCSD is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. The SCSD encourages the promotion of positive interpersonal relations among all members of the school community. Aggressive behavior, bullying, harassment, and similar acts toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. This prohibition includes physical, verbal (oral or written), electronically transmitted (cyber or high-tech), and psychological abuse. The SCSD will not tolerate any gestures, comments, threats, or actions, which cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the District, including activities on school property or while enroute to or from school sponsored activities and those occurring off school property if the student or employee is at any school-sponsored, school-approved, or school-related activity or function, such as field trips or athletic events where students are under the school's control, or where an employee is engaged in school business. Bullying, including cyberbullying, is defined as the systematical and chronical inflicting of physical hurt or psychological distress on one or more students and may involve: teasing; social exclusion; threats; intimidation; stalking; physical violence; theft; sexual, religious, or racial harassment; public or private humiliation; and/or destruction of property [§ 1006.147, Florida Statutes] [SCSD Policy No. 5.101]

Each school principal will be fully expected and authorized to implement and monitor the SCSD's policy on bullying.

BUS CONDUCT RULES

The bus is an extension of the school campus. Therefore, students will adhere to all conduct rules, including those addressing medication, while riding a SCSD school bus. Only a student who is regularly enrolled as a transported student and whose name appears on the bus driver's enrollment card for that bus shall be permitted to ride such a bus while it is being operated on a regular school bus route except upon the written request of the parent/guardian of a student and with the written approval of the Director of Transportation. Such approval may be granted only when the student's welfare is involved due to an emergency condition in the home. When an emergency condition exceeds five (5) days, the Superintendent's designee's approval shall be required. Approval shall not be allowed for student visitation, unless duly authorized, or for a student to obtain transportation to his/her regular place of employment. Students attending a school on a zone waiver must provide his/her own transportation.

Section 1006.10(1-7), Florida Statutes, gives school bus drivers the authority to monitor and control the behavior of students any time they are being transported to and from school or school functions at public expense.

Students being transported on a school bus must comply with the rules.

1. Students must get on/off at their regularly appointed bus stop and school where student attends unless written parent/guardian permission is provided to the school administrator early in the day to allow time for verification.
2. Students must use the handrail when entering and leaving the bus. Be careful that loose straps or drawstrings on articles of clothing or backpacks do not get caught on the handrail.
3. Students must occupy the seat assigned by the driver and refrain from moving around while the bus is in motion. Seat belts must be correctly fastened upon taking assigned seat and worn at all times if the bus is designed with seat belts.
4. Students must wait until the bus has come to a complete stop before entering or exiting the front door of the bus. Students shall form a line in order to ensure safety in getting on or off the bus.
5. Students must be at the bus stop at least 5 minutes before bus arrival but not more than 15 minutes before arrival. Students must observe proper rules of conduct while waiting for the bus. Students shall stay at least 12 feet off the road and off private property.
6. If it is necessary for a student to cross a road to board a bus, the student should wait until the bus arrives and the driver deploys the stop arm and flashing red lights. The student should make visual contact with the driver, watching for the Department of Education's (DOE) adopted crossing signal. The student must then make a right and left check for traffic and cross 12 feet in front of the bus.
7. If it is necessary for a student to cross a road after unloading from a bus, the student should stand at the side of the bus in sight and hearing of the driver. The student must make visual contact with the driver, watching for the DOE's adopted crossing signal. The student must then make a right and left check for traffic and cross 12 feet in front of the bus.
8. Students must obey the driver, monitor, and volunteers at all times and follow the standards of conduct while riding the school bus. Students must report promptly to the principal when instructed to do so by the driver. Bus infractions may result in an out-of-school suspension.
9. Students must keep all body parts and belongings inside the bus windows.
10. Students must keep from littering, throwing, or propelling objects inside the bus.
11. Students must keep from throwing or propelling items outside the bus windows. Behavior that violates this rule may be classified as a felony. The student and the parent/guardian shall be held responsible for any damages that result from such an act.
12. Students must keep from defacing or vandalizing a school bus. Restitution will be required for any damages sustained to the bus.
13. Students must follow emergency evacuation procedures when appropriate.
14. Students must observe classroom conduct rules at all times (except for ordinary conversation). Silence on the bus shall prevail while the bus is stopped for railroad crossings or for discharging students. When the bus is in motion, only talk to the driver if it is necessary and be quiet when the driver turns the dome lights on, raises a hand, etc. One of these signals will be used at railroad crossings.
15. The use of profane or objectionable language or engaging in any other objectionable conduct is prohibited. There shall be no pushing, fighting, or any other type of misconduct at any time.
16. Possession of sharp/dangerous instruments or any type of weapons on the bus is prohibited.
17. Students must not bring animals, glass containers, skateboards, food, or drinks on the bus.
18. Students must not use or have any tobacco and/or nicotine producing products (smoking, chewing, dipping, vaping) or other mood altering substances while on the bus.

19. Students must not bring bulky or inappropriate objects on school transportation. This includes, but is not limited to, musical instruments, athletic equipment, etc., that cannot be held in the student's lap. No objects may block the aisles or emergency exits.
20. Students may not use cell phones while riding school buses to and from school. Cell phones may be used upon returning from a field trip or an extracurricular activity beyond normal school hours. The teacher/coach and the bus driver will jointly give permission for students to call parents to give an estimated time of arrival.

Note: SCSD buses are equipped with video/audio cameras for security purposes. Students are being recorded during their ride. These tapes may be used to determine violations of the Student Conduct and Discipline Code. Only authorized school personnel can view a bus video/audio recording when the need arises due to the protection of other students' privacy.

All bus incidents requiring potential discipline intervention will be referred to school administration for determination of appropriate consequences.

Procedures for students with disabilities are described in the subsection ESE: Suspensions and Expulsions.

BUS SUSPENSION/EXPULSION

When a student is suspended or expelled from the bus, they are not permitted to use any SCSD school bus for extracurricular activities or field trips during the suspension or expulsion timeframe. At the principal's discretion, a student with a Level I or Level II infraction may be allowed to ride the bus for extracurricular activities only for field trips that are academic in nature.

