Suwannee County School Nutrition Program  
SY 22-23 Pricing

To whom it may concern,  
Our vendors at Catko are not offering contracts or guaranteeing any pricing for school bids at this time. Catko Distributors will honor current pricing through SY 22-23 unless Catko accrues price increases from manufactures/vendors.

If price increase letters come in Catko will supply Suwannee Co with copies of the letters to justify price increase.

If you have any questions please contact Carl McKinnon at 229-415-5817 or [cmckinnon@catko.com](mailto:cmckinnon@catko.com)

Thank you and we appreciate your business,
