Authorization: You may give us written authorization to use your PHI or disclose it to anyone for any purpose not otherwise permitted or required by law. If you give us an authorization, you may revoke it in writing at any time. Your revocation will not affect any use or disclosure permitted by your authorization while it was in effect. Individual Rights:

- **Amendment:** With limited exceptions, you have the right to request that we amend your PHI.
- **Disclosure Accounting:** You have the right to request and receive a list of certain disclosures made of your PHI. If you request this list more than once in a 12-month period, we may charge you a reasonable fee as permitted by law to respond to any additional request.

We are required to agree to a request to restrict the disclosure of your PHI to a health plan if you submit the request to us and: (i) the disclosure is for purposes of carrying out payment or health care operations and is not otherwise required by law; and (ii) the PHI pertains solely to a health care item or service for which you, or a person on your behalf other than the health plan, has paid the covered entity out-of-pocket in full. We may not be required to agree to all other restriction requests and, in certain cases, we may deny your request. We will agree to restrict the use or disclosure of your PHI provided the law allows and we determine the restriction does not impact our ability to administer your benefits. Even when we agree to a restriction request, we may still disclose your PHI in a medical emergency and use or disclose your PHI for public health and safety and other similar public benefit purposes permitted or required by law.
- **Confidential Communication:** You have the right to request that we communicate with you in confidence about your PHI at an alternative address. When you call the customer service number on your ID card to request confidential communications at an alternative address, please ask for a "PHI address."

- **Privacy Notice:** You have the right to request and receive a copy of this Notice at any time. For more information or if you have questions about this Notice, please contact us using the information listed at the end of this Notice.
- **Breach:** You have the right to receive, and we are required to provide, written notification of a breach where your unsecured PHI has been accessed, used, acquired, or disclosed to an unauthorized person as a result of such breach, and which compromises the security or privacy of your PHI. Unless specified in writing by you to receive the notification by electronic mail, we will provide such written notification by first class mail or, if necessary, by such other substituted forms of communication permitted under the law.

- **Paper Copy:** You have the right to receive a paper copy of this Notice, upon request, even if you have previously agreed to receive the Notice electronically.

Thank you for choosing Health Options, Inc. ("HOI"), a wholly-owned subsidiary of Blue Cross and Blue Shield of Florida, Inc., a leader in health care financing solutions for over 50 years. HOI is a Florida-based Health Maintenance Organization ("HMO") providing comprehensive HMO-type coverage for groups. By purchasing coverage for your employees, and their dependents, you have established an employee welfare benefit plan ("Group Plan"). This Group Master Policy (herein "Policy") is evidence of the existence of the Group Plan and describes the rights and obligations which you and HOI have with respect to the coverage and or benefits to be provided by us.

References to "we", "us", and "our" throughout this Policy refer to Health Options, Inc. We may also refer to ourselves from time to time as "HOI".

In exchange for your payment of the Premium, we agree to provide the coverage and/or benefits specified in the Benefit Booklet, a copy of which is made part of this Policy. The comprehensive health care coverage to be provided by us under the Group Plan which you have established is subject to all the requirements set forth in this Policy including the Benefit Booklet and any amendments or Endorsements issued by us.

The Policy is divided into two parts. The first part generally contains various administrative and other provisions relating to your agreement with us. You should make sure that you read and understand these provisions as they describe important obligations applicable to you and us. The second part is the Benefit Booklet which describes the coverage, benefits limitations and exclusions under this Policy. The Benefit Booklet includes the Schedule of Benefits, any applicable Enrollment Forms, and any Endorsements to the Benefit Booklet or the Policy. Any Endorsements issued by us to the Benefit Booklet or the first part of this Policy are also part of the Policy.

Definitions

Certain terms defined in the first part of the Policy are also used and defined (for the convenience of Covered Persons) in the Benefit Booklet. If a word or phrase starts with a capital letter, it is either the first word in a sentence, a proper name, a title, or a defined term. In addition to the definitions set forth in the Benefit Booklet, the following terms apply to this Policy:

Anniversary Date means the date one year after the Effective Date stated on the Group Application, and subsequent annual anniversaries or such other date as mutually agreed to in writing by the parties.

Covered Dependent means an Eligible Dependent who continues to meet all applicable eligibility requirements described in the ELIGIBILITY FOR COVERAGE section of the Benefit Booklet and who is enrolled, and actually covered, under the Policy other than as a Covered Employee.

Covered Employee means an Eligible Employee, or other individual, who continues to meet all applicable eligibility requirements described in the ELIGIBILITY FOR COVERAGE section of the Benefit Booklet and who is enrolled, and actually covered, under the Policy other than as a Covered Dependent.

Covered Person means a Covered Employee or a Covered Dependent.

Effective Date for the Group means 12:01 a.m. on the date specified on the Group Application and for Covered Persons means 12:01 a.m. on the date coverage will begin as specified in the ENROLLMENT AND EFFECTIVE DATE OF COVERAGE section of the Benefit Booklet.

Eligible Dependent means an individual who meets and continues to meet all of the eligibility requirements described in the ELIGIBILITY FOR COVERAGE section in the Benefit Booklet.

Eligible Employee means an individual who meets and continues to meet all of the eligibility requirements set forth in the ELIGIBILITY FOR COVERAGE section in the Benefit Booklet and is eligible to enroll as a Covered Employee. An eligible employee is not a Covered Employee until actually enrolled and accepted for coverage as a Covered Employee by us.

Enrollment Forms means those forms, electronic or paper, which are approved by us and used to maintain accurate enrollment files under the Policy.

Grace Period means the ten-day period beginning on the date the Premium is due.

Group means the employer, labor union, association, partnership, corporation, department, other organization or entity through which coverage and benefits are issued by us.

Note: References to "you" or "your" throughout the first part of this Policy also refer to the Group. References to "you" or "your" in the Benefit Booklet refer to Eligible Employees, Eligible Dependents, Covered Employees and/or Covered Dependents depending on the context and intent of the specific provision.

Group Master Policy or **Policy** means the written document which is evidence of the entire agreement between the Group and HOI whereby coverage and benefits are provided to Covered Persons. The Policy includes the Benefit Booklet, the Schedule of Benefits, the Group Application, Enrollment Forms and any Endorsements to the Benefit Booklet or this Policy.

Premium means the amount required to be paid by the Group to us in order for there to be coverage under this Policy.

Waiting Period means the period of time specified on the Group Application, if any, which must be met by an individual before that individual is eligible to enroll for coverage under this Policy.

Term of Policy

This Policy shall become effective as of the Effective Date provided that:

1. we accept your Group Application, and
2. that you pay the required initial Premium specified by us.

This Policy shall continue in effect until the first Anniversary Date following the Effective Date unless terminated earlier as permitted by its terms. After the initial term, this Policy shall automatically renew each succeeding year on the Anniversary Date for an additional one-year period unless:

1. at least 45 days prior to such Anniversary Date, you notify us that you do not want the Policy to automatically renew; or
2. it is terminated as permitted by its terms.

If this Policy renews as specified above, all of its terms and provisions (including the Premium due) shall govern coverage as of the Anniversary Date, unless we give written notice of a modification or revision to you at least 45 days prior to the Anniversary Date. In the event we give such written notification, you may elect not to renew this Policy effective as of the Anniversary Date by giving us written notice prior to the Anniversary Date. If you do not give us written notice as required, this Policy shall renew on the Anniversary Date with the modified or revised terms. Nothing in this subsection shall prohibit us from amending, at the time of renewal, the coverage and/or benefits to be provided by us. We may modify the Premium at any time in accordance with the applicable provisions of this Policy.

Prior Carrier Responsibilities under an Extension of Benefits

Your prior carrier, if any, may be required to provide certain benefits to certain individuals covered by this Policy under an extension of benefits provision. We are not responsible for the payment of any claims which are payable under any extension of benefits provision in the prior carrier's plan.

Commencement of Coverage

Our coverage in accordance with the terms of this Policy begins on the Effective Date (see ENROLLMENT AND EFFECTIVE DATE section in the Benefit Booklet). We are not required to pay for health care expenses incurred prior to the Effective Date.

Voluntary Termination by the Group

You may terminate this Policy at any time by giving us at least 45 days prior written notice. Coverage will not be provided on or after such termination date. Nothing in this subsection shall affect a Covered Person's right to an extension of benefits, if applicable, in accordance with the Extension of Benefits subsection in the CONTINUING COVERAGE section of the Benefit Booklet.

Conditions of Renewal and Termination

This Policy is conditionally renewable. This means that it automatically renews each year on your Anniversary Date unless terminated earlier in accordance with its terms. We may terminate this Policy or refuse to renew it if:

1. You do not pay Premiums in accordance with its terms or we have not received timely Premium payments.
2. You perform an act, or engage in any practice, that constitutes fraud or make an intentional misrepresentation of material fact.
3. You do not comply with a material provision which relates to rules for Group contributions or Covered Person participation.
4. There is no longer any Covered Person who lives, resides, or works in the Service Area.

If we decide to terminate or not renew it based on one or more of the circumstances mentioned above, we will give you at least 45 days advance written notice, except in the case of failure to pay Premiums. Refer to the Termination by Us for Non-Payment of Premium subsection.

Termination Based on Discontinuation of Form

We may decide to discontinue this form, which means this Policy is terminated, but may do so only if:

1. we cease to offer this form in the large group market in accordance with 641.31074 Florida Statutes;
2. we provide notice to all groups having coverage under this form of the discontinuation of this form at least 90 days prior to the date of non-renewal; and
3. we offer to all groups having coverage under this form the option to purchase any other health maintenance form currently being offered by us in the large group market.

Termination Based on Discontinuation of all Policies in Large Group Market

We may terminate this Policy if we elect to terminate all of the policies we have issued in the large group market in this state. In that case, we will provide notice, at least 180 days prior to the date of non-renewal, to the Office of Insurance Regulation and to all large groups and each Covered Employee. If we terminate coverage pursuant to this provision, any unused Premium will be returned to you.

Termination by us for Non-payment of Premium

This Policy will automatically terminate as of the applicable Premium due date if we do not receive the Premium payment prior to the end of the Grace Period.

