CHAPTER 2 – SCHOOL BOARD GOVERNANCE AND ORGANIZATION

SCHOOL BOARD RULES

2.06*

As used in these rules, the term *rule* and *policy* shall have the same definition.

These rules may be amended, repealed, or a new rule adopted as hereinafter prescribed. The term *rule* is defined in Florida Statutes; it does not include “curricula by an educational unit,” thereby, removing the development or prescription of curriculum by a School Board from the procedural requirements established for rule making.

- I. Unless an emergency exists, any proposal relating to a rule amendment, the repeal of any rule, or the adoption of a new rule shall be presented in writing to the School Board including a written explanation of the proposal.
 - A. The Superintendent shall give immediate and proper written notice to the public pursuant to the provisions of Florida Statutes, when the School Board has determined that it will give due consideration to the proposal for adoption, amendment, or repeal of a rule. The notice of a public hearing shall be advertised twenty-eight (28) days prior to the date of the hearing. The notice shall include a brief and concise explanation of the proposed rule’s purpose and effect, the estimate of economic impact to all individuals affected by the proposed rule or rule amendment, the specific legal authority for the School Board’s action, and the location where the text of the proposed change may be obtained.
 - B. Any person who is substantially affected by a proposed rule, rule amendment, or the repeal of a rule, may within twenty-one (21) days following notice of intent to adopt or repeal such rule, file a written request with the School Board seeking an administrative determination as to the validity of the proposed rule action.

CHAPTER 2 – SCHOOL BOARD GOVERNANCE AND ORGANIZATION

- C. The Superintendent shall file immediately in his/her office a copy of any new rule, rule amendment, or repeal of rule adopted by the School Board; policy handbooks shall be amended accordingly.
 - D. Such rules shall become effective upon adoption by the School Board unless a time certain date is specified therein.
- II. Any person substantially affected by an existing School Board rule may petition the Division of Administrative Hearings, Florida Department of Administration, to conduct a hearing on the rule validity pursuant to Florida Statutes. Any hearing examiner's decision which is adverse to the School Board may, upon the School Board's appeal, be judicially reviewed. Any hearing examiner's decision which is adverse to the person substantially affected may, upon that person's appeal, be judicially reviewed.
- III. The School Board may determine that the public health, safety, or welfare is endangered and that immediate action is required to protect the public interest. When this occurs, the School Board, at any meeting in which a quorum is present, may adopt emergency rules, without complying with the waiting period as provided in section I. herein for public hearings and other similar requirements. The Superintendent shall properly record the effective date for any such emergency rule. Any emergency rule shall not be valid in excess of ninety (90) days from the adoption or effective date.
- IV. Any School Board employee, citizen, or agency may obtain information relating to the method for proposing a rule or may submit a rule proposal to the Superintendent's office.
- V. A copy of the compiled rules shall be available for inspection in the Superintendent's office, the principal's office, and in the library of any school.
- VI. Copies of the School Board rules shall be assigned to various positions within the District as determined by the Superintendent.

CHAPTER 2 – SCHOOL BOARD GOVERNANCE AND ORGANIZATION

- A. A copy of any rule change shall be made available by the Superintendent to each holder of the compilation who shall be responsible for entering all changes immediately upon receipt.
 - B. A copy of the School Board rules manual shall be available to all staff members either in hard copy or on the District's web site with a hard copy available in the principal's office or school library. The school principal shall maintain a hard copy compilation current.
 - C. The principal shall inform his/her staff members of the location of the School Board rules and any changes.
- VII. A School Board rule may be waived only to provide and implement overall goals and objectives of the School Board and to protect and preserve the health, safety, and welfare of the affected individual(s). Waiver of a School Board rule shall be addressed and a decision rendered regarding its waiver at a regular, special or emergency School Board meeting. A waiver of a School Board rule shall not render the policy void with respect to the continued implementation of the rule which is sought to be waived.
- VIII. Any citizen may appeal to the Board for a variation or waiver with regard to any policy. The appeal process shall be that a written request shall be made to the Superintendent who shall review the matter and present recommendations to resolve the problem at the next regular School Board meeting to which the item may be added as a part of the agenda. In cases where an appeal process has been developed for a specific policy, the appeal shall be made in accordance with that procedure.