A student who uses School Board provided transportation must abide by the rules of safety and behavior necessary for the operation of the system. Bus riders must follow rules in the Student Conduct and Discipline Code. Serious or repeated infractions of these rules may cause the student to lose the privilege of riding the bus. It is the responsibility of the parent/guardian to see that the student follows the rules or to provide for the student's own transportation. Suspension from a school bus does not affect the requirements of attendance laws and regulations. Level ~~II-III~~ or Level ~~III-IV~~ offenses may result in an out-of-school suspension and/or expulsion. Level ~~III-I~~ and Level ~~IV-II~~ offenses may result in expulsion from school. By statute, criminal penalties may be imposed. See Mandatory Consequences for Bus Violations [§§1001.42, 1003.26, 1006.10, and 1006.21, Florida Statutes].

Parents/guardians are responsible for their children at the bus stop. However, school officials may address misconduct by students at a bus stop. Bus drivers may issue bus referrals based on behavior they observe at bus stops and administrators may investigate and discipline accordingly [§§1006.07(2)(h), 1006.09(1)(b), and 1006.10, Florida Statutes].

CELL PHONES AND/OR ANY ELECTRONIC COMMUNICATIONS DEVICES

Cell phones that are heard or are in use on school grounds during school hours without the consent of school personnel or on school transportation will be confiscated. At the secondary level, Cell-cell phones are allowed to be on and in operational mode before the school day begins, during the assigned lunch period, and after the ending school bell for dismissal. Students may only use a single earbud during authorized use. All other cell phone use shall be at the direction and permission of school personnel or with the permission of the bus driver. Only electronic communications approved by school officials for a school assignment will be permitted. Any other electronic communications will be considered a violation and will be prohibited. Electronic communications include, but are not limited to, video/audio records, photographs, and/or text messages. The school will not be held responsible for lost or stolen cell phones and/or any electronic devices. No student may have in his or her possession any wireless communication device or any other item that records, stores, or transmits data during any standardized testing (FSA, EOC, etc.). This policy applies to grades PreK-12 as does everything in the Student Conduct and Discipline Code. Violation of this provision may result in the loss of the student's privilege to possess a cell phone on campus in addition to any other prescribed disciplinary intervention. If a cell phone/electronic device is visible, being handled, or otherwise used in any manner during a test or exam, it will be considered cheating and the student may receive a zero for that test or exam.

Note: Use of a wireless communications device includes the possibility of the imposition of disciplinary action by the school or criminal penalties if the device is used in a criminal act [§1006.07(2)(e), Florida Statutes].

DRESS CODE

Students have a responsibility to be dressed and groomed in a manner that is consistent with the Student Conduct and Discipline Code. The principal shall determine when a student's personal hygiene, appearance, or dress is such that it disrupts or interferes with the educational process or endangers the health and safety of the student or others. Students who attend the RIVEROAK Technical College shall dress in a manner appropriate for the job in which they are receiving training, including any special protective gear and professional uniforms [§1001.43(1)(b), Florida Statutes].

1. Footwear must be worn at all times.
 - a. At the elementary school level, flip flops, bedroom slippers or the appearance of bedroom slippers, and shoes with wheels are not acceptable.
 - b. At the middle and high school levels, bedroom slippers or the appearance of bedroom slippers, cleated shoes, and shoes with wheels are not acceptable.
2. Jewelry worn in pierced body parts shall be of a nature that is not distracting to others.
3. All middle and high school students shall be required to wear appropriate dress for physical education as prescribed by the school.
4. The following items have potential to cause disruption or threat to a safe and positive school environment and are not allowed:
 - a. Decorations, symbols, mottos, or designs imprinted or attached to the body or clothing which is offensive to good taste or the maintenance of good decorum. Examples include, but are not limited to, wearing advertisements of commodities, such as alcoholic beverages, drugs, tobacco, and symbols or writings that have sexual or racial connotation, gang references, or profane language.
 - b. Revealing clothing or clothing that exposes the torso. Examples include, but are not limited to: see-through garments; bare midriff clothing that allows any area of the midriff (front and back) to be exposed when sitting, standing, or raising the arm; backless attire; sleepwear or having the appearance of sleepwear; skin-tight clothing; shirts/blouses that do not extend to or over the cap of the shoulder from the base of the neck.
 - c. Clothing that is not worn appropriately, is not properly fastened, or has rips, holes, or tears. Clothes shall be worn as they are designed; for example, suspenders over the shoulders, pants secured at the waist, belt-buckled, no underwear as outerwear, no underwear exposed, no oversized or baggy pants.
 - d. Skirts, dresses, shorts including bike shorts, and skorts that are shorter than four inches above the top of the knee cap are not acceptable. These items worn with leggings or tights are not acceptable.
 - e. Caps, hats, headgear, visors, bandanas, or sunglasses while in the building and/or other areas designated by the principal. No hoodies with hoods worn over the head are allowed at any time.
 - f. Chains, other than necklaces considered to be jewelry. Examples include, but are not limited to, heavy chains generally used for utility purposes, animal choke collars, and so-called hip-hop chains.
 - g. Jewelry that contains any type of sharp object and mood bracelets.

Note: The principal or designee has the final authority for determining whether or not a student's apparel conforms to the dress code. The principal or designee may prohibit the use of clothing or items that cause disruption during school, on school transportation, or during school sponsored events. When it is determined that the apparel is inappropriate, the parent/guardian will be asked to bring clothing to the school which conforms to the Student Conduct and Discipline Code. Repeated violations of dress code guidelines will be considered insubordination and will be subject to disciplinary interventions.

Per Florida Statute 1006.07, clothing that exposes underwear or body parts in an indecent or vulgar manner or that disrupts the orderly learning environment shall, on first offense, receive a verbal warning and the principal shall call the student's parent/guardian. For a second offense, the student is ineligible to participate in any extracurricular activity for a period not to exceed five days and the school principal must meet with the student's parent/guardian. For a third or subsequent offense, a student must receive an in-school suspension for a period not to exceed three days and the student is ineligible to participate in any extracurricular activities for a period not to exceed 30 days, and the school principal must call the student's parent/guardian and write a letter regarding the student's suspension and ineligibility to participate in extracurricular activities.