In the event of such termination, you are obligated to pay the following:

1. any portion of the Premium due for coverage provided by us prior to termination;
2. the amount of any payments made by us for health care expenses incurred by persons who were covered under the Policy, as of the termination date; and
3. any amounts otherwise due us.

We will mail to you a written notification within 45 days after the date the Premium is due that this Policy has terminated. This notification will tell you the reasons for termination.

Notification of Termination to Covered Employees

It is your obligation to immediately notify each Covered Person of any such termination of this Policy for any reason.

Representations Made By, and Obligations of, the Group

In agreeing to provide coverage in accordance with the terms of this Policy, we rely on the representations you made when you applied for coverage with us and your representation that you have authority to act on behalf of all Covered Persons with respect to this Policy. Consequently, every act by, agreement with, or notice given to, you will be binding on all Covered Persons. You agree that you shall offer to all Eligible Employees the opportunity to become a Covered Person under this Policy. You must notify persons considering enrollment with us under the Policy that HOI is an HMO and that, in order to obtain HMO-type coverage under the Policy, certain coverage access rules must be followed. (See the COVERAGE ACCESS RULES section of the Benefit Booklet). While you may require a Covered

Employee to pay a portion of the Premium due us, you agree that you will contribute toward the cost of coverage which you purchased.

You agree that, if requested by us, you will distribute the Benefit Booklet (and any Endorsements to it) and other coverage materials to Covered Persons.

Your Obligation to Report Contribution Rate and Changes

If one or more of your plans is considered a "grandfathered health plan" as that term is used under the federal law known as the Patient Protection and Affordable Care Act (PPACA), you agree to provide us with the following information regarding each plan:

1. Your current contribution rates by tier of coverage;
 2. Your contribution rates by tier of coverage that were effective on March 23, 2010; and
 3. Any changes you make to your contribution rates by tier at any time during the term of this Policy.
- You must report any such contribution rate change to us with at least 30 days advance written notice.

This information is required by PPACA so that we can verify that you continue to maintain grandfathered status. Remember, any change that results in a reduction in contribution by tier of greater than 5 percentage points will cause a loss in grandfathered health plan status.

Employer agreement to transfer upon termination of grandfathered health plan status

You understand and agree that upon loss of grandfathered health plan status HOI shall, at our sole discretion, either, 1) modify your current health plan to comply with the provisions of PPACA applicable to non-grandfathered health plans; or 2) transfer your health plan to a comparable health plan that is already non-grandfathered. Such modification or transfer shall take place at the date specified by HOI and may include modified rates.

You agree that any action you take that causes a loss in grandfathered health plan status constitutes automatic consent for HOI to modify your coverage or transfer your group health plan to a comparable group health plan, as described in the paragraph above. You further agree to any rate change associated with the change in your coverage as a result of the loss of grandfathered health plan status.

PAYMENT PROVISIONS

Monthly Invoice

We will prepare a monthly invoice of the Premium due on or before the due date. This monthly invoice will also reflect any prorated charges and credits resulting from changes in the number of Covered Persons and changes in the types of coverage that took place in the previous or current month.

If you become aware that a Covered Person will become ineligible, you must provide us with written notice of such ineligibility on or before the date that the individual is, or will become, ineligible. If a Covered Person becomes ineligible for coverage for any reason, you are specifically required to provide written notice to us of such ineligibility no later than 10 days after such ineligibility. In the event that you do not comply with the notice requirements, you shall be liable to us for the Premium due for any individual for which we make claims payments under this Policy.

You must pay the total amount of the invoice, minus any deletions for Covered Employees who became ineligible for coverage during the current month. Do not add names to an invoice, change coverage or pay for an employee whose name does not appear on the invoice. No changes can be made to a Group invoice unless a signed application form is on file and submitted to HOI. Payment shall be for the total amount of the Group invoice, minus any employee deletions for the current month only.

Other than as specifically set forth in this Policy, we are not obligated to provide coverage or benefits for any individual for whom Premium has not been received by us in advance. In addition, we are not obligated to refund Premiums paid on behalf of any individual who was then listed on our enrollment records as a Covered Person.

Payment Due Date

The first Premium payment is due before the Effective Date of the Policy. Each following payment is due monthly unless you agree with us on some other method and/or frequency of payment. The Premium is due and payable on or before the first day of each succeeding calendar month to which such payments apply, unless you agree with us to have the 15th day of each month as the payment due date.

Grace Period

This Policy has a ten-day Premium payment Grace Period, which begins on the date the Premium payment is due. If we do not receive the required Premium payment on or before the date it is due, it may be paid during this Grace Period. Coverage will stay in force during the Grace Period. If Premium payments are not received by the end of the Grace Period, coverage will automatically terminate effective as of the applicable due date.

Changes in Premium

We may modify the amount of Premium at any time after the initial term. However, if the benefits or the composition of the Group are changed, we may modify the Rates during the initial 12-month period. We shall provide at least 45 days prior written notice to you of any such change. Premium payments submitted to us following receipt of any such written notice of change constitutes your acceptance of such change. You must immediately notify each Covered Employee of any such change that affects his or her financial contribution requirement.

If an increase in Premium takes place on a date other than the Premium payment due date, a pro-rated increase will be applied from the date of the increase to the next payment due date. If a decrease in Premium takes place on a date other than the Premium payment due date, a pro-rated credit will be applied from the date of the decrease to the next Premium payment due date.

Incorrect Premium Payment

Any Premium adjustment made due to the correction of an error in the Premium payments will be made without interest after the facts are made known to us.

Other Rules Regarding the Payment of Premiums

- 1. In the event we do not receive Premium payment prior to the applicable due date, we reserve the right to suspend payment of claims for Health Care Services rendered to a Covered Person, on or after the applicable Premium due date.
- 2. We are not required to retroactively terminate this Policy or coverage for any Covered Person.
- 3. If full payment of the Premium is not paid when due, this Policy will automatically terminate as of the applicable Premium payment due date provided notification is sent to you within 45 days after the date the Premium is due.

GENERAL PROVISIONS

Administration

You must provide us with any information we need to administer the coverage and/or benefits to be provided or needed to compute the Premium due. While this coverage is in force, we have the right, at any reasonable time, to examine your records on any issues necessary to verify information provided by you.

Assignment and Delegation

You may not assign, delegate or otherwise transfer this Policy and the obligations hereunder without our written consent. Any assignment, delegation, or transfer made in violation of this provision shall be void. We may assign, delegate or otherwise transfer this Policy to our successor in interest or an affiliated entity without your consent at any time.

Authorization

Where this Policy requires that an act involving the administration of coverage and/or benefits be authorized or approved by us, such authorization or approval shall be considered given when provided in writing by a duly authorized officer of HOI or his or her designee.

Benefit Booklet

We will provide a Benefit Booklet and ID Card for each Covered Employee. The Benefit Booklet will describe the coverage and benefits to be provided to Covered Persons by us.

You agree that, if requested by us, you will distribute the Benefit Booklet (and any Endorsements to it) and other coverage materials to Covered Persons.

Complaint and Grievance Process

We have established and will maintain a process for hearing and resolving Complaints and Grievances raised by Covered Persons. Details regarding the Complaint and Grievance process are provided in the Benefit Booklet.

Changes to the Policy

No person may change, modify, or revise the written terms or provisions of this Policy unless such change is made by a written Endorsement signed by one of our duly authorized officers. This is the only manner in which a change may be made to this Policy. For example, no employee or agent of HOI or the Group can change or waive the written terms or provisions of this Policy except as stated in the first sentence of this paragraph.

Enrollment Records

Furnishing and Maintaining Enrollment Records

You must provide any information required by us for the purpose of creating and maintaining enrollment records, processing terminations, and recording changes in family status. In addition, you and each Eligible Employee must submit accurate and complete Enrollment Forms on a timely basis. You are responsible for collecting the Enrollment Forms, reviewing them for accuracy and completeness, and forwarding them to us, along with the applicable Premium payment. All enrollment record information which is relevant to the eligibility or coverage status of any individual must be made available to us for inspection and copying upon request.

Errors or Delays

Clerical errors or delays by us in maintaining enrollment records regarding Covered Persons will not invalidate coverage which would otherwise be validly in force or continue coverage which would otherwise be validly terminated, provided you have furnished us with timely and accurate enrollment information. Errors or delays by you in furnishing accurate enrollment information to us will not affect our right to strictly enforce any and all eligibility requirements. You are liable to us for any claims payments made by us on behalf of any individual who was not eligible for coverage at the time the Health Care Service was rendered.

Entire Agreement

This Policy sets forth the exclusive and entire understanding and agreement between the parties and shall be binding upon the Covered Persons, the parties, and any of their subsidiaries, affiliates, successors, heirs, and permitted assigns. All prior negotiations, agreements, and understandings are superseded hereby. No oral statements, representations, or understanding by any person can change, alter, delete, add or otherwise modify the express written terms of this Policy, which includes the terms of coverage and/or benefits set forth in the Benefit Booklet, the Schedule of Benefits, and any Endorsements.

Financial Responsibilities of the Group

We reserve the right to recover any benefit payments made to or on behalf of any individual whose coverage has been terminated. Our recovery efforts may relate to benefit payments made for Health Care Services rendered subsequent to the Covered Person's termination date and prior to the date notice of coverage termination is required to be made by you. Your cooperation with and support such recovery efforts is required.

In the event that you do not comply with the notice requirements set forth in the Monthly Invoice subsection, you shall be solely liable to us, to the extent of any payment made on behalf of such individual, for Health Care Services rendered subsequent to the date notice of a Covered Person's termination was due.

Grandfathered Health Plan Indemnification

There are certain actions that are solely within your control, as the employer, that can cause a loss in grandfathered health plan status. As such, if you wish to retain grandfathered health plan status, please recognize that we make no representations that your group health plan will retain grandfathered health plan status where you take unilateral action that may cause a loss in grandfathered health plan status. For example, if you:

1. Reduce your contribution percentage by more than 5%;
2. Acquire another corporation, or merge another corporation into your health plan solely to add enrollees to your health plans; and/or
3. Transfer employees from one health plan to another with no bona fide employment-based reason for the transfer;

you will likely lose your grandfathered health plan status. Since we have no control over the above actions and other such unilateral actions identified in the grandfathering health plan interim final regulations found at 75 FR 34537 (June 17, 2010), as may be amended from time to time, we disclaim all responsibility for compliance with grandfathering health plan rules for such unilateral actions.