REPORTING CHILD ABUSE

2.17

I. Definitions of Child Abuse, Abandonment or Neglect

- A. *Abuse* means any willful or threatened act that results in any physical, mental or sexual injury or harm that causes, or is likely to cause the child's physical, mental, or emotional health to be significantly impaired. Abuse of a child includes acts or omissions. Corporal discipline of a child by a parent or legal custodian for disciplinary purposes does not in itself constitute abuse when it does not result in harm to the child.
- B. *Abandonment* means a situation in which the parent or legal custodian of a child, or in absence of the parent or legal custodian, the caregiver responsible for the child's welfare, while being able, makes no provision for the child's support and makes no effort to communicate with the child, which situation is sufficient to evince a willful rejection of parental obligations.
- C. *Neglect* occurs when a child is deprived of or is allowed to be deprived of, necessary food, clothing, shelter or medical treatment or a child is permitted to live in an environment when such deprivation or environment causes the child's physical, mental, or emotional health to be significantly impaired. The foregoing circumstances shall not be considered neglect if caused primarily by financial inability, unless actual services for relief have been offered and rejected. A parent or legal custodian legitimately practicing religious beliefs in accordance with a recognized church or religious organization who thereby does not provide specific medical treatment for a child shall not, for that reason alone, be considered a negligent parent or legal custodian.

II. Prohibition Against Child Abuse, Abandonment or Neglect

CHAPTER 2 – SCHOOL BOARD GOVERNANCE AND ORGANIZATION

The School Board strongly prohibits any action or omission constituting child abuse, neglect, or abandonment by any of its employees, agents, volunteers, or by other persons affiliated in any way with the School District. Further, all employees, agents, and volunteers of the School District must comply with Florida law requiring reporting of child abuse, neglect, or abandonment.

III. Notification of Responsibility

A. A notice providing the following information shall be posted in a prominent place in a clearly visible location in a public area of each school:

1. All employees of the District have the responsibility to report all actual and suspected cases of child abuse, abandonment or neglect; immunity from liability if they report such cases in good faith; and the responsibility to comply with child protective investigations and all other provisions of law related to child abuse, abandonment or neglect.
2. Statewide toll-free telephone number for the central abuse hotline.
3. Instructions for calling 911 for emergencies.
4. Directions for accessing the Department of Children and Families website for additional information on reporting abuse, neglect, and exploitation.

B. The information must be in English and Spanish, in large print, on an 11” by 17” sheet and posted at student eye level.

CHAPTER 2 – SCHOOL BOARD GOVERNANCE AND ORGANIZATION

IV. Requirements for Reporting Child Abuse, Abandonment or Neglect

- A. Florida Statute requires that any person including, but not limited to, any

 - 2. Health or mental health professional other than one listed in 1.;

- B. Each report of known or suspected child abuse, abandonment, or neglect shall be made immediately to the Department of Children and Family Service's abuse hotline, on the single statewide toll-free telephone number. The teacher or staff member may also contact the principal, a school designee, district office or support person to let them know the case has been reported, and for their own documentation and protection file a District County Schools Child Abuse Incident Referral Report.

CHAPTER 2 – SCHOOL BOARD GOVERNANCE AND ORGANIZATION

- C. Reporters in the categories specified in A. above, will be required to provide their names to hotline staff. The extent of confidentiality of the reporter's name, with respect to the Department's records, is governed by Florida Statute.
- D. In accordance with state law, the Department of Children and Family Services, in conjunction with applicable law enforcement agencies, are responsible for investigating allegations of child abuse, abandonment, or neglect.
- E. Complaint Against School District Employee, Volunteer or Agent
 - 1. If a complaint is made against a School District employee, volunteer, agent or other person affiliated with the School District which, if true, would constitute child abuse, neglect or abandonment by that person, that complaint shall be immediately forwarded to the Superintendent. The Superintendent shall forward the complaint to the Department of Children and Family Services for investigation as provided by statute. The person accused of child abuse, abandonment or neglect shall be suspended from duties involving interaction with children pending investigation of the allegations. If the allegations are substantiated by the Department of Children and Family Services, the Superintendent shall take appropriate disciplinary action. School District staff shall in good faith cooperate with, and participate only as directed by, the Department of Children and Family Services and law enforcement during the investigation, and with respect to any subsequent criminal proceedings.