GANGS AND GANG-RELATED ACTIVITY

The SCSD will not tolerate any gang related activity on school grounds, school sponsored events, and/or on school transportation, to include dress, tattoos, bandanas (to be used as gang identifiers), graffiti, hand signals, or verbal slang. Gang-related activity may include, but is not limited to, engaging in any verbal, written, or physical act, which is associated with becoming a member of a gang, being a member of a gang, or participating in gang-identified rituals or behaviors on a school campus or at a school-sponsored program or activity. Violations that disrupt the educational process will lead to disciplinary action. If a student is identified or qualifies as a gang member, the student may be subject to expulsion. If a student qualifies as a gang member, subsequent violations of the Student Conduct and Discipline Code may be raised to the next level (i.e., Level IV to Level III, Level III to Level II, Level II to Level I).

It is therefore the policy of the SCSD that gangs and gang activities are prohibited in Suwannee County Schools.

1. A gang is defined as any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of criminal/violent acts and having a common name or common identifying signs, colors or symbols, or the purposeful violation of any SCSD policy.
2. No student on or about school property or at any school activity shall:
 - a. Wear, possess, use, distribute, display, or sell any clothing, jewelry, emblem, badge, symbol, sign, or other item that evidences or reflects membership in or affiliation with any gang.
 - b. Communicate either verbally or non-verbally (gestures, handshakes, slogans, drawings, etc.) to convey membership affiliation in any gang or that promotes gang affiliation.
 - c. Engage in any act that encourages or promotes interest in any gang or gang activity, including, but not limited to:
 - (1) Soliciting membership in, or affiliation with, any gang,
 - (2) Soliciting any person to pay for protection or threatening any person, explicitly or implicitly, with violence or with any other illegal or prohibited act,
 - (3) Painting, writing, or otherwise inscribing gang-related graffiti, messages, symbols, or signs, on school or personal property,
 - (4) Engaging in violence, extortion, or any other illegal act or other violation of school board policy,
 - (5) Soliciting any person to engage in physical violence against any other person,
 - (6) Engaging in the use of technology that encourages or promotes interest in any gang or gang activity.

The SCSD is working in conjunction with the Suwannee County Sheriff's Office, Department of Juvenile Justice, and the local police department to deter gang activity on school campuses. Any student exhibiting gang activity/characteristics as described in this section may be photographed and information will be shared with local law enforcement. A student identified as a gang member by the School Resource Officer/Deputy will be photographed and entered into the Florida Department of Law Enforcement's Gang Net (§§874.03 and 874.05, Florida Statutes).

HARASSMENT

The purpose of this policy is to inform and educate students of their responsibilities, rights, and complaint/grievance procedures with regards to harassment. The term harassment includes verbal or physical conduct that denigrates or shows hostility or aversion toward an individual. Harassment includes, but is not limited to, racial slurs, jokes, epithets, negative stereotyping, threats, intimidation, hostile acts, denigrating or hostile written or graphic material in student's possession or constructive possession (i.e., book bag, locker, etc.), worn, posted, circulated in the workplace or schools. The term also includes sexual harassment, which is defined as unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal, non-verbal, or physical conduct of a sexual nature when such conduct has the purpose or effect of unreasonably interfering with a student's educational performance. This includes dating violence as per §784.046(1)(d), Florida Statute and SCSD policy.

VIOLENT OR DISRUPTIVE BEHAVIOR

The SCSD is committed to providing an environment supported by educators for improving school safety and increasing access to mental health supports for children and youth. The District will not tolerate violent and disruptive behavior which interferes with the orderly environment and the academic process of the school. Violations may lead to the removal of a student to an Opportunity School Placement or referral to mental health services. A committee will be established to consider the consequences of such behavior. The purpose of the committee is to review all relevant data for making a determination of placement and services. Appropriate Opportunity School staff, school-level staff, and the parent/guardian will be included in the committee. The parent/guardian will be notified in writing but does not have to be present for placement decisions.

Any student who is determined to have brought a firearm or weapon must be referred to mental health services identified by the District. Any student who is determined to have made a threat or false report must be referred to mental health services identified by the District for evaluation or treatment, when appropriate.

REPORTING SUSPICIOUS BEHAVIOR

FortifyFL is a suspicious activity reporting tool that allows the public to instantly relay information to appropriate law enforcement agencies and school officials and may be found and utilized as a reporting tool on the District website and all District issued devices.

HEALTH SERVICES PROVIDED

School health staff provides health counseling, health education, health screening, referral, and follow up services for suspected or confirmed health problems. They also provide consultation with students' parents/guardians regarding the need for health evaluation by the family physician, dentist, or other specialist when definitive diagnosis or treatment is indicated. School health staff reviews and maintains records on incidents of health problems, corrective measures taken, and other

information that may be needed to plan and evaluate health programs and policies. The school nurse provides health information, when necessary, regarding the placement of students in exceptional student programs and the reevaluation at periodic intervals of students placed in such programs.

ANNUAL EMERGENCY INFORMATION AND HEALTH UPDATE

It is very important that the Annual Emergency Information and Health Update form is completed and returned to the child's school the first week of school. Please provide schools with emergency contacts and inform administration of any health problems your child may have which can affect them in the school setting.

Current accurate health and telephone information enables the school to contact you in case of emergency, accident, or illness, and will help us to ensure the health and well-being of your child. If any information changes during the school year, please contact the school immediately. It is the parent/guardian's responsibility to keep his/her child's health and contact information (telephone numbers, address, etc.) updated. In case of a serious accident or illness at school, your child will be transported by ambulance to an emergency medical facility. The parent/guardian is responsible for all expenses.

MEETING EMERGENCY HEALTH NEEDS

Onsite emergency health needs are provided at each school by school health staff employed by SCSD, the Suwannee County Health Department, and/or other trained SCSD staff who are currently certified by a nationally recognized certifying agency to provide first aid and CPR. Onsite emergency health needs means management and aid for illness or injury pending the student's return to the classroom or release to a parent/guardian, designated friend, or designated health care provider.

Please list on the Annual Emergency Information and Health Update form friends and/or relatives who may serve as emergency contacts for your child when you cannot be reached. Please list your best contact information such as a cell phone number, if applicable.

SCHOOL ENTRY HEALTH EXAMINATION

Students in grades Pre-K through 12th who are making their initial entry into a Florida school must present a record of a physical examination completed within the past 12 months. The exam record shall be completed on a DH3040 form.

The exam record should be taken to the child's school upon enrollment. It must be completed by a health care provider licensed to perform physical examinations. For students transferring to a Florida school, a comparable form from another state would be acceptable, if completed within one year [§1003.22(1), Florida Statutes; Rule: Chapter 6A-6.024, FAC].