You agree to indemnify HOI for any and all penalties and/or fines and costs associated therewith for such unilateral actions taken by you that cause a loss in grandfathered health plan status. We encourage you to read the grandfathering health plan rules and work with your attorney to ensure compliance with such rules.

Indemnification

You shall hold harmless and indemnify HOI against all claims, demands, liabilities, or expenses (including reasonable attorney fees and court costs), which are related to, arise out of, or are in connection with any of your acts or omissions, or acts or omissions of any of your employees or agents, in the performance of your obligations under this Policy. We are not your agent, nor are you our agent, for any purpose.

Medical Loss Ratio Rebates

Federal law requires that HOI return that portion of premiums where HOI's claims and quality improvement costs fall below a specified minimum Medical Loss Ratio (MLR) for the entire large group

market. This return of premium is known as a "rebate". MLR is determined by the federal government and sets a minimum percentage of total premiums that must be attributed to claims and quality improvement expenses. This is calculated in accordance with Section 2718 of the Public Health Services Act ("PHSA"), as added by the Patient Protection and Affordable Care Act (the "ACA" or the "Act") and any promulgated regulations. While we make every effort to meet such MLR, there may be times when we will rebate a portion of the Premium amount to you and/or your Covered Employees in accordance with federal law. Currently, such rebates, if any, are payable by the date specified by the federal government of the year following the Calendar Year in which our MLR exceeds the then current federal threshold required by Section 2718 of the Act.

In order to properly rebate that portion of Premiums due under federal law you and/or your Covered Employees agree to the following:

1. You, or your authorized representative (e.g., agent, broker, etc.), shall timely cooperate with us in determining that portion of rebate due you and provide all required information for determining your employer size under federal law. This may require you, or your authorized representative, to complete written or electronic questionnaires and report on amounts you may be required to rebate to Covered Employees under paragraph 3, below. Required information may include, but is not limited to, your employee and former employee addresses, whether Premium contributions are collected pre or post tax, and employee social security numbers.
2. You agree that we have the sole right to determine to whom rebates are due and how such rebates shall be provided, e.g., in the form of future Premium credits, by check, or debit card.
3. You agree that HOI has the sole right to choose to whom the rebate will be paid. As such, we may rebate the entire amount due to you or choose to rebate the entire amount to your Covered Employees, including your portion of the rebate based upon your contribution toward coverage. Should we choose to rebate the entire amount due to you, you agree to the following:
 - a. If the Group Plan is subject to the Employee Retirement Income Security Act of 1972 ("ERISA"), then you will use the rebate in accordance with the terms of your Plan Document as that term is defined in ERISA, and treat the rebated amount as a Plan Asset as that term is defined in ERISA;
 - b. If the Group Plan is not subject to ERISA, you attest, acknowledge and agree that you shall use the rebates for the benefit of the Covered Employees of your Group Plan. You agree to use the rebates in one of the following three ways:
 - i. To reduce subscribers' portion of the annual premium for the subsequent policy year for all subscribers covered under any group health plan offered by the group;
 - ii. To reduce subscribers' portion of the annual premium for the subsequent policy year for only those subscribers covered by the group health plan on which the rebate was based; or
 - iii. To provide a cash refund only to subscribers that were covered by the group health plan on which the rebate is based.
 - c. You shall timely cooperate with any data reporting requirements that we may have for reporting to the federal government the amounts rebated to you and your employees.
4. If we choose to rebate to your Covered Employees directly, you agree that you shall not contest in any formal way, e.g. litigation, our choice to rebate to employees directly. Furthermore, you agree

that HOI may, in its sole discretion, choose to treat amounts that may be due you as "unclaimed" as that term is defined under any promulgated regulations related to Section 2718 of the Act. If we choose to treat the amount due as "unclaimed", you shall have the right, at any time prior to escheat to the state, to provide the information in paragraph 1 to allow for proper return of such amounts as required by Section 2718 of the Act.

5. You acknowledge and agree that you, or your authorized representative, shall certify all information as true and correct as may be required by us on any forms provided for provision of the requested information in paragraphs 1 through 4 above.

You recognize and agree that this section shall apply to all rebates returned to you on or after June 1, 2012, regardless of which Calendar Year the rebate reflects.

You recognize that appropriately rebating amounts due you and your employees under this section is both complex and requires significant support from you. Failure to correctly rebate may result in fines and/or other penalties being imposed on us. If we are fined for failure to provide rebates, failure to provide rebates in a timely fashion, or failure to provide the appropriate rebates and such fines and/or penalties result from your failure to comply with the provisions of paragraphs 1 through 4, above, you agree to indemnify HOI for any such fines, penalties, interest or other amounts due, including any additional rebates due as a result of improper rebating based upon information you provided or failed to provide in accordance with this process. You agree to provide such amounts to us in accordance with any required timeframe imposed upon us by the government for such failure.

Representations on the Group Application and the Enrollment Forms

We rely on the information you and your Eligible Employees provide to determine whether to issue coverage; the appropriate Rate and financing method; and eligibility for coverage. All such information must be accurate, truthful, and complete. Statements made on the Group Application and the Enrollment Forms are representations and not warranties.

We may cancel, terminate, or void this Policy if the information which you provide is fraudulent, or if you make an intentional misrepresentation.

Rescissions

You represent that any eligibility and status changes you request are compliant with and permissible under applicable state and federal law, including the Patient Protection and Affordable Care Act ("ACA") and subsequent regulations. For example, Section 2712 of the Public Health Services Act ("PHSA"), as added by the ACA prohibits canceling the policy of an employee and/or their dependent(s) for any period during which a premium was collected from the employee and/or their dependent.

You hereby agree not to collect any premium from an employee and/or their dependent(s) for a coverage period occurring after the date their policy terminates. When submitting cancellation requests to us, you represent that you have not collected any premium from the canceled employee(s) and/or their dependent(s) for coverage after the requested termination date.

Reservation of Right to Contract

We reserve the right to contract with any individuals, corporations, associations, partnerships, or other entities for assistance with the servicing of coverage and benefits to be provided by us or obligations due, under this Policy.

Service Mark

You, on behalf of the Group and its Covered Employees, hereby expressly acknowledge your understanding that this Policy constitutes a contract solely between you and HOI. We are an independent corporation operating under a license with the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans, (the "Association") permitting us to use the Blue Cross and Blue Shield Service Mark in the state of Florida and that we are not contracting as the agent of the Association. You further acknowledge and agree that you have not entered into this contract based upon representations by any person other than us and that no person, entity, or organization other than us shall be held accountable or liable to you for any of our obligations created under this Policy. This paragraph shall not create any additional obligations whatsoever on our part other than those obligations created under other provisions of this Policy.

Summary of Benefits and Coverage

Section 2715 of the Public Health Services Act ("PHSA"), as added by the Patient Protection and Affordable Care Act and any promulgated regulations and guidance ("SBC Rules") require group health plans, group health plan administrators, and health insurers offering group health coverage to provide a Summary of Benefits and Coverage ("SBC"). An SBC must be provided to your employees and their dependents, at the following times, and under the following circumstances:

1. upon application for coverage;
2. by the first day of coverage (if there are changes to the SBC after application);
3. to special enrollees;
4. upon renewal; or
5. upon request for an SBC or summary information about health coverage.

Additionally, when a material modification (as defined under section 102 of ERISA) is made to the terms of a plan or coverage occurring outside a renewal or reissuance that would affect the most recently provided SBC, notice must be provided to each person covered under such plan 60 days in advance of the change.

HOI will provide you or your designated representative or agent with an SBC for each HOI benefit plan you offer for you to distribute to your Eligible Employees and their dependents in accordance with the following:

1. You agree to provide an SBC to your Eligible Employees and their dependents as required by the SBC Rules, within the required time frames, and in compliance with the delivery rules including electronic delivery requirements. The SBC Rules only require providing an SBC to dependents if they live at a different address than the employee.
2. You agree to distribute the SBC in the manner and appearance as specified in the SBC Rules. For example, the SBC must be provided either (1) as a stand-alone document; or (2) in combination with other summary materials (such as a Summary Plan Description (SPD)). The SBC must be intact and prominently displayed at the beginning of any other summary materials (such as immediately after the table of contents in an SPD).
3. You agree to provide a complete and accurate SBC with respect to each benefit plan you offer to your Eligible Employees and their dependents. For example, you are responsible for creating an SBC for any benefits not covered by HOI. To the extent the SBC Rules require you to incorporate such information into a single SBC document you are responsible for incorporating all such information into a single SBC and providing it to your Covered and Eligible Employees and their dependents.
4. You agree to provide notice to your Covered Employees and their dependents 60 days prior to a material modification that affects the most recently provided SBC.
5. You agree to retain records related to the delivery of the SBCs and compliance with the SBC Rules. These records must be made available to HOI for inspection and copying upon request.
6. You agree to indemnify and hold HOI harmless from any damages, loss, action, claim or suit, including court costs and attorney's fees, arising from, or related to, your failure to provide a complete, accurate and timely SBC to your covered and Eligible Employees and their dependents in accordance with the SBC Rules.

Third Party Beneficiary

This Policy was entered into solely and specifically for the benefit of HOI and the Group. The terms and provisions of the Policy shall be binding solely upon, and inure solely to the benefit of, HOI and the Group, and no other person shall have any rights, interest or claims under this Policy, including the Benefit Booklet, or be entitled to sue for a breach thereof as a third-party beneficiary or otherwise. HOI and the Group hereby specifically express their intent that health care Providers that have not entered into contracts with HOI to participate in HOI's Provider networks shall not be third-party beneficiaries under this Policy, including the Benefit Booklet.