The notice shall include the person to whom the misconduct should be reported and the penalties that will be

CHAPTER 2 – SCHOOL BOARD GOVERNANCE AND ORGANIZATION

imposed on instructional or school administrative staff who fail to report alleged or actual child abuse or misconduct.

- F. When a report of child abuse, neglect or abandonment has been made to the Department of Children and Family Services or law enforcement agencies, a teacher, staff member, volunteer or agent should not take it upon himself/herself to interview the child, talk with the suspected abuser, discuss the allegations with other potential witnesses or otherwise investigate the case. Nor should a teacher, staff member, volunteer or agent divulge information relating to the complaint to persons other than school officials, the Child Protection Team, the Department of Children and Family Services, law enforcement, the State Attorney or other court designee. If a parent, caregiver, or legal guardian desires information related to a complaint of child abuse, that person should be directed to contact the Department of Children and Family Services and/or the applicable local law enforcement agency.
- G. Florida Statute provides that a person required by state law to report child abuse, abandonment, or neglect, but who willingly and knowingly fails to do so, or prevents another from doing so, is guilty of a first degree misdemeanor. Likewise, knowingly and willingly filing a false report of child abuse, neglect, or abandonment or advising another to do so constitutes a third degree misdemeanor.
- H. Child Abuse Prevention Training for School District employees, staff, volunteers shall be provided in compliance with and as specified in Florida Statute.

CHAPTER 3.00 - SCHOOL ADMINISTRATION

CHARTER SCHOOLS

3.16

POLICY:

F.S. 1002.33 gives the School Board the authority to sponsor a charter school within the county over which it has jurisdiction. The Board designates the Superintendent to receive and review all charter applications. The Superintendent shall recommend to the Board the approval or denial of each charter application and contract. The Board shall have final authority, by majority vote, to approve or deny any application and charter contract.

Approved charter schools are public schools and shall receive goods and services from the Board as required by law and/or specified through a separate contract with the Board.

If approved, the initial charter shall be for terms as set forth in state law. The Board may renew charters under the conditions and for terms as set forth in State law.

In addition, a charter school that satisfied the requirements set forth in State law for designation as a high-performing charter school may receive a modification of its term to 15 years or a 15 year charter renewal. The charter may be modified or renewed for a shorter term at the option of the high-performing charter school.

The Board and charter school operator shall enter into a charter that is based upon the Model Charter School Contract as adopted by the State Board.

The Board, as sponsor, shall perform the duties provided in F.S. 1002.345. The sponsor may choose not to renew or may terminate the charter for any of the following grounds:

- A. failure to participate in the Florida's education accountability system or failure to meet the requirements for student performance as specified in the charter;
- B. failure to meet generally accepted standards of fiscal management;
- C. violation of law;

CHAPTER 3.00 - SCHOOL ADMINISTRATION

- D. material breaches of the charter, as described in State law; and/or
- E. other good cause shown.

A charter may be terminated immediately if the sponsor determines that good cause has been shown or the health, safety, or welfare of the students is threatened. The sponsor shall notify in writing the charter school's governing body, the charter school principal and the Department of Education if a charter is immediately terminated. The sponsor shall clearly identify the specific issues that resulted in immediate termination and provide evidence of prior notification of issues resulting in the immediate termination when appropriate.

Upon initial notification of nonrenewal, closure, or termination of its charter, a charter school may not expend more than \$10,000 per expenditure without prior written approval from the sponsor unless such expenditure was included within the annual budget submitted to the sponsor pursuant to the charter contract, is for reasonable attorney fees and costs during the pendency of any appeal, or is for reasonable fees and costs to conduct an independent audit.

An independent audit shall be completed within 30 days after notice of nonrenewal, closure, or termination to account for all public funds and assets.

