NEW!! Zero Cost Prescription Drugs!

SCSD cares about our employees' health and financial well-being. We are now offering zero cost maintenance medications through our SCSD Wellness Center and your local Palms Medical Pharmacy (Branford/Live Oak locations). If you participate in SCSD's medical plan, visit the Wellness Center for your next appointment. Prescriptions written through the SCSD Wellness Center and specialty referrals from the center are eligible for this benefit.

To view a list of covered drugs, please click on this [link](#).