MEDICARE SECONDARY PAYER PROVISIONS

In order to ensure compliance with the applicable Medicare laws, you are required to advise us, without delay, of any Covered Person who will be, or is, covered under Medicare prior to or immediately following the date such Covered Person becomes so covered (e.g., prior to the Covered Person's 65th birthday). Additionally, you are required to advise us, without delay, of the Medicare status of any Medicare

beneficiary who applies for coverage, prior to such individual's Effective Date. **You shall indemnify and hold us harmless to the extent of any liability, including attorney fees and costs that result directly or indirectly from your failure to so advise us.**

In any circumstances under which the Medicare statute requires that the Covered Services under this Policy be primary for any Covered Person, you MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to such Covered Person. Also, you MAY NOT induce such Covered Person to decline or terminate his or her group health coverage and elect Medicare as primary payer.

Note: You are subject to the federal laws described in this section. Individuals with questions regarding their rights under those laws should direct their questions to you.

Working Elderly

If you employ 20 or more persons for 20 or more weeks of the current or preceding Calendar Year, or if you are a member of a multi-employer group health plan that includes at least one employer with 20 or more employees, the Policy provides primary coverage for employees and/or their spouses, age 65 or older, who are covered under the Policy, you agree to the following terms:

1. You shall provide us, without delay, the names of employees, age 65 or older:
 - a. who are covered under this Policy;
 - b. who are employed (not retired);
 - c. who have not elected Medicare as primary payer of their health insurance claims; and
2. Who are not eligible for Medicare due to end stage renal disease (ESRD). You shall provide us, without delay, the names of spouses, age 65 or older, of current employees of any age:
 - a. who are covered under this Policy;
 - b. who have not elected Medicare as primary payer of their health insurance claims; and
 - c. who are not eligible for Medicare due to ESRD.

The names required to be provided as set forth above, along with any other identifying information requested by us, shall be provided to us on or before the 65th birthday of the employee or spouse or on or before such later date when the individual enrolls with us.

3. For an enrolled individual who meets one of the descriptions set out in paragraph 1 or 2 above, we will provide group health coverage, as set forth in the Benefit Booklet, on a primary basis beginning with the first day of the month in which the individual attains age 65 or the date of enrollment, if the individual is 65 or over at the time of enrollment.
4. Individual entitlement to primary coverage under this subsection will terminate automatically:
 - a. for a current employee, age 65 or older, when he or she elects Medicare as the primary payer or when he or she becomes eligible for Medicare due to ESRD;
 - b. for the spouse, age 65 or older, of a current employee of any age, when the spouse elects Medicare as the primary payer or when the spouse becomes eligible for Medicare due to ESRD.

You are required to provide us, without delay, the names of any current employees or spouses of such employees, age 65 or older, who choose Medicare as primary payer of their health insurance claims or who become eligible for Medicare due to ESRD.

Under Medicare, you MAY NOT offer, subsidize, procure or provide a Medicare supplement insurance policy to such individual. Also, you MAY NOT induce such individual to decline or terminate his or her group health coverage and elect Medicare as his or her primary payer.

5. Entitlement of the employee and/or spouse to primary coverage under this subsection will terminate automatically when:

- a. the employee retires; or
- b. the employee no longer meets the employer eligibility requirements.

You are required to notify us, without delay, of the retirement or reduction to a part-time schedule of any employee who has received primary coverage pursuant to this subsection or whose spouse has received primary coverage pursuant to this subsection.

6. The primary coverage described in this subsection will not be provided in the case of a group who is a member of a multi-employer group health plan where that group has fewer than 20 employees and the plan has elected treatment of that group's employees under the exception for small employers described at 42 U.S.C. Section 1395y(b)(1) (A)(iii).

Note: You must immediately report to us changes in the number of employees to fewer than 20 employees any time the number of employees goes below or above 20, including pertinent changes in multi-employer group health plans.

Individuals with End Stage Renal Disease

Primary coverage is provided for your current and former employees and/or their dependents who are covered under this Policy and who are entitled to Medicare coverage because of end stage renal disease (ESRD), pursuant to the following terms:

1. You are required to provide us, without delay, information, including, but not limited to, the following:
 - a. the names of any individuals who are or will be undergoing a regular course of renal dialysis;
 - b. the names of any individuals who will receive or already have received a kidney transplant;
 - c. the beginning date of such dialysis or the date of such transplant;
 - d. the individual's date of birth, gender, and social security number;
 - e. health insurance claim number;
 - f. relationship of each covered individual to the employee (i.e., employee, employee's spouse, or employee's dependent child);
 - g. reason for Medicare entitlement;
 - h. Medicare Part A effective date;
 - i. employee's social security number;

- j. employee's contract number;
 - k. current employment status;
 - l. coverage effective date;
 - m. coverage termination date;
 - n. group number;
 - o. benefits provided (i.e., hospital benefits only, medical benefits only, or all other); and
 - p. type of coverage provided (i.e., self, family, etc.).
2. For an enrolled individual who is entitled to Medicare coverage because of ESRD, we will provide group health coverage, as set forth in the Benefit Booklet, on a primary basis for 30 months beginning with the earlier of:
- a. the month in which the individual became entitled to Medicare Part A ESRD benefits; or
 - b. the first month in which the individual would have been entitled to Medicare Part A ESRD benefits if a timely application had been made.

If Medicare was primary prior to the individual becoming eligible due to ESRD, then Medicare will remain primary (i.e., persons entitled due to disability whose employer has less than 100 employees, retirees and/or their spouses over the age of 65). If group health coverage was primary prior to ESRD entitlement, then group health coverage will remain primary for the ESRD coordination period. For individuals who are eligible for Medicare due to ESRD, we will provide group health coverage, as set forth in the Benefit Booklet, on a primary basis for 30 months.

Under Medicare, you MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to such individual or induce such individual to decline or terminate his or her group health coverage and elect Medicare as his or her primary payer.

Disabled Active Individuals

HOI provides primary coverage to Covered Persons who are covered under this Policy if:

- 1. You are a part of a health plan that has covered employees of at least one employer of 100 or more full-time or part-time employees on 50% or more of its regular business days during the previous Calendar Year; and
- 2. The Covered Persons are entitled to Medicare coverage because of disability (unless they have ESRD).

Primary coverage, if any, under this subsection of this Policy is also subject to the following terms:

- 1. You are required to provide us, without delay, the names of any Covered Persons covered under this Policy, who are entitled to Medicare coverage because of disability (other than those with ESRD), and who have not elected Medicare as primary payer of their health insurance claims, along with any other identifying information requested.

2. For such Covered Person, we will provide group health coverage, as set forth in the Benefit Booklet, on a primary basis during any month in which that individual meets the description set out in paragraph 1 above.
3. Individual entitlement to primary coverage under this subsection will terminate automatically when:
 - a. the individual turns 65 years of age; or
 - b. the individual no longer qualifies for Medicare coverage because of disability; or
 - c. the individual elects Medicare as the primary payer; coverage will terminate as of the day of such election.

Under Medicare, you MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to such individual or induce such individual to decline or terminate his or her group health coverage and elect Medicare as his or her primary payer.

You are required to notify HOI, without delay, of the occurrence of any of the above events.

Entitlement of the Covered Person to primary coverage under this subsection will terminate automatically if the Covered Employee no longer qualifies as such under applicable Medicare regulations and instructions. You are required to notify us, without delay, of any such change in status.

Note: You must immediately report to us changes in the number of employees to fewer than 100 employees any time the number of employees goes below or above 100.

If we should elect to make primary payments covering Services rendered to Covered Persons described in this section in a period prior to receipt of the information required by the terms of this section, we may require you to reimburse us for such payments. Alternatively, we may require you to pay the rate differential that resulted from your failure to provide us with the required information in a timely manner.
4. You shall indemnify and hold us harmless to the extent of any liability that we may be charged with on account of improper primary Medicare payments that were made as a result of any failure of performance of your obligations as set forth in this section.

Note: You are subject to the federal laws described in this section. Individuals with questions regarding their rights under those laws should direct their questions to you.

BLUECARD[®] PROGRAM

Out-of-Area Services

Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as “Inter-Plan Arrangements.” These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). Whenever Covered Persons access Health Care Services outside Florida, the claim for those Services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described generally below.

Typically, when accessing care outside Florida, Covered Persons obtain care from Providers that have a contractual agreement (“Participating Providers”) with the local Blue Cross and/or Blue Shield Licensee in that geographic area (“Host Blue”). In some instances, Covered Persons may obtain care from Providers in the Host Blue geographic area that do not have a contractual agreement (“Nonparticipating Providers”) with the Host Blue. We remain responsible for fulfilling our contractual obligations to you. Our payment practices in both instances are described below.

We cover only limited Services received outside of Florida. As used in this section “Out-of-Area Covered Services” only include Emergency Services for treatment of an Emergency Medical Condition obtained outside of Florida. Any other Services will not be covered even when processed through any Inter-Plan Arrangements.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific Service or Services.

BlueCard Program

The BlueCard Program is an Inter-Plan Arrangement. Under this Arrangement, when Covered Persons access Out-of-Area Covered Services within the geographic area served by a Host Blue, the Host Blue will be responsible for contracting and handling all interactions with its Participating Providers.

The financial terms of the BlueCard Program are described generally below.

Liability Calculation Method Per Claim

Unless subject to a fixed dollar Copayment, the calculation of the Covered Person’s liability on claims for Out-of-Area Covered Services processed through the BlueCard Program will be based on the lower of the Provider’s billed charges for Out-of-Area Covered Services or the negotiated price made available to us by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue’s Provider contracts. The negotiated price made available to us by the Host Blue may be represented by one of the following:

1. **An actual price.** An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases; or
2. **An estimated price.** An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the Provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, Provider refunds not applied on a claim-specific basis, retrospective settlements and performance-related bonuses or incentives; or
3. **An average price.** An average price is a percentage of billed charges for Out-of-Area Covered Services in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its Providers or a similar classification of its Providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

The Host Blue determines whether or not it will use an actual price, an estimated price or an average price. The use of estimated or average pricing may result in a difference (positive or negative) between the price Covered Persons pay on a specific claim and the actual amount the Host Blue pays to the Provider. However, the BlueCard Program requires that the amount paid by the Covered Person is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims.

In some instances federal or state laws or regulations may impose a surcharge, tax or other fee that applies to insured accounts. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to the Covered Person.