FLORIDA IMMUNIZATION REQUIREMENTS FOR SCHOOL ENTRY – 2021-2022 SCHOOL YEAR

Section 1003.22 (10) Florida Statutes, requires each district school board and the governing authority of each private school to refuse admittance or temporarily exclude from attendance any student who is not in compliance with the immunization requirements for school attendance.

Pre-Kindergarten

***Pre-K students must have started the series and have a current immunization certificate.

2019-2020/2021-2022 School Entry Requirements

Before entering or attending school in-person or virtually Florida (kindergarten through 12th grade), each child must provide a Florida Certification of Immunization (DH 680 form), documenting the following vaccinations:

Public/Non-Public Schools Kindergarten through 12th Grade:

- 4 or 5 doses of Diphtheria-Tetanus-Pertussis (DTaP) vaccine*,

Seventh Grade Requirements

In addition to kindergarten through 12th grade vaccines, students entering or attending seventh grade need the following:

- 1 dose of Tetanus-Diphtheria-Pertussis (Tdap) vaccine in grades seven through twelve, and
- An updated DH 680 form to include Tdap, must be obtained for submission to the school.

*The fifth dose of DTaP vaccine is not necessary if the fourth dose was administered at age four years or older.

**If four or more doses are administered before age four years, an additional dose should be administered at age four through six years and at least six months after the previous dose. A fourth dose is not necessary if the third dose was administered at age four years or older and at least six months after the previous dose.

***Varicella vaccine is not required if varicella disease is documented by the health care provider.

EXEMPTIONS

There are only two types of exemptions: medical and religious. Your child's doctor (MD or DO) must fill out the DH-680 form (Part C) indicating a valid reason for medical exemption. Only the Health Department can grant a religious exemption.

MENINGOCOCCAL VACCINES

Meningococcal vaccines are not required for school entry or attendance but are recommended for all children at their routine preadolescent visit (11-12 years of age). For those who have never previously received Meningococcal vaccines, a dose is recommended at high school entry.

HUMAN PAPILLOMA VIRUS VACCINES (HPV/GENTIL HERPES)

Human Papilloma Virus vaccines are not required for school entry or attendance but are recommended for girls at their routine preadolescent visit (11-12 years of age). Males that are 9-26 years of age may receive HPV vaccine.

MEDICATION ADMINISTRATION

Administration of medications during school hours is discouraged unless a physician determines that a student's health needs require them to be given while at school. Medication must be transported to and from school by the parent/guardian or a responsible adult designated by the parent/guardian. SCSD has a "Zero Tolerance" drug policy. Don't put your child at risk of disciplinary action! As the parent/guardian, you can avoid potential problems for your child. Don't send any medications to school with your child. Remember, even over the counter medications, such as Tylenol and Advil, are considered drugs. Instructions on using medication shall be provided in writing by the Florida licensed prescribing healthcare practitioner or as described on the medication container provided by the pharmacist and/or the Florida licensed prescribing healthcare practitioner. All medications shall be delivered to the school office or health clinic with the Authorization for Medication Administration Form completed and signed by the student's parent/guardian and the Florida licensed prescribing healthcare practitioner. This form is available online on the Student Services webpage at www.suwannee.k12.fl.us. A separate Authorization for Medication Administration Form must be completed for each medication that must be given during school hours or school-sponsored activities. First dosage of any new medication shall not be administered during school hours because of the possibility of an allergic or adverse reaction.

1. Only medication in its original container from the store or pharmacy will be accepted.
2. All medications being received at school must be counted with the parent/adult delivering the medication and a school health staff and/or a school employee who is receiving the medication. Verification of the count shall be made, in writing, on the medication administration log notes by the person delivering the medication and the person receiving the medication.
3. Medication should be given as close to the prescribed time as possible. It is acceptable medical practice to give the dose one hour before or after specified time on a routine basis.
4. Narcotic analgesics will not be administered at school. Narcotics are known to cause decreased coordination and decreased levels of consciousness, thus presenting both impaired learning and safety issues for the student.
5. No medications, prescription or non-prescription, with an expired prescription date or that is past the manufacturer's expiration date will be administered at school or during school sponsored activities.
6. The medication in the bottle must match the label, match the student's name, match the authorization form, and have a current prescription label on the bottle (if it is a prescribed medication). The date on the label must be within the past 30 days for controlled substances and antibiotics and within the past 12 months for other prescribed medications.
7. Prescription labels shall not be altered with handwriting by a parent, school staff, or school health staff.

8. A new prescription bottle with correct labeling is required for any dosage and/or time changes.
9. The school cannot alter dosages without a new Authorization for Medication Administration Form completed by the parent/guardian and the Florida prescribing healthcare practitioner.
10. Unused medication should be retrieved from the school/office within one week after medication is discontinued or by the end of the last student school day of the current school year. Otherwise, the school will dispose of the medication.

AUTHORIZATION FOR STUDENTS TO CARRY A PRESCRIPTION, INHALER, EPIPEN, INSULIN, PANCREATIC ENZYME SUPPLEMENT OR OTHER APPROVED EMERGENCY MEDICATION

If a student has asthma or other health-related conditions that require self-administration of medicine or emergency type(s) of medication or a student needs to carry medication and self-administer on his/her person, you must complete an Authorization for Students to Carry a Prescription, Inhaler, EpiPen, Insulin, Pancreatic Enzyme Supplement or Other Approved Medication Form. You may obtain a form from your child's school or online at <http://www.suwannee.k12.fl.us/medication-administration>. This form requires signatures of a Florida licensed healthcare practitioner, the parent/guardian, and the student.

1. The school nurse, who is a registered nurse, upon performing a nursing assessment of the student, shall determine whether or not this student is ready to responsibly self-carry and self-administer medication at school or during school-sponsored activities without endangering the health and safety of themselves, school staff, and/or fellow students. If the school nurse determines that a student is not responsibly self-carry and self-administer medication at school or during school-sponsored activities, the medication will be administered by school health staff and/or trained school staff.
2. Parents are strongly encouraged to keep a "back up" supply of any emergency medications, such as an inhaler, EpiPen, diabetes medication, etc., in the school clinic. For further instructions, please call or visit your child's school nurse.
3. Emergency Injectable Medications, such as EpiPens, Glucagon, etc., must be accessible immediately in case of an emergency. Only these medications with the exception of inhalers will leave the building in the event of an emergency.
4. Emergency Injectable Medications, such as EpiPens, Glucagon, etc., should be kept in the clinic. It is not recommended to keep emergency medications in the classroom unless the student has been checked off to self-carry in the event of an emergency.
5. Emergency Injectable Medications, such as EpiPens, Glucagon, etc., may be kept in a secure but unlocked location in the clinic. If stored in this way, there should be a sign on the outside of the medication cabinet indicating where the emergency medications are located.