A provision in a charter contract that contains an acceleration clause requiring the expenditure of funds based upon closure or upon notification of nonrenewal or termination is void and unenforceable.

A violation of this paragraph triggers a reversion or clawback power by the sponsor allowing for collection of an amount equal to or less than the accelerated amount that exceeds normal expenditures. The reversion or clawback plus legal fees and costs shall be levied against the person or entity receiving the accelerated amount.

Application Procedure

Potential applicants should send letters notifying the Board of their intent to submit an application to sponsor a public charter school not later than January 1st. Such correspondence should be directed to the Superintendent's office.

Failing to send the letter of intent will in no way negatively impact a potential sponsor's application.

PLEDGE OF ALLEGIANCE AND SOLEMNIZING MESSAGE	3.20
---	-------------

- I. In order to solemnize the proceedings of the Suwannee County School Board, it is the policy of the Suwannee County School Board to allow the Pledge of Allegiance to be recited and a voluntary solemnizing message to be expressed before its meetings for the benefit of the School Board.
- II. The solemnizing message may be listed or recognized on the Board agenda item for the meeting but not as part of the public business.
- III. No member or employee of the Suwannee County School Board or any other person in attendance at the meeting shall be required to participate in the Pledge or any solemnizing message that is offered.
- IV. The Pledge of Allegiance shall be led and a solemnizing message may be voluntarily delivered by a student from a Suwannee County school, scheduled on a rotating basis among all Suwannee County schools.
- V. The Pledge and voluntary solemnizing message shall be offered by a student representing one of the schools shown below in accordance with the following schedule:

<u>Month</u>	<u>School</u>
January	Suwannee Intermediate School
February	Branford Elementary School
March	Suwannee Middle School
April	Branford High School
May	Suwannee High School
June	RiverOak Technical College
July	Branford High School
August	Sheriffs Youth Ranch
September	Suwannee Middle School
October	Suwannee High School

CHAPTER 3.00 - SCHOOL ADMINISTRATION

November	Suwannee Elementary School
December	Suwannee Primary School

- VI. An alphabetical list shall be maintained by the Secretary to the Board of all student organizations and clubs for each school. The president (or appropriate elected student leader with a similar title) of each club shall be offered the opportunity to lead the Pledge of Allegiance and to offer a voluntary solemnizing message before the commencement of School Board meetings on a rotating basis. The maintenance of this alphabetical list by the Secretary to the Board shall be strictly a clerical function with said Secretary having no power or discretion to alter the alphabetical ranking or take any action to change the foregoing selection process.
- VII. The opportunity shall be offered in alphabetical order based on the name of each school club or organization. The rotation of the selection process shall continue through the entire list of school clubs and organizations until the end of the list is reached, at which time selection shall continue from the beginning of the list. At the beginning of a new year, the rotation process does not reset to the beginning of the list, but rather continues from the point at which a student leader was last selected.
- VIII. If a school club or organization president (or appropriate elected student leader with a similar title) declines the opportunity to lead the Pledge before the meeting of the School Board, the opportunity shall be offered to the president (or appropriate elected student leader with a similar title) of the next school club or organization on the alphabetical list for that school. This process shall continue until the opportunity is accepted by a student leader. If no student from any student organization or club at the school selected for that monthly regular Board meeting is available to offer the Pledge and solemnizing message, then the opportunity shall be offered in the same alphabetical order based on the name of each school

CHAPTER 3.00 - SCHOOL ADMINISTRATION

club or organization to the next school shown on the schedule above without affecting that school club's or organization's opportunity to offer the Pledge and solemnizing message at the regular monthly Board meeting for which it has been scheduled. For example, if no student from a club or organization from the Branford Elementary School accepts the opportunity to offer the Pledge and solemnizing message for the month of July, the opportunity shall be offered to a student from a club or organization at Suwannee Elementary School which shall still have the opportunity to offer the Pledge and solemnizing message for the month of August.