Return of Overpayments

Recoveries from a Host Blue or its Participating and Nonparticipating Providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, Provider/Hospital bill audits, credit balance audits, utilization review refunds and unsolicited refunds. Recoveries will be applied so that corrections will be made, in general, on a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to us, they will be credited to your account. In some cases, the Host Blue will engage a third party to assist in identification or collection of recovery amounts. The fees of such a third party may be charged to you as a percentage of the recovery.

Nonparticipating Providers Outside Florida

When Covered Services are provided outside of Florida by Nonparticipating Providers, our payment will be based on the Allowed Amount, as defined in the DEFINITIONS section of the Benefit Booklet.

BlueCard Worldwide® Program General Information

If Covered Persons are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (hereinafter: "BlueCard Service Area"), they may be able to take advantage of the BlueCard Worldwide Program when obtaining Covered Services. The BlueCard Worldwide Program is unlike the BlueCard Program available in the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands in certain ways. For instance, although the BlueCard Worldwide Program assists Covered Persons with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when Covered Persons receive care from Providers outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, the Covered Person will typically

have to pay the Providers and submit the claims themselves to obtain reimbursement for these Services.

Inpatient Services

In most cases, if Covered Persons contact the BlueCard Worldwide Service Center for assistance, hospitals will not require Covered Persons to pay for covered inpatient Out-of-Area Covered Services, except for their Cost Share amounts. In such cases, the BlueCard Worldwide Program contracting hospital will submit Covered Person claims to the BlueCard Worldwide Service Center to initiate claims processing. However, if the Covered Person paid in full at the time of Service, the Covered Person must submit a claim to obtain reimbursement for Out-of-Area Covered Services.

Outpatient Services

Physicians, Urgent Care Centers and other outpatient Providers located outside the BlueCard Service Area will typically require Covered Persons to pay in full at the time of Service. Covered Persons must submit a claim to obtain reimbursement for Covered Out-of-Area Services.

Submitting a BlueCard Worldwide Claim

When Covered Persons pay for Covered Out-of-Area Services outside the BlueCard Service Area, they must submit a claim to obtain reimbursement. For institutional and professional claims, Covered Persons should complete a BlueCard Worldwide International claim form and send the claim form with the Provider's itemized bill(s) to the BlueCard Worldwide Service Center (the address is on the form) to initiate claims processing. The claim form is available from the BlueCard Worldwide Service Center or online at www.bluecardworldwide.com. If Covered Persons need assistance with their claim submissions, they should call the BlueCard Worldwide Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.

- your BlueCare benefits;
- what is covered;
- what is not covered;
- coverage and payment rules;
- how and when to file a claim and under what circumstances we will pay;

When reading your Booklet, please remember:

You should read this Booklet in its entirety in order to determine if a particular Health Care Service is covered. Some groups may customize their health plan coverage with us, which can sometimes change our standard language in this Booklet. If your group has customized your health plan in this way, an Endorsement will either be inserted after the section that it modifies, or at the end of the Booklet. Be sure to always check for these additional documents before making benefit decisions.

The headings of sections contained in this Benefit Booklet are for reference purposes only and shall not affect in any way the meaning or interpretation of particular provisions.

References to "you" or "your" throughout refer to you as the Covered Employee and to your Covered Dependents, unless expressly stated otherwise or unless, in the context in which the term is used, it is clearly intended otherwise. Any references, which refer solely to you as the Covered Employee or solely to your Covered Dependents will be noted as such.

If a word or phrase starts with a capital letter, it is either the first word in a sentence, a proper name, a title, or a defined term. If the word or phrase has a special meaning, it will either be defined in the DEFINITIONS section or within the particular section where it is used.

WHAT IS COVERED?

Introduction

This section describes the Health Care Services that are covered under this Booklet. All benefits for Covered Services are subject to: 1) your share of the cost and the benefit maximums listed on your Schedule of Benefits, 2) the applicable Allowed Amount, 3) any limitations and exclusions, as well as any other provisions contained in this Booklet including any Endorsements that are part of your Booklet, and 4) our Medical Necessity guidelines and Coverage Access Rules then in effect (see the MEDICAL NECESSITY and COVERAGE ACCESS RULES sections).

Remember that exclusions and limitations also apply to your coverage. Exclusions and limitations that are specific to a type of Service are included along with the benefit description in this section. Additional exclusions and limitations that may apply can be found in the WHAT IS NOT COVERED? section and in any Endorsements that are part of this Booklet. More than one limitation or exclusion may apply to a specific Service or a particular situation.

Expenses for the Health Care Services listed in this section will be covered under this Booklet only if the Services are:

1. Provided, prescribed or ordered by an **In-Network Provider**;
2. Authorized in advance by us, if prior coverage authorization is required (see the COVERAGE ACCESS RULES section);
3. within the Covered Services Categories in this section;
4. actually rendered to you (not just proposed or recommended) by an appropriately licensed health care Provider who is recognized for payment by us and for which we receive an itemized statement or description of the procedure or Service which was rendered, including any applicable procedure code, diagnosis code and other information we require in order to process a claim for the Service;
5. Medically Necessary, as defined in this Booklet and determined by us in accordance with our Medical Necessity coverage criteria then in effect;
6. provided in accordance with our COVERAGE ACCESS RULES section;
7. rendered while your coverage is in force; and
8. not specifically or generally limited or excluded under this Booklet.

In determining whether Health Care Services are Covered Services under this Booklet, no written or verbal representation by any employee or agent of HOI or by any other person shall waive or otherwise modify the terms of this Booklet and, therefore, neither you, the Group, nor any health care Provider or other person should rely on any such written or verbal representation.

Covered Services Categories

Ambulance Services

Ambulance Services for Emergency Medical Conditions and limited to non-emergency ground transport may be covered only when:

1. For Emergency Medical Conditions – it is Medically Necessary to transport you by air, ground or water, from the place an Emergency Medical Condition occurs to the nearest Hospital that can provide the Medically Necessary level of care. If it is determined that the nearest Hospital is unable to provide the Medically Necessary level of care for the Emergency Medical Condition, then coverage for Ambulance Services shall extend to the next nearest Hospital that can provide Medically Necessary care; or
2. For limited non-emergency ground Ambulance transport – it is Medically Necessary to transport you by ground:
 - a. from an Out-of-Network Hospital to the nearest In-Network Hospital that can provide care;
 - b. to the nearest In-Network or Out-of-Network Hospital for a Condition that requires a higher level of care that was not available at the original Hospital;
 - c. to the nearest more cost-effective acute care facility as determined solely by us; or
 - d. from an acute facility to the nearest cost-effective sub-acute setting.

Note: Non-emergency Ambulance transportation meets the definition of Medical Necessity only when the patient's Condition requires treatment at another facility and when another mode of transportation, whether by Ambulance or otherwise (regardless of whether covered by us or not) would endanger the patient's medical Condition. If another mode of transportation could be used safely and effectively, regardless of time, or mode (e.g. air, ground, water) then Ambulance transportation is not Medically Necessary.

Limitations:

Air Ambulance coverage is specifically limited to transport due to an Emergency Medical Condition when the patient's destination is an acute care Hospital, and:

1. the pick-up point is not accessible by ground Ambulance, or
2. speed in excess of the ground vehicle is critical for your health or safety.

Air Ambulance transport for non-emergency transport is excluded unless it is specifically approved by us in advance of the transport.

Exclusion

Services for situations that are not Medically Necessary because they do not require Ambulance transportation including but not limited to:

1. Ambulance Services for a patient who is legally pronounced dead before the Ambulance is summoned.
2. Aid rendered by an Ambulance crew without transport. Examples include, but are not limited to situations when an Ambulance is dispatched and:
 - a. the crew renders aid until a helicopter can be sent;

- b. the patient refuses care or transport; or
 - c. only basic first aid is rendered.
3. Non-emergency transport to or from a patient's home or a residential, domiciliary or custodial facility.
4. Transfers by medical vans or commercial transportation (such as Physician owned limousines, public transportation, cab, etc.).
5. Ambulance transport for patient convenience or patient and/or family preference. Examples include but are not limited to:
 - a. patient wants to be at a certain Hospital or facility for personal/preference reasons;
 - b. patient is in a foreign country, or out-of-state, and wants to return home for a surgical procedure or treatment, or for continued treatment, including patients who have recently been discharged from inpatient care; or

Covered therapies provided in the treatment of Autism Spectrum Disorder are covered even though they may be habilitative in nature (provided to teach a function) and are not necessarily limited to restoration of a function or skill that has been lost.

Payment Guidelines for Autism Spectrum Disorder

Applied Behavior Analysis Services for Autism Spectrum Disorder must be authorized in accordance with criteria established by us, **before** such Services are rendered. Services performed without authorization will be denied. Authorization for coverage is not required for Emergency Services provided for the treatment of an Emergency Medical Condition.

Note: In order to determine whether such Services are covered under this Booklet, we reserve the right to request a formal written treatment plan signed by the treating Physician to include the diagnosis, the proposed treatment type, the frequency and duration of treatment, the anticipated outcomes stated as goals, and the frequency with which the treatment plan will be updated, but no less than every 6 months.

2. appliances needed to effectively use artificial limbs or corrective braces; and
3. penile prosthesis.

Covered Prosthetic Devices (except cardiac pacemakers, and Prosthetic Devices incident to Mastectomy) are limited to the first such permanent prosthesis (including the first temporary prosthesis if it is determined to be necessary) prescribed for each specific Condition. Coverage for Prosthetic Devices is based on the most cost-effective Prosthetic Device which meets your medical needs as determined by us.

Benefits may be provided for necessary replacement of a Prosthetic Device which is owned by you when due to irreparable damage, wear, or a change in your Condition, or when necessitated due to growth of a child.

Exclusion

2. Expenses for cosmetic enhancements to artificial limbs; and
3. Second Medical Opinion

You are entitled to a second medical opinion when:

1. you do not agree with the opinion of your treating Physician or us regarding the reasonableness or necessity of a surgical procedure or treatment of a serious injury or illness; or
2. you feel you are not responding to the current treatment plan in a satisfactory manner after a reasonable lapse of time for the Condition being treated.

