

LIVE OAK, Fla. — With a “monumental” and “landmark decision” made by the Suwannee County School Board last week to reconfigure three county schools, the work now begins for school officials. During a June 25 meeting, the board voted 4-0 in favor of changing three Live Oak Elementary Schools into Pre-K to fifth grade 21st Century schools of choice starting with the 2020-21 school year. Suwannee Primary, Suwannee Elementary and Suwannee Intermediate will be reconfigured. Currently SPS is Pre-K through first grade, SES is second and third grade and SIS is fourth and fifth grade.
