From the Office of Superintendent of Schools Ted Roush:

Faculty, staff, students, and parents: we pray that your individual storm recovery is going well and that your return to normalcy is underway. Please know the District is working diligently to clean school campuses, remove debris, have all facilities back online with air conditioning, food ready for students, and buses and roads ready for transportation, along with all of our internet and communications back online, for return to a full, regular school program, beginning Thursday, September 7, 2023. The 21st Century Program will resume on Monday, September 11, 2023.

All personnel will return on Wednesday, September 6, 2023, at 9:00 a.m., for ReEngage Employee Meeting Day at each school site and department.

On Tuesday, September 5, 2023, all athletic practices, scheduled games, and rescheduled games will resume.

Continue to be safe, and best wishes to everyone for a speedy recovery.