You may select any licensed Physician who practices medicine within the Service Area to render the second medical opinion, but will need to ask your PCP or an In-Network Specialist to get an authorization from us before you receive the Services. However, you should know that your Cost Share amount for Services rendered by an In-Network Provider (usually a set Copayment) for a second medical opinion will be lower than those rendered by an Out-of-Network Provider. When you use an Out-of-Network Provider for a second medical opinion your Cost Share will be a percentage of our Allowed Amount, which may be less than the Out-of-Network Provider charges for such Services. In this case, in addition to your percentage of the Allowed Amount, you will also have to pay any charges billed by an Out-of-Network Provider in excess of the Allowed Amount.

All tests in connection with rendering the second medical opinion, including tests ordered by an Out-of-Network Physician, must be Medically Necessary and must be performed by In-Network Providers.

We may deny coverage for a second medical opinion if you seek more than three second medical opinions in any Benefit Period if we deem the second medical opinion costs are evidence that you are unreasonably over-utilizing the second medical opinion privileges. Our decision, after review of documentation from the second medical opinion you obtained, will be controlling as to our obligation to pay for such treatment.

For example, the removal of a normal appendix performed in conjunction with a Medically Necessary hysterectomy is an incidental surgical procedure (there is no payment for the removal of the normal appendix in the example).

Pharmacy Alternatives

For purposes of the section, there are two types of Pharmacies: Participating Pharmacies and Non-Participating Pharmacies.

Participating Pharmacies

Participating Pharmacies are Pharmacies participating in our BlueCare Rx Pharmacy Program, or a National Network Pharmacy belonging to our Pharmacy Benefit Manager, at the time Covered Prescription Drugs and Supplies and/or Covered OTC Drugs are purchased by you. Participating Pharmacies have agreed not to charge, or collect from, you, for each Covered Prescription Drug, Covered Prescription Supply and/or Covered OTC Drug, more than the amount set forth in the Schedule of Benefits.

With BlueCare Rx, there are four types of Participating Pharmacies:

1. Pharmacies in Florida that have signed a BlueCare Rx Participating Pharmacy Provider Agreement with us;
2. National Network Pharmacies;
3. Specialty Pharmacies; and
4. the Mail Order Pharmacy.

To verify if a Pharmacy is a Participating Pharmacy, you may refer to the Pharmacy Program Provider Directory then in effect at www.floridablue.com or call the customer service phone number on your ID Card.

Prior to purchase, you must present your ID Card to the Participating Pharmacy and the Pharmacy must be able to verify that you are, in fact, covered by us.

When charges for Covered Prescription Drugs, and Supplies or Covered OTC Drugs by a Participating Pharmacy are less than the required Copayment, the amount you pay will depend on the agreement then in effect between the Pharmacy and us, and will be one of the following:

1. The usual and customary charge of such Pharmacy as if it were not a Participating Pharmacy;
2. The charge under the Pharmacy's agreement with us; or
3. The Copayment, if less than the usual and customary charge of such Pharmacy.

Specialty Pharmacy

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional Drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local Pharmacies or routinely stocked by Physicians' offices, mostly due to the high cost and complex handling they require.

Using a Specialty Pharmacy to provide these Specialty Drugs should lower the amount you have to pay for these medications.

The Specialty Pharmacies designated, solely by us, are the only Participating suppliers for Specialty Drugs. Any Pharmacy not designated by us as a Specialty Pharmacy is considered Non-Participating for payment purposes, even if such Pharmacy is a Participating Pharmacy for other Covered Prescription Drugs under this BlueCare Rx Pharmacy Program.

For additional details on how to obtain Covered Prescription Specialty Drugs from a Specialty Pharmacy, refer to the Medication Guide.

Mail Order Pharmacy

For details on how to order Covered Prescription Drugs and Supplies and Covered OTC Drugs from the Mail Order Pharmacy, refer to the Mail Order Pharmacy Brochure or the Medication Guide.

Note: Specialty Drugs are not available through the Mail Order Pharmacy.

Non-Participating Pharmacies

A Prescription Drug, OTC Drug or Self-Administered Injectable Prescription Drug purchased from a Non-Participating Pharmacy is covered under this BlueCare Rx Pharmacy Program **only** if it is prescribed as a result of an Emergency Medical Condition or authorized by us.

A Non-Participating Pharmacy is a Pharmacy that has not agreed to participate in our BlueCare Rx Pharmacy Program and is not a National Network Pharmacy, Specialty Pharmacy or the Mail Order Pharmacy.

When Covered Prescription Drugs and Supplies or Covered OTC Drugs are purchased from a Non-Participating Pharmacy, as a result of an Emergency Medical Condition, or when authorized by us, you may be required to pay the full cost of the Drug at the time of purchase.

In order to be reimbursed for Covered Prescription Drugs and Supplies or Covered OTC Drugs purchased from a Non-Participating Pharmacy, you must submit an itemized paid receipt to us at the address on your ID Card.

Pharmacy Utilization Review Programs

Our pharmacy utilization review programs are intended to encourage the responsible use of Drugs and Supplies.

We may, in our sole discretion, require that Prescriptions for select Prescription Drugs and Supplies or OTC Drugs be reviewed under our pharmacy utilization review programs then in effect, in order for there to be coverage for them. Under these programs, there may be limitations or conditions on coverage for select Prescription Drugs and Supplies and OTC Drugs, depending on the quantity, frequency, or type of Drug or Supply prescribed.

Note: If coverage is not available, or is limited, this does not mean that you cannot obtain the Drug or Supply from the Pharmacy. It only means that we will not cover or pay for the Drug or Supply. You are always free to purchase the Drug or Supply at your sole expense.

Our pharmacy utilization review programs include the following:

Responsible Steps Program

Under this program, we may exclude certain Prescription Drugs and OTC Drugs unless you have first tried designated Drug(s) identified in the Medication Guide in the order indicated. In order for there to be coverage for such Prescription Drugs and OTC Drugs prescribed by your Physician, we must receive written documentation from your Physician that the designated Drugs in the Medication Guide are not appropriate for you because of a documented allergy, ineffectiveness or side effects.

Prior to filling a Prescription, your Physician may contact us to request coverage for a Prescription Drug or OTC Drug subject to the Responsible Steps program by following the procedures for prior coverage authorization outlined in the Medication Guide.

Responsible Quantity Program

Under this program, we may exclude any Prescription Drug or OTC Drug prescribed in excess of the Maximum specified in the Medication Guide.

Prior Coverage Authorization Program

You are required to obtain prior coverage authorization from us in order for certain Prescription Drugs and Supplies and OTC Drugs to be covered. **If you do not obtain an authorization when one is required we will deny coverage.** Prescription Drugs and Supplies and OTC Drugs that require prior coverage authorization are designated in the Medication Guide.

For additional details on how to obtain prior coverage authorization, refer to the Medication Guide.

Information on our pharmacy utilization review programs is published in the Medication Guide which can be accessed at www.floridablue.com or you may call the customer service phone number on your ID Card. Your Pharmacist may also tell you if a Prescription Drug or OTC Drug requires prior coverage authorization.

Ultimate Responsibility for Medical Decisions

The pharmacy utilization review programs have been established solely to determine whether coverage or benefits for Prescription Drugs, Supplies and OTC Drugs will be provided under the terms of this Booklet. Ultimately the final decision as to whether the Prescription Drug, Supply or OTC Drug should be prescribed must be made by you and the prescribing Physician. Decisions made by us in authorizing coverage are made only to determine whether coverage or benefits are available under this BlueCare Rx Pharmacy Program and not for the purpose of providing or recommending care or treatment. We reserve the right to modify or terminate these programs at any time.

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for a Prescription Drug, Supply or OTC Drug, must be made solely by you and your treating Physician in accordance with the patient/Physician relationship. It is possible that you or your treating Physician may conclude that a particular Prescription Drug, Supply or OTC Drug is needed, appropriate, or desirable, even though such Prescription Drug, Supply or OTC Drug may not be authorized for coverage by us. In such cases, it is your right and responsibility to decide whether the Prescription Drug, Supply or OTC Drug should be purchased even if we have indicated that we will not pay for such Prescription Drug, Supply or OTC Drug.

MEDICAL NECESSITY

In order for Health Care Services to be covered under this Booklet, the Services must meet all of the requirements to be a Covered Service, including being Medically Necessary, as determined by us and defined in this Booklet.

It is important to remember that any time we review Services for Medical Necessity it is solely for the purpose of determining coverage, benefits or payment under the terms of this Booklet and not for the purpose of recommending or providing medical care. When we review for Medical Necessity, we may review specific medical facts or information about you. Any such review, however, is strictly for the purpose of determining whether the Service provided or proposed meets the definition of Medical Necessity in this Booklet. In applying the definition of Medical Necessity to a specific Service, we may apply our coverage and payment guidelines then in effect.

All decisions that require or pertain to independent professional medical/clinical judgment or training, or the need for medical Services, are solely your responsibility and that of your treating Providers. You and your Providers are responsible for deciding what medical care you should have and when that care should be provided. We are solely responsible for determining whether expenses incurred for that medical care are covered under this Booklet. In making coverage decisions, we will not be deemed to participate in or override your decisions concerning your health or the medical decisions of your health care Providers.

The following are a few examples of hospitalization and other Services that are not Medically Necessary:

1. staying in the Hospital because arrangements for discharge have not been completed;
2. use of laboratory, x-ray, or other diagnostic testing that has no clear indication, or is not expected to alter your treatment;
3. staying in the Hospital because supervision in the home, or care in the home, is not available or is inconvenient; or being hospitalized for any Service which could have been provided adequately in an alternate setting (e.g., Hospital outpatient department or at home with Home Health Care Services); or
4. inpatient admissions to a Hospital, Skilled Nursing Facility, or any other facility for the purpose of Custodial Care, convalescent care, or any other Service primarily for the convenience of the patient or his or her family members or a Provider.

Note: Whether or not a Service is specifically listed as an exclusion, the fact that a Provider may prescribe, recommend, approve, or furnish a Service does not mean that the Service is Medically Necessary (as determined by us and defined in this Booklet) or a Covered Service. You are free to obtain a Service even if we deny coverage because the Service is not Medically Necessary; however, you will be solely responsible for paying for the Service. Please refer to the DEFINITIONS section for the definition of "Medically Necessary or Medical Necessity".