- IX. The selected student shall deliver the Pledge and any voluntary solemnizing message in his or her capacity as a private citizen, and according to the dictates of his or her own conscience.
- X. No guidelines or limitations shall be issued regarding the content of a solemnizing message, except that the Suwannee County School Board shall request by the language of this policy that no solemnizing message should proselytize or advance any faith, disparage the religious faith or non-religious views of others, nor should the length of a solemnizing message exceed three (3) minutes. The student comments and conduct must be in compliance with the Student Code of Conduct for the student's school.
- XI. No member(s) of the Suwannee County School Board shall engage in any prior inquiry, review of, or involvement in, the content of any solemnizing message to be offered.

CHAPTER 3.00 - SCHOOL ADMINISTRATION

- XII. After the opening gavel that officially begins the meeting and the agenda/business of the public, the Chairperson of the Suwannee County School Board shall introduce the student selected to lead the Pledge of Allegiance and to offer a voluntary solemnizing message.
- XIII. The Chairperson shall also invite those who wish to stand for the observance of these events to do so, and those who wish to be excused shall be excused for the duration of the pledge and solemnizing message.
- XIV. This policy is not intended, and shall not be implemented or construed in any way, to affiliate the Suwannee County School Board with, nor express the Suwannee County School Board's preference for, any faith or religious denomination. Rather, this policy is intended to acknowledge and express the Suwannee County School Board's respect for the diversity of religious denominations and faiths represented and practiced among the citizens of the Suwannee County, Florida.

- A. The following procedures shall be observed when a student is suspended with a recommendation of expulsion:
 - 1. The Superintendent or designee shall receive and review recommendations for expelling a student from the school principal or designee who is directly charged with the supervision of the student concerned. These recommendations shall be submitted in writing to the Superintendent by the individual and shall indicate the grounds for the recommendation. The student's parent(s) or legal guardian or the adult student shall be notified in writing to inform them of the recommendation and to provide a reasonable opportunity to meet with the principal to discuss the recommendation and shall receive a copy of the recommendation submitted to the Superintendent. Such notification shall be sent by certified mail or by regular mail if the parent(s) or legal guardian(s) or the adult student has been notified in person.

expulsion before further proceedings are initiated. The student's parent(s) or legal guardian or adult student shall be informed of any feasible alternatives and appropriate changes shall be made in the student's assignment or program to avoid expulsion proceedings. - e. The Superintendent may develop routine procedures and forms for gathering data relating to expulsions. Such forms and procedures shall be internal administrative matters.
 - f. Investigations shall be conducted with deliberate speed, considering the nature of the facts underlying the school's recommendation and the characteristics of the student and his / her program.
3. Charges and the notice of the right to a hearing shall be governed by the following:

The student's parent(s) or legal guardian or adult student shall be notified, in writing, of a proposed hearing date and of the right to an administrative hearing, in accordance with the provisions of chapter 120.57(1), Florida Statutes, before the School Board, if they desire to dispute the material allegations of fact contained in the charges and the recommendation of expulsion. To request a hearing, the parent(s) or legal guardian or adult student shall file a written request for a hearing with the Superintendent's office at the specified address and before a certain date and time identified in the notice. Failure to timely request a hearing, in writing, shall be considered a waiver of the student's right to a hearing to contest the charges.
 - d. The student's parent(s) or legal guardian or adult student who timely requests a hearing shall be notified in a manner calculated to inform him / her of the time, place, and nature of the hearing, including a statement of the legal authority and jurisdiction under which the hearing is to be held, a reference to the particular sections of the Florida Statutes and State Board of Education Rules involved, and specific references to School Board Rules.
- 4. A hearing shall be conducted pursuant to the following:
 - a. The hearing shall be governed by Florida Statutes relating to administrative procedures.

 - d. No parent, legal guardian, or adult student shall be prohibited from being represented at the hearing by an adult, whether as legal counsel or qualified representative.
 - e. The School Board shall be the finders of fact and shall make conclusions of law based on competent substantial evidence presented at the hearing. The Superintendent, acting for the School Board, may establish a date for the informal proceeding to provide timely information on proceedings of the charges. The CBC committee will compare the information provided by the new employee with the information received from the FDLE and/or the FBI pursuant to Florida Statute.
5. The Superintendent or designee shall conduct employment history checks of applicants for instructional, administrative or any other positions requiring direct contact with students. The employment history check shall include, but not be limited to, screening through the use of educator screening tools described in law and contact with each previous employer. CHAPTER 6.00 – PERSONNEL

Employee Use of Social Media and Electronic Communication	6.371
--	--------------

POLICY:

I. Purpose

As a leader in using technology as an accelerator of learning, the District recognizes the value of teacher inquiry, investigation, and innovation using new technology tools to enhance the learning experience. The District also recognizes its obligation to teach responsible and safe use of these technologies.