Under NO circumstances should students show, share, dispense, or deliver prescription or non-prescription medication(s) to/with another student!

SCSD's definition of substance abuse: The use of any drug when such use is unlawful, and the use of any drug when such use is detrimental to the user or to others but is not unlawful.

STUDENT USE OF SUNSCREEN

Students may possess and use non-aerosol topical sunscreen without a physician's note or prescription if the sunscreen is regulated for over-the-counter use to limit ultraviolet light-induced skin damage.

HEALTH SCREENINGS

The Suwannee County Health Department and the SCSD provide health screenings to students in Suwannee County Schools. Florida Statute 402.32 of the School Health Services Act requires these screenings. These screenings are designed to detect health problems that could affect student's learning and/or growth. The screenings conducted are those outlined in our current School Health Plan. The screenings for our county include:

- Vision – Kindergarten, first, third, and sixth grade students and students entering school for the first time,
- Hearing – Kindergarten, first, and sixth grade students and students entering school for the first time,
- Growth and Development (height and weight) with BMI calculation – first, third, and sixth grade students, and
- Scoliosis – Sixth grade students.

These screenings will not harm your child in any way. Mass screenings as listed above will take place within the first semester. If your child does not pass any part of the screening exam(s), you will be notified in writing. Results of your child's health screenings will remain confidential and shared only with school personnel with a need to know.

EXCLUDING STUDENTS FROM SERVICES

Parents who do not desire their child to participate in health screenings or health education are requested to send a written letter of exclusion to the school nurse no later than two (2) weeks after the date of enrollment of current school year.

HEALTH INSTRUCTION

Health instruction will be provided by properly trained personnel as mandated by the Florida House Bill 1739, which requires that public school curriculum include instruction on human growth and development, AIDS, and pregnancy prevention, and to reduce destructive behavior in children. This legislation established abstinence from sexual activity outside marriage as the expected standard for all school age children and states that human growth and development education will stress this standard. Parents/guardians may review the content of the curriculum by calling the school for an appointment.

PARKING/VEHICLE RULES

The parking of a student's vehicle on campus is a privilege that is granted by the SCSD that may be conditioned upon the purchase of a parking decal at the school of attendance. Students who repeatedly violate campus-parking rules may have their parking decal revoked and/or are subject to disciplinary interventions. Students must follow the school policies on driving and parking. Violation of the Student Conduct and Discipline Code policies or the school parking/driving policies may result in loss of privileges, suspension, or expulsion from school [§1001.43(1)(f), Florida Statutes].

Note: Privileges and Responsibilities – Parents are encouraged to review Florida law pertaining to the operation of motor vehicles by their children. High school students with operator's licenses may not be legally allowed to drive their vehicle home after a late ballgame. It is the student and parent's responsibility to know the law.

1. A student will not be permitted to drive any vehicle to school until filing with the principal the written consent of the student's parent/guardian and a written agreement to comply with all rules of the SCSD and local school officials. Students parking vehicles on campus without authorization are subject to disciplinary interventions.
2. A student leaving home for school shall proceed directly to the school campus. After arriving at school, a student shall remain on school grounds unless given permission to leave the grounds as provided in these rules. At the close of the school day, the student shall leave the school grounds promptly unless under the supervision of a faculty member.
3. The student shall park a car driven to school in the area designated for student parking.
4. Each student who parks a vehicle on a school campus is presumed to know what is contained in the vehicle and will be held accountable for any weapons, drugs, contraband, etc., which may be found in the vehicle.
5. No student shall loiter in or around the parking area or areas.
6. Students shall not occupy cars during class hours, between classes, or before or after school except as they arrive and leave for the school day and travel to and from approved programs at other locations.
7. A student who receives a citation for a traffic violation while traveling to or from school or who is known to be operating a vehicle in such a manner as to endanger the student's own safety or that of others may at the principal's discretion lose the privilege of driving a vehicle to school. Any student violating such directives shall be subject to suspension or expulsion from school.
8. Students must follow all Florida DHMV traffic laws and regulations while on school property or be subject to citations.
9. Habitual truants will have their driver's license withheld/suspended by the DHMV.
10. Student parking is provided only at the high school facilities, therefore, no middle or elementary school students are permitted to drive themselves to school.

TECHNOLOGY – STUDENT ACCEPTABLE TELECOMMUNICATIONS/ELECTRONIC COMMUNICATIONS USE POLICY AND AGREEMENT

The Suwannee County School District (SCSD) provides computers and network capabilities to students for the purpose of enhancing instruction through technological resources. K-5 classrooms are equipped with a class set of Chromebook devices for student use on campus. Students in grades 6-12 are issued a Chromebook device to use both on campus and at home, similar to the issuance of a textbook. If the device is damaged due to misuse, the parent/student will be responsible for the cost or repair not to exceed \$200 for a device damaged beyond repair.

The Suwannee County Schools Network is an electronic network which serves public education in accessing the Internet. The Internet is an "information highway" connecting thousands of computers and millions of individual people all over the world. Students, teachers, and support staff of SCSD with network accounts have access to electronic mail (E-Mail) with the ability to communicate with people all over the world. Information, news, and data can also be received from a variety of world-wide sources.

With access to computers and people all over the world comes the availability of some material that may not be considered to be of educational value within the context of the school setting. Efforts have been made to direct participation to education-related materials only. However, on a global network, it is impossible to control all materials. The Suwannee County School Board has established Acceptable Use Guidelines for all users of technology and the Internet in the school system. If any user violates any of these guidelines, his/her access to the network may be terminated and appropriate disciplinary and/or legal action will be taken.