YOUR SHARE OF HEALTH CARE EXPENSES

This section explains what your share of the health care expenses may be for Covered Services you receive. Since not all plans include all the different types of Cost Shares explained in this section, it is important that you refer to your Schedule of Benefits to determine your share of the cost with regard to Covered Services.

Deductible

Individual Deductible

This amount, when applicable, must be satisfied by you and each of your Covered Dependents each Benefit Period, before any payment will be made by us. Only those charges indicated on claims we receive for Covered Services will be credited toward the individual Deductible and only up to the applicable Allowed Amount.

Family Deductible

If your plan includes a family Deductible, after the family Deductible has been met by your family, neither you nor your Covered Dependents will have any additional Deductible responsibility for the remainder of that Benefit Period. The maximum amount that any one Covered Person in your family can contribute toward the family Deductible is the amount applied toward the individual Deductible, if applicable.

Embedded Deductible

If your Schedule of Benefits indicates that the Deductible is embedded, each Covered Person only needs to satisfy the individual Deductible and not the entire family Deductible, prior to us paying for Covered Services for that Covered Person. We will not begin to pay for Covered Services for the other family members until they either satisfy the individual Deductible or until the family Deductible is met. The family Deductible is met when any combination of family members' costs for Covered Services meets the family Deductible limit. The maximum amount that any one Covered Person in your family can contribute toward the family Deductible is the amount applied toward that person's individual Deductible.

Shared Deductible

If your Schedule of Benefits indicates that the family Deductible is Shared, the entire family Deductible must be met by any one Covered Person or a combination of any or all Covered Persons before we will begin to pay for Covered Services for any Covered Person under your plan.

Hospital Per Admission Deductible

The Hospital per admission Deductible, when applicable, must be satisfied by you for each Hospital admission before any payment will be made by us for any claim for inpatient Services. The Hospital per admission Deductible applies regardless of the reason for the admission.

Copayments

Covered Services rendered by certain Providers or at certain locations or settings may be subject to a Copayment. This is the dollar amount you have to pay when you receive these Services. Please refer to your Schedule of Benefits for the specific Covered Services that are subject to a Copayment. Listed below is a brief description of some of the Copayment requirements that may apply to your plan. In some cases, when our Allowed Amount or the Provider's actual charge for a Covered Service rendered is less than the Copayment amount, you may be responsible for the lesser of our Allowed Amount or the Provider's actual charge for the Covered Service.

Office Services Copayment

If your plan is a Copayment plan, the Copayment for Covered Services rendered in the office must be paid by you, for each office visit before any payment will be made by us. The office Services Copayment applies regardless of the reason for the office visit and applies to all Covered Services rendered during that visit, with the exception of Durable Medical Equipment, Medical Pharmacy, Orthotics and Prosthetics, which may require Cost Share amounts in addition to the Office Services Copayment, as set forth on your Schedule of Benefits.

Inpatient Facility Services Copayment

The Copayment for inpatient facility Services, if applicable to your plan, must be satisfied by you, for each inpatient admission to a Hospital, Psychiatric Facility, or Substance Abuse Facility, before any payment will be made by us for any claim for inpatient Covered Services. The Copayment for inpatient facility Services, if applicable to your plan, applies regardless of the reason for the admission, and applies to all inpatient admissions unless your Schedule of Benefits states otherwise. Additionally, you may be responsible for out-of-pocket expenses for Covered Services provided by Physicians and other health care professionals while you are an inpatient.

Outpatient Facility Services Copayment

The Copayment for outpatient facility Services, if applicable to your plan, must be satisfied by you, for each outpatient visit to a Hospital, Ambulatory Surgical Center, Independent Diagnostic Testing Center, Psychiatric Facility or Substance Abuse Facility, before any payment will be made by us for any claim for outpatient Covered Services. The Copayment for outpatient facility Services, if applicable to your plan, applies regardless of the reason for the visit. Additionally, you may be responsible for out-of-pocket expenses for Covered Services provided by Physicians and other healthcare professionals while using these facilities.

Note: Copayments for outpatient facility Services may vary depending on the type of facility chosen and the Services received. Please see your Schedule of Benefits for more information.

Emergency Room Facility Services Copayment

The Copayment for emergency room facility Services, if applicable to your plan, applies regardless of the reason for the visit, is in addition to any applicable Coinsurance amount, and applies to emergency room facility Services in or outside the Service Area. The Copayment for emergency room facility Services, if applicable to your plan, must be satisfied by you for each visit. If you are admitted to the Hospital as an inpatient at the time of the emergency room visit, the Copayment for emergency room facility Services, if

applicable to your plan, will be waived, but you will still be responsible for your share of the expenses for inpatient facility Services as listed in your Schedule of Benefits.

Coinsurance

All applicable Deductible amounts must be satisfied before we will pay any portion of the Allowed Amount for Covered Services. For Services that are subject to Coinsurance, the percentage of the applicable Allowed Amount you are responsible for is listed in your Schedule of Benefits.

Special Calculation Rule for Capitated Providers

We typically pay In-Network Providers for Covered Services provided to you based upon that Providers' negotiated Allowed Amount with us. This form of payment to Providers is called "fee-for-service." In these circumstances, the amount you are responsible for paying for Covered Services will be based upon our actual Allowed Amount negotiated with the rendering Provider and will be credited toward applicable Deductibles and out-of-pocket maximums and/or used to calculate your Coinsurance.

In other circumstances under the agreements we have with In-Network Providers we may pay a set monthly amount per individual to cover the cost of providing Covered Services to you, whether or not care is actually provided during the month. This form of payment is called "capitation." In these instances, when you receive Covered Services from such a Provider, the amounts you are responsible for paying and the applicable credit toward any Deductible or out-of-pocket maximums may be, as determined by us, based upon the amounts we could have paid for such Covered Services to an In-Network Provider of the same or similar provider type licensed to provide such services but not paid on a capitation basis (based on our Allowed Amounts then in effect for such Covered Services). Similarly, in these instances, the amounts you will owe for Coinsurance may be calculated, as determined by us, utilizing the amounts we could have paid an In-Network Provider of the same or similar provider type licensed to provide such services but not paid on a capitated basis (based upon our Allowed Amounts for such Covered Services). The comparison form of payment utilized for this purpose, in the case of such a same or similar In-Network Provider, is fee-for-service payment. Further, in those circumstances where services provided were paid on a capitation basis but such Provider may be paid fee-for-service by us for the same or similar services for other individuals, we may utilize the fee-for-service amounts for such same or similar services when calculating the credits toward applicable Deductibles and out-of-pocket maximums and/or use such fee-for-service amounts to calculate your Coinsurance.

Out-of-Pocket Maximums

Individual Out-of-Pocket Maximum

Once you have reached the individual out-of-pocket maximum amount listed in your Schedule of Benefits, you will have no additional out-of-pocket responsibility for the remainder of that Benefit Period and we will pay 100 percent of the Allowed Amount for Covered Services rendered during the remainder of that Benefit Period.

Family Out-of-Pocket Maximum

If your plan includes a family out-of-pocket maximum, once your family has reached the family out-of-pocket maximum amount listed in your Schedule of Benefits, neither you nor your covered family members will have any additional out-of-pocket responsibility for Covered Services for the remainder of that Benefit Period and we will pay 100 percent of the Allowed Amount for Covered Services rendered during the remainder of that Benefit Period. The maximum amount any one Covered Person in your family can contribute toward the family out-of-pocket maximum, if applicable, is the amount applied toward the individual out-of-pocket maximum. Please see your Schedule of Benefits for more information.

Embedded Out-of-Pocket Maximum

If your Schedule of Benefits indicates that the out-of-pocket maximum is embedded, when any one Covered Person meets the individual out-of-pocket maximum, that Covered Person will have no additional Cost Share for the rest of the Calendar Year. The rest of the family must continue satisfying their out-of-pocket maximum until the family out-of-pocket maximum is met. The maximum amount that any one Covered Person in your family can contribute toward the family out-of-pocket maximum is the amount applied toward that person's individual out-of-pocket maximum.

Shared Out-of-Pocket Maximum

If your Schedule of Benefits indicates that the out-of-pocket maximum is shared, any one Covered Person or a combination of any or all Covered Persons can meet the family out-of-pocket maximum. Once the family out-of-pocket maximum is met, neither you nor your Covered Dependents will have to pay any additional Cost Share for Covered Services for the rest of the Calendar Year.

Note: The Deductible, any applicable Copayments and Coinsurance amounts including those for Covered Prescription Drugs and Supplies, will accumulate toward the out-of-pocket maximums.

Prior Coverage Credit

We will give you credit for the satisfaction or partial satisfaction of any deductible and coinsurance maximums met by you under a prior group, blanket, or franchise insurance or group Health Maintenance Organization (HMO) policy maintained by the Group if this Policy replaces such a policy. This provision only applies if the prior group, blanket, or franchise insurance or HMO coverage purchased by the Group was in effect immediately preceding the Effective Date of this Policy. This provision is only applicable for you during the initial Benefit Period of coverage under the Policy and the following rules apply:

Prior Coverage Credit for Deductible

For the initial Benefit Period of coverage only under this Policy, charges credited by the Group's prior insurer, toward your deductible requirement, for Services rendered during the 90-day period immediately preceding the Effective Date of this Policy, will be credited to the Deductible requirement under this Booklet.

Prior Coverage Credit for Coinsurance

Charges credited by the Group's prior insurer, toward your Coinsurance maximum, for Services rendered during the 90-day period immediately preceding the Effective Date of the Policy, will be credited to your out-of-pocket maximum under this Booklet.

Prior coverage credit toward the Deductible or out-of-pocket maximums will only be given for Health Care Services, which would have been Covered Services under this Booklet.

Prior coverage credit under this Booklet only applies at the initial enrollment of the entire Group. You and/or the Group are responsible for providing us with any information necessary for us to apply this prior coverage credit.

Additional Expenses You Must Pay

In addition to your share of the expenses described above, you are also responsible for:

1. charges in excess of any maximum benefit limitation listed in your Schedule of Benefits;
2. expenses for claims denied because we did not receive information requested from you regarding whether or not you have other coverage and the details of such coverage;
3. charges for Health Care Services which are non-Covered Services or excluded; and
4. any Premium contribution amount required by the Group.