This policy addresses employees' use of publicly available social media networks including, but not limited to: personal Web sites, Web logs (blogs), wikis, social networks, online forums, virtual worlds, and any other social media. While the District takes no position on the employees' decision as to the legal and ethical participation in the use of social media networks for personal use on personal time, employees should be mindful of District and State Code of Ethics while online.

II. General Statement of Policy

The District recognizes the importance of online social media networks as a communication and e-learning tool. Toward that end, the District provides password-protected social media tools for all District-approved technologies for e-learning and encourages use of District tools for collaboration by employees. However, public social media networks, outside of those sponsored by the District, may not be used for classroom instruction or school-sponsored activities without the prior authorization of the Superintendent or designee. It is in the employee's best interest to avoid posting any information or engaging in communications that violate state or federal laws or District policies.

When employees choose to join or engage with District students, families, or fellow employees in a social media context they are advised to maintain their professionalism as District employees and to observe their responsibility for addressing inappropriate behavior or activity on these networks, including requirements for mandated reporting.

CHAPTER 6.00 – PERSONNEL

III. Requirements

All employees are expected to serve as positive ambassadors for our schools and to remember they are role models to students in this community. Because readers of social media networks may view the employee as a representative of the schools and the District, it is in the employee's best interest to observe the following rules when referring to the District, its schools, students, programs, activities, employees, volunteers and communities on any social media networks:

1. It is in the employee's best interest when using any social media network or electronic communication (including texting) and postings, displays, or communications on any social media network, to comply with all state and federal laws and any applicable District policies. Following Florida Administrative Code 6B-1.001 and 6B-1.006, it is in the employee's best interest to be respectful and professional in all communications (by word, image, or other means).
2. Employees should not use their District e-mail address for communications on public social media networks that have not been approved by the District. Employees must make clear that any views expressed are the employee's alone and do not necessarily reflect the views of the District. Employees may not act as a spokesperson for the District or post comments as a representative of the District, except as authorized by the Superintendent or designee.
3. Employees may not disclose information on any social media network that is protected by law, confidential or proprietary to the District, its students, or employees or that is protected by data privacy laws.
4. Employees may not use or post District, school or departmental logos on any social media network without permission from the Superintendent or designee.

This policy will continually evolve as new technologies and social networking tools emerge. It is each employee's responsibility to be familiar with this policy. This policy is guided by the principle of personal responsibility and accountability, what

CHAPTER 6.00 – PERSONNEL

you write is ultimately your responsibility. This policy is not intended to restrict participation but rather to provide both a caution and guidance for employees who choose to engage in online activities.

CHAPTER 6.00 – PERSONNEL

Within ten (10) days of receipt of the grievance, the Superintendent or designee shall indicate his / her disposition in writing to the grievant.
4. School Board Appeal - If the grievant is not satisfied with the resolution by the Superintendent, he / she shall have the right to appeal the Superintendent's decision to the School Board; provided a request for placement on the School Board agenda is filed within ten (10) days.
5. Single items or combinations of items may be considered in determining the recommendation. The Director of Business may remove the name of any firm which has proven to be unreliable or unqualified for exclusion from the bid list.

The Board will then undertake negotiations with the firm rated second most qualified. If an accord cannot be reached with this firm, negotiations will be formally terminated, and the Board will then undertake negotiations with the firm rated third most qualified.