A student's activities while using District devices and/or network resources must be in support of education and research and be consistent with the educational objectives of the SCSD. Students are responsible for good behavior on school computer networks just as they are in a classroom or school hallway. Devices and network storage areas will be treated like school lockers. School and IT authorities have the right to review and monitor all District devices and/or information stored on the network.

Students may not use a personally owned Chromebook or network alternative for educational purposes on campus. The use of personal USB Flash Drives is authorized to students for educational purposes permitting that such use complies with all policies set by SCSD. Using other personal electronic resources, including, but not limited to, digital cameras, tablets, cell phones, digital recorders, MP3 players, and iPods are prohibited unless student has permission from the classroom teacher where the electronic resource will be used. SCSD does not insure personal property of students, staff, teachers, or the public brought on school property. Property of this nature that is stolen, damaged, or lost is the sole responsibility of the owner. The SCSD assumes no responsibility for costs associated with loss or damage to devices not owned by SCSD while on the network. SCSD assumes no responsibility for the technical support or functionality of personal technology brought on school property.

All users must read and be familiar with the IT Policies and Procedures manual. The most recent version is located on the district website at <https://www.suwannee.k12.fl.us/information-technology>. Examples of prohibited activities according to the manual are as follows:

UNACCEPTABLE USE AND PROHIBITED ACTIVITIES

1. Revealing your account password to others or allowing use of your account by others is prohibited. This includes family and other household members when work is being done at home.
2. Attempting to, accessing, or sharing the account credentials of others or penetrating, attempting to penetrate security measures of the SCSD or another entity's computer software or hardware, electronic communications system, or telecommunications/electronic communications system is prohibited.
3. Using the services for any activity which adversely affects the ability of other people or systems to use SCSD's network or the internet is prohibited. This includes denial of service attacks against another network host or individual user.
4. Interference with or disruption of other network users, network services, or network equipment is prohibited.
5. Students must not leave devices unattended while logged on.
6. Students must not read, create, send and/or receive email unless using a District-provided email account.
7. Students must not access, download, store, send, or display text, images, movies, or sounds that contain pornography, obscenity, or language that offends or degrades others.
8. Students must not use social network sites including, but not limited to, twitter.com, facebook.com, chat rooms, etc.

14. Students must not engage in cyber bullying on or off campus (i.e., threatening, harassing, embarrassing, terrifying, insulting, stalking, or attacking others which includes, but is not limited to, online threats and insults intended to embarrass, harass, or terrify others via electronic resources).
15. Students must not post personal information about self or others, sharing confidential information about students or employees.
16. Students must not agree to meet with anyone met online.
17. Students must not intentionally waste limited resources.

21. Other uses that the Superintendent/designee may find unacceptable are prohibited.

STUDENT TECHNOLOGY AND DEVICE GUIDELINES

The SCSD expects students to properly maintain electronic devices supplied by SCSD IT Department.

1. Student access to created documents and data will be unavailable following withdrawal from SCSD. Students are encouraged to download a copy of created documents and data to a USB flash drive prior to withdrawal for personal retention purposes.
2. The SCSD expects students to properly maintain electronic devices supplied by SCSD IT Department. Students must notify a school administrator or teacher of device or network malfunctions immediately.
3. All SCSD devices must be made available for immediate inspection by SCSD staff with or without prior notification.
4. Scheduled device checks will occur throughout the year; all devices must be brought to school every day.
5. Students and/or parents must notify a school administrator or teacher of device damage immediately.
6. The SCSD expects devices to be maintained in good working order by the student. If misuse is evident, the full price of repair or replacement of the device becomes the responsibility of the parent.
7. It is strongly suggested that protective equipment (covers, bags, etc.) are used to ensure an additional layer of protection from damage to the device.
8. Students may not use the device for purposes in contrast to the SCSD Acceptable Use Policy.
9. If a student violates the Acceptable Use Policy, the SCSD device must be immediately returned in good working order.
10. If a device is damaged, the student is responsible for the cost or repair in accordance to the following:
 - a. Screen Replacement: \$50
 - b. Keyboard Assembly or Replacement: \$75
 - c. Charger: \$40
 - d. Battery: \$40
 - e. Full replacement: ~~\$200~~250

If a student violates any of these guidelines, his/her access to the network or SCSD devices may be terminated and appropriate disciplinary and/or legal action will be taken.

SECTION IV: DISCIPLINARY INTERVENTIONS

The SCSD philosophy of student behavior is one that employs a structured, systematic approach designed to support learning. Classroom management, student motivation, and positive reinforcement generate an atmosphere where student rules are viewed as guidelines for academic success.

The SCSD will provide safe, comfortable classrooms and campus environment and maximize opportunities for student learning which are the most important factors in governing student behavior. All students' interests, strengths, and cultural backgrounds are welcomed and valued.

The SCSD believes that all students have the right to a safe and effective learning environment and that teachers have the right to a safe and effective teaching environment. Discipline issues are minimized when students are engaged in meaningful and interesting activities. Students do best with positive reinforcement techniques. Students need to have structure and limits.

The SCSD believes that discipline and classroom management exist as additional learning experiences for students. Discipline should come from a desire to teach students to self-assess and self-regulate their behavior. A well-disciplined student understands what is socially and personally healthy and productive, and can correct his or her own behavior when straying from that ideal. This kind of student can resolve conflicts in a healthy way and knows what behavior is productive within social communities. Likewise, classroom management exists to guide students toward positive behaviors. It not only maximizes the time spent learning in the classroom, but it also serves to eliminate many situations in which students are tempted to exhibit negative behaviors. Effective classroom management helps ensure student success.

The SCSD believes that as professional educators, the SCSD is charged with providing a safe, structured, and orderly environment for all students, staff, and school visitors. Further, the SCSD believes that expecting, teaching, and upholding high behavioral standards are key components in preparing students to be successful and productive citizens in the greater society. In order to fulfill these responsibilities and achieve these goals, as a District, all SCSD schools will:

1. Follow the Student Code of Conduct and School Board Policies,
2. Provide training for staff and parents in effective behavior practices,
3. Promote positive behavioral supports,
4. Administer disciplinary measures with fairness and consistency, and
5. Engage parents as partners in identifying and maintaining student behavior as an educational priority for all SCSD students.

Below are definitions associated with disciplinary interventions. Some definitions have been created by the state, and disciplinary interventions pertaining to these definitions require reporting to the state through School Environmental Safety Incident Reporting (SESIR). All SESIR definitions apply to actions that occur while on school campus, on school-provided transportation, at a school or School Board sponsored function, or while at other School Board facilities.

Abusive, Profane, Obscene, Discriminatory Language/Material - The use of oral or written language, electronic messages, pictures, objects, gestures, or any other physical act (engaging in unwelcome or inappropriate touching) that is considered to be offensive, socially unacceptable, or not suitable for an educational setting; the deliberate use of inappropriate language (profanity) with the intent for others to hear, the use of obscenity toward a school staff member, or the use of obscene gestures.

Aggravated Battery (SESIR) (Level I) - A battery where the attacker intentionally or knowingly causes great bodily harm, permanent disability, or permanent disfigurement; uses a deadly weapon; or, where the attacker knew or should have known the victim was pregnant.

Arson (SESIR) (Level I) - To intentionally damage or cause to be damaged, by fire or explosion, any dwelling, structure, or conveyance, whether occupied or not, or any contents. Fires that are not intentional, that are caused by accident, or do not cause damage are not required to be reported in SESIR.

Bullying (SESIR) (Level IV) - Systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees that is severe or pervasive enough to create an intimidating, hostile, or offensive environment; or unreasonably interfere with the individual's school performance or participation. Bullying includes instances of cyberbullying.

SCSD definition includes but is not limited to, unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting or dehumanizing acts, by an adult or student, that are severe or pervasive enough to create an intimidating, hostile, or offensive educational environment, to cause discomfort or humiliation, or unreasonably interfere with the individual's school performance or participation.

Burglary (SESIR) (Level II) - Unlawful entry into or remaining in a dwelling, structure, or conveyance with the intent to commit a crime therein.

SECTION V: DUE PROCESS

DUE PROCESS PROCEDURES FOR SUSPENSIONS

A student accused of an offense which in the opinion of the principal/designee would require suspension from school or bus shall be afforded the following due process procedures. If a student is formally charged with a felony occurring off property owned by the SCSD by a prosecuting attorney, the principal/designee shall determine if the student's presence on campus threatens the orderly environment or safety of others. An administrative hearing should be scheduled if it is determined the felony charge is upheld. The information shall be provided to the Superintendent who shall determine the length of the suspension by an administrative placement in an alternative setting. A recommendation to expel a student shall be determined by the Superintendent and submitted to the School Board if the student is adjudicated guilty of a felony. Additional procedures for students with disabilities are described in the subsection ESE: Suspension and Expulsions. In emergency situations, these procedures may be modified so long as reasonable efforts are made to provide substantially similar opportunities for due process.

Step 1 – The student must be told by the principal/designee of the reason(s) for consideration of suspension from school or from the school bus (not to exceed 10 days).

Step 2 – The student must be given the opportunity to present the student's side of the matter either verbally or in writing and must have the opportunity to present witnesses to the incident.

Step 3 – The principal/designee shall make a determination as to whether or not the student is guilty of the misconduct, and if so, what the terms of the disciplinary response will be. The student shall be informed of the determination. If the determination is to impose suspension, the notice of suspension shall be in writing. The following information shall be included in the written notice of suspension to the parent/guardian/student and the Superintendent:

- Nature of the offense,
- The date of the offense, the beginning date of the suspension, and the date on which the student may return,
- Any condition involving the suspension, such as a possible reduction of the suspension.

Step 4 – The principal/designee shall report each suspension from school or the school bus in writing to the student's parent/guardian and to the Superintendent/designee. Any suspension notice to parent/guardian/student, shall be hand-delivered by the principal or an administrative staff member or shall be sent by first class mail if the principal or an administrative staff member documents a personal contact (not an attempt or recorded message) with the parent/guardian

concerning the suspension and that the paperwork is being sent by mail. If contact cannot be made with the parent/guardian, then the notice may be sent by certified mail. This report shall be mailed and delivery initiated within 24 hours of the start of the suspension or on the next regular workday. Reasonable efforts shall be made to contact the parent/guardian prior to the start of the suspension. If the parent/guardian cannot be reached prior to the start of the suspension, the principal/designee may determine that the suspension will start without the prior contact with the parent/guardian.

Step 5 – The student and parent/guardian have a right to a conference with the principal/designee upon request of the parent/guardian to appeal the discipline imposed. The principal shall have the discretion to reduce or cancel the suspension if it is felt that it would be in the best interest of the student and school to do so.

Step 6 – If the parent/guardian feels that due process was not provided, they may appeal by contacting the office of Student Services or the Assistant Superintendent of Administration to further discuss the matter. This shall not be interpreted as permitting the District administrator to substitute their judgment for the judgment of the principal.

DUE PROCESS PROCEDURES FOR ALTERNATIVE SCHOOL PLACEMENT

Same as for suspension decisions.

DUE PROCESS PROCEDURES FOR EXPULSION

A student accused of an offense which, in the opinion of the principal/designee may require expulsion from school or bus, shall be afforded the due process described below. Additional procedures for students with disabilities are described in the subsection ESE: Suspension and Expulsions. In emergency situations, these procedures may be modified as long as reasonable efforts are made to provide substantially similar opportunities.

Step 1 – The student must be told by the principal/designee of the reason(s) for consideration of expulsion.

Step 2 – The student must be given the opportunity to present the student's side of the matter either verbally or in writing and must have the opportunity to present witnesses to the incident.

Step 3 – The principal/designee shall make a determination as to whether or not the student is guilty of the misconduct, and if so, what the terms of the disciplinary response will be. The student shall be informed of the determination. If the principal/designee determines that there are sufficient grounds for expulsion, then the principal/designee shall inform the student of the suspension from school for ten days and that a recommendation for expulsion is being considered.

Step 4 – The principal/designee shall report in writing to the student's parent/guardian and the Superintendent that the student has been suspended for ten days and that a recommendation for expulsion is being considered. Any suspension notice to a parent/guardian/student shall be hand-delivered by the principal or an administrative staff member, or shall be sent by first-class mail if the principal or an administrative staff member documents a personal contact (not an attempt or recorded message) with the parent/guardian concerning the suspension and that the paperwork is being sent by mail. If contact cannot be made with the parent/guardian, then the notice may be sent by certified mail. This shall be mailed within 24 hours of the start of the initial 10-day suspension or on the next regular workday. Reasonable effort shall be made to contact the parent/guardian prior to the start of the suspension. If the parent/guardian cannot be reached prior to the start of the suspension, the principal/designee may determine that the suspension will start without the prior contact with the parent/guardian.