CHAPTER 8.00 – AUXILIARY SERVICES

RENOVATION OR REMODELING OF FACILITIES

8.30

POLICY:

- A. The Superintendent when recommending the preliminary school budget, or any amendments thereto relating to capital outlay projects may, after evaluation, recommend to the School Board that suitable projects costing two hundred thousand dollars (\$200,000.00) or less be provided on a day labor basis.
- B. Parent groups, school staff and civic associations often raise funds to make improvements to various School Board facilities. Such changes are regulated by building codes, Florida State Department of Education rules, School Board rules and Florida Statutes. In addition, these changes often have cost implications on maintenance, energy usage and inhibitions to future site construction. The change or addition always poses questions regarding Board liability for the facilities as any deviation from State Regulations would be a factor in a damage suit, if the change in facility was related to a personal injury.

Therefore, when a project is being considered at any existing facility, the following procedures shall be followed:

- 1. A description of the proposed project, including an approximation of the expected cost, shall be submitted to the school principal for review and approval on the Request for Change(s) to School Board Facility form.
- 2. Full funding for the design costs, construction and any other related costs must be identified.
- 3. If the principal is in agreement, he / she shall request approval from the Superintendent to submit the request.

CHAPTER 8.00 – AUXILIARY SERVICES

- a. If the project requires funding from the District, the Director of Business must be consulted to determine feasibility and availability of funds.
 - b. Should a booster club, PTA, or other school affiliated group be supplying the funds, the Superintendent must be informed.
 - c. All projects must comply with DOE Rules, Chapter 6A-2.
 - d. If the project will affect the student capacity of the school, approval of the Superintendent is required.
4. Prior to an installation or construction, a detailed design must be submitted to the Facilities Supervisor. The content of this request shall include a detailed project description and a statement regarding the method of funding. Plans and / or specifications will be reviewed by the Facilities and Maintenance Departments.
 - a. Upon completion of the plans and specifications, such must be submitted for review for compliance with State Board of Education Regulations (Chapter 6A-2.) with consideration given to the impact upon the maintenance and energy usage of the facilities and inhibitions to future site construction. A minimum of ten (10) days is required and must be provided for review of plans and specifications, plus time to prepare an agenda item to present to the School Board if judged appropriate by the Superintendent.
 - b. After approval by the School Board, plans may require submission to the Department of Education Regulations, Chapter 6A-2. (Department of Education approval will take approximately two (2) to three (3) months.)
 - c. Upon Department of Education approval, (if required), the project must either be formally advertised and bid, in accordance with State Board of Education Regulations

CHAPTER 8.00 – AUXILIARY SERVICES

(6A-2.16) or a minimum of three sealed proposals must be obtained to ensure compliance with the Construction Documents. The bids must contain a work schedule to facilitate inspections by the reviewing department.

- (1) Projects funded by booster clubs, PTA or other school affiliated groups, will also be handled by the “respective” group during the bid / proposal process. It is recommended proposals be sealed when submitted and opened at a designated time, in the presence of at least the school principal, the president of the parent group, a representative of the purchasing department, facilities department, or maintenance department, and the designing architect / engineer, if applicable.
- d.. In the event the project cost is expected to exceed \$10,000.00, a registered architect / registered professional engineer must be engaged to design, prepare, and “Seal” the necessary construction documents in accordance with the State Board of Education Regulation 6A-2.05. The project cost shall include all materials and labor, production design fees, reproductions, testing and surveys.
- e. All bids or proposals, including work schedules, must then be submitted to the Facilities Supervisor for review and determination of the low bidder’s compliance with the projects’ contract documents. The project’s originating group must make a recommendation regarding acceptance of the low bidder.
- f. When compliance has been established, PTA, booster club, or other school affiliated group will receive written authorization to proceed from the Superintendent.
- g. Depending on the scope of work involved, supplemental, periodic inspections may be made by the maintenance department as determined by the facilities supervisor.

CHAPTER 8.00 – AUXILIARY SERVICES

- h. Upon completion of the work the facilities supervisor must be contacted for final inspection prior to acceptance of the School Board at one of its regularly scheduled meetings.
- i. After acceptance by the School Board, the Department of Education (DOE) must be contracted by the facilities supervisor to conduct an occupancy inspection (if the project required DOE approval) and issuance of a Certificate of Occupancy. At this time the project will be considered complete and the following departments will be notified by the facilities supervisor:
 - Superintendent
 - Risk Management Administrator
 - Maintenance Department