Step 5 – The Superintendent/designee shall review the principal's recommendation for expulsion within five school days of receipt and shall recommend whatever action is deemed appropriate. The Superintendent shall notify the parent/guardian and the principal/designee of the decision within 24 hours.

Step 6 – The parent/guardian shall have the right to a hearing with the Superintendent/designee to challenge the extension or imposition of an expulsion. The hearing shall be informal in nature and shall be granted on written request.

Step 7 – The parent/guardian/student shall be informed of any alternatives, if appropriate, and changes shall be made in the student's assignment or program.

Step 8 – If the Superintendent decides to recommend expulsion, the parent/guardian shall be notified by certified mail of the hearing at which the School Board Hearing Officer will consider the recommendation. Failure to request a hearing in writing in a timely manner shall be considered a waiver of the student's right to a hearing to contest the charges.

Step 9 – The parent/guardian shall have the right to appear before the School Board Hearing Officer, as designated depending on circumstances leading to expulsion, which will act on the Superintendent's recommendation for expulsion.

Step 10 – The School Board Hearing Officer's Recommended Order and any exceptions filed by the Parents/Guardians thereto, will be presented for a vote by the full School Board at the next available public meeting.

Step 11 – A student who is expelled from the District by School Board action shall not be afforded a rehearing before the School Board unless prior evidence is proven to be false or new evidence is substantiated that was omitted from the original hearing. A request for a rehearing shall be made by the parent/guardian to the Superintendent/designee. The Superintendent's office shall determine whether the expulsion shall be reheard by the School Board.

Note: The Superintendent/designee may recommend to the School Board expulsion of a student who is found guilty of a felony. However, any student subject to discipline or expulsion for the unlawful possession or use of any substance under

Chapter 893, Florida Statutes may be entitled to a waiver of the discipline or expulsion if the student divulges information leading to the arrest and conviction of the person who supplied such controlled substance or if the student voluntarily discloses the unlawful possession of such controlled substance prior to arrest. For the purpose of this section, "voluntarily discloses" means that the individual comes forward on his/her own volition, without coercion from outside influences (§1006.09, Florida Statutes).

ESE: SUSPENSIONS AND EXPULSIONS

Students with disabilities identified as exceptional education students may be suspended in accordance with SCSD policy for a total of ten days. In case of serious breach of conduct involving the health, safety, and welfare of students and SCSD employees, appropriate alternatives for allowing the student to continue receiving educational programs and services during the suspension may include, but are not limited to, a reduced day program, transfer to a more restrictive placement for a designated period of time, attendance for special class(es) only, modified school day (i.e., student may come to the school campus at the end of the school day for the instructional program), home instruction, and other options.

Any recommendation for the expulsion of any exceptional education student with a disability shall be made in accordance with the rules promulgated by the State Board of Education and Federal Regulations outlined in the Individuals with Disabilities Act (IDEA). The expulsion of an exceptional education student shall not result in a complete cessation of educational services; the District is responsible for providing the student's education during the expulsion in accordance with a revised Individual Education Plan (IEP). The principal/designee is responsible for taking appropriate action consistent with School Board policy and the Procedural Safeguards for Parents of Students with Disabilities. The following procedures shall be followed for the expulsion of exceptional education students:

- **Step 1** – The principal shall be responsible for convening a manifestation committee. The committee shall include, but not be limited to, the Director of Student Services/designee, the school psychologist, the guidance counselor, ESE school specialists, the involved ESE teacher, and the principal/administrative designee. Proper parent/guardian notification/invitation procedures must be followed.
- **Step 2** – The committee shall review the student's IEP and shall determine whether the student's behavior bears a relationship to the student's exceptionality. This decision will be taken into consideration when reviewing all evidence and making recommendations. If the committee determines the student's behavior is in relation to the exceptionality, the team may modify the student's IEP in accordance with current needs, and expulsion will not be applied (cessation of educational services is not an option for a student with a disability). Procedures in State Board of Education Rules shall apply when a student's conduct does not bear a relationship to the exceptionality.
- **Step 3** – The decision of the committee shall be documented. The student's IEP may be revised to reflect a modification of the current special program or an alternative placement or an indication that the exceptionality is not a precipitating factor and the student is expected to behave in accordance with the rules established in the Student Conduct and Discipline Code.
- **Step 4** – Any change from the student's school placement to an alternative education setting must be reviewed within 45 days. The principal/designee of student's home school must attend the meeting to review the interim alternative education placement prior to extending the alternative setting or returning the student to his/her home school.
- **Step 5** – The principal/designee is responsible for taking appropriate action consistent with School Board policy and the Procedural Safeguards for Parents of Students with Disabilities.

SCHOOL COUNSELING PROGRAMS

All SCSD schools have certified school counselors that provide a variety of services to students. These services are presented to students in classrooms, small groups, and in individual counseling sessions. If you do not wish your child to have access to these programs and activities, please notify the school principal in writing.

CITIZEN INPUT

Procedures for Addressing the Suwannee County School Board

We're glad you took this opportunity to attend a meeting of the Suwannee County School Board. We welcome your input. Citizen involvement is crucial to the success of our public school system. All of us must work together for the benefit of our children.

If you wish to address the board, there is an opportunity to do so before the regular business meeting begins. It is listed on the agenda under "Citizen Input." **Speakers are asked to complete the Citizen Input Form prior to addressing the board.** Each speaker may be asked to voluntarily state his or her name and address for the record. We ask that speakers keep their comments to approximately two (2) minutes. The "Citizen Input" forum provides citizens the opportunity to share information with the board. In keeping with Florida's Sunshine Law, the Board can take official action **only** on those items legally noticed and listed for board action on the meeting agenda.

The board meeting is not the appropriate forum for presenting complaints or charges against individual employees of the school system. Any charges of a serious nature against any individual should be submitted in affidavit form to the Superintendent.

The School Board encourages you to work directly with teachers and/or educational leaders whenever possible. If you still have concerns following a conference with appropriate personnel, you may contact the Superintendent's Office at (386) 647-4600, and you will be directed to the district staff member best able to address your concerns or given the opportunity to discuss your concerns with the Superintendent.