How we will Credit Benefit Maximums

Except as described below, only the amounts actually paid by us for Covered Services will be credited toward applicable benefit maximums. The amounts we pay that are credited toward your Benefit Period maximums will be based on our Allowed Amount for the Covered Services provided.

Under certain agreements we have with Providers, we may pay the Provider a set monthly amount per individual to cover the cost of providing Covered Services to you, whether or not care is actually provided during that month. This form of payment is called "capitation". In these instances, when you receive Covered Services from such a Provider, the amounts we will credit toward any applicable benefit maximum, will be the amount we would have paid (based on our Allowed Amount then in effect) had the Provider not been paid on a capitated basis.

HEALTH CARE PROVIDER OPTIONS

Introduction

It is important that you understand how the Providers you choose to use for medical care will affect how much you have to pay for medical Services. Under this HMO plan, most Services must be rendered by In-Network Providers in order to be Covered Services. This is true even when the Services you receive are Medically Necessary (except in the case of an Emergency Services for an Emergency Medical Condition). This section explains some special rules for getting Covered Services with certain types of Providers under this Booklet.

For information on Pharmacy Provider options, please refer to the PRESCRIPTION DRUGS PROGRAM section.

Provider Participation Status

You are responsible for making sure a Provider is In-Network prior to receiving Services. To find out if a Provider is in our provider network you can:

1. access the current BlueCare Provider directory on our website at www.floridablue.com; or
2. call the customer service phone number on your ID Card.

In-Network Providers

Primary Care Physician (PCP)

The first and most important decision you must make when joining a health maintenance organization is the selection of a PCP for each covered family member. This decision is important since it is through this Provider that all other Covered Services, particularly those of Specialists, are coordinated. You do not need a referral to see your PCP.

Specialist Care

If you need to visit a Specialist, you and/or your PCP may choose any In-Network Specialist.

Your PCP may consult with us regarding coverage or benefits and with the Specialist in order to coordinate your care. This provides you with continuity of treatment by the Physician who is most familiar with your medical history and who understands your total health profile.

You do not need a referral from your PCP to see an In-Network Specialist; however, some Services require an authorization from us before Services are rendered in order to be covered. In-Network Provider's are responsible for obtaining authorization from us.

Below are some special rules for certain types of Providers:

Chiropractors and Podiatrists: Upon your request, a Doctor of Chiropractic or a Doctor of Podiatry who is an In-Network Provider may be assigned to you for the purpose of providing chiropractic Services and podiatric Services, respectively. You shall have access to the assigned Doctor of Chiropractic or Doctor of Podiatry without the need for referrals from your PCP.

Certified Registered Nurse Anesthetist: You have access to anesthesia Services within the scope of a duly licensed Certified Registered Nurse Anesthetist's license if you request such Services, provided such Services are available, as determined by us, and are Covered Services under the Group Plan.

Dermatologists: You may access an In-Network dermatologist for up to five visits each Benefit Period without an authorization. Some Services, such as surgical procedures will require an authorization before the Services are rendered and if you do not have an authorization; the Services will not be covered.

Obstetric and Gynecological Providers: You may access In-Network Providers who specialize in obstetrics or gynecology for obstetric or gynecological care without the need for authorization.

Osteopathic Hospitals: Inpatient and outpatient Services, similar to inpatient and outpatient Services by allopathic Hospitals may be covered at a Hospital accredited by the American Osteopathic Association when such Services are available in the Service Area even when such Hospital has not entered into a written agreement with us for such Services. The Hospital providing these Services may not charge more than their usual and customary rates less the average discount that we have with allopathic Hospitals within the Service Area. You must contact us to get the documents necessary to comply with this provision.

Physician Assistant: You have access to surgical assistant Services rendered by a Physician Assistant only when acting as a surgical assistant. Certain types of medical procedures and other Covered Services may be rendered by licensed Physician Assistants, nurse practitioners or other individuals who are not Physicians.

Specialty Pharmacy: Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local pharmacies or routinely stocked by Physicians' offices, mostly due to the high cost and complex handling they require.

Provider Financial Incentive Disclosure

Health care decisions are the shared responsibility of you, your family, and your health care Providers. A Provider's decisions regarding Health Care Services may have a financial impact on you and/or the Provider. For example a Provider in his or her contract with us may agree to accept financial responsibility for your Health Care Services. We encourage you to talk to your Providers about how, and to what extent, the acceptance of financial risk by the Provider may affect his or her Health Care Service decisions.

Continuity of Coverage and Care Upon Termination of a Provider Contract

When a contract between us and an In-Network Provider (including a PCP) is terminated by us or the Provider without cause and, at the time of the In-network Provider's termination, you are actively receiving Services for a Condition, Services for that Condition shall continue even after the date of the In-Network Physician's contract termination. Services for that Condition will be covered with that Provider only until the earlier of:

1. treatment for that specific Condition is completed;
2. you select another In-Network Physician; or
3. the next open enrollment period.

This extension period will not exceed the maximum time period allowed under Florida law, and in no case will it be longer than six months after termination of the Provider's contract with us.

We will continue to provide maternity benefits under this Group Plan, regardless of the trimester in which Services were initiated, until completion of your postpartum care, if you initiated your prenatal care prior to the termination of the In-Network Provider's contract.

We are not required to cover or pay for any Services under this subsection for an individual whose coverage under the Group Plan is not in effect at the time Services are rendered. Further, this subsection does not apply if the In-Network Provider is terminated "for cause".

Services Not Available from Contracting Providers

Except as provided in the WHAT IS COVERED? section, if a Covered Service is not available through In-Network Providers, we may authorize coverage for such Services to be rendered by an Out-of-Network Provider. Covered Services provided by an Out-of-Network Provider must be authorized by us **before** the Services are rendered.

Assignment of Benefits to Providers

Except as set forth in the last paragraph of this section, we will not honor any of the following assignments, or attempted assignments, by you to any Provider, including, and without limitation, any of the following:

1. an assignment of the benefits due you under this Booklet;
2. an assignment of the right to receive payments due under this Booklet; or
3. an assignment of a claim for damage resulting from a breach, or an alleged breach, of any promise or obligation set forth in this Booklet, or any promise or obligation set forth in any contract, plan, or policy.

We specifically reserve the right to honor an assignment of benefits or payment by you to a provider who: 1) is an In-Network Provider under your Group Plan; 2) is a licensed Hospital or Physician and the benefits which have been assigned are for care provided per Florida Statutes; or 3) is an Ambulance Provider that provides transportation for care from a location where an Emergency Medical Condition, as defined per Florida Statutes, first occurred to a Hospital, and the benefits which have been assigned are for transportation to care per Florida Statutes. A written attestation of the assignment of benefits may be required.

BLUECARD[®] PROGRAM

Out-of-Area Services

Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates ("Licensees"). Generally, these relationships are called "Inter-Plan Arrangements". These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you obtain Health Care Services outside of Florida, the claims for these Services may be processed through one of these Inter-Plan Arrangements.

When you receive care outside of Florida, you will receive it from one of two kinds of Providers. Most Providers ("Participating Providers") contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). Some Providers ("Nonparticipating Providers") don't contract with the Host Blue. We explain below how we pay both kinds of Providers.

We cover only limited Services received outside of Florida. As used in this section, "Out-of-Area Covered Services" only include Emergency Services for treatment of an Emergency Medical Condition obtained outside of Florida. Any other Services will not be covered even if processed through any Inter-Plan Arrangements.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific Service or Services.

BlueCard Program

Under the BlueCard Program, when you receive Out-of-Area Covered Services within the geographic area served by a Host Blue, we will remain responsible for fulfilling our contractual obligations to you. However the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

The BlueCard Program enables you to obtain Out-of-Area Covered Services, as defined above, from a health care Provider participating with a Host Blue, where available. The Participating Provider will automatically file a claim for the Out-of-Area Covered Services provided to you, so there are no claim forms for you to fill out. You will be responsible for your Cost Share amounts.

Medical Emergency: If you experience a medical emergency while traveling outside of Florida, go to the nearest facility that can provide the type of Services needed.

When you receive Out-of-Area Covered Services outside of Florida and the claim is processed through the BlueCard Program, the amount you pay for the Out-of-Area Covered Services, if not a fixed dollar Copayment, is calculated based on the lower of:

- The billed charges for your Out-of-Area Covered Services; or

- The negotiated price that the Host Blue makes available to us.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your Provider. Sometimes, it is an estimated price that takes into account special arrangements with your Provider or Provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims, as noted above. However, such adjustments will not affect the price we have used for your claim because they will not be applied after a claim has already been paid.

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to insured accounts. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

Nonparticipating Providers Outside of Florida

When Covered Services are provided outside of Florida by Nonparticipating Providers, our payment for such Covered Services will be based on the applicable Allowed Amount.

BlueCard Worldwide® Program

If you are outside the United States, the Commonwealth of Puerto Rico or the U.S. Virgin Islands, you may be able to take advantage of the BlueCard Worldwide Program when obtaining Covered Services. The BlueCard Worldwide Program is unlike the BlueCard Program available in the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands in certain ways. For instance, although the BlueCard Worldwide Program assists you with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you will typically have to pay the Providers and submit the claims yourself to obtain reimbursement for Out-of-Area Covered Services.

If you need medical assistance services (including locating a doctor or hospital) outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you should call the BlueCard Worldwide Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, will arrange a physician appointment or hospitalization, if necessary.

Inpatient Services

In most cases, if you contact the BlueCard Worldwide Service Center for assistance, hospitals will not require you to pay for inpatient Out-of-Area Covered Services, except for your Cost Share amounts. In such cases, the hospital will submit your claims to the BlueCard Worldwide Service Center to begin claims processing. However, if you paid in full at the time of Service, you must submit a claim to receive reimbursement for Out-of-Area Covered Services.

Outpatient Services

Physicians, Urgent Care Centers and other Providers of outpatient Services located outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands will typically require you to pay in full at the time of Service. You must submit a claim to obtain reimbursement for Out-of-Area Covered Services.

Submitting a BlueCard Worldwide Claim

When you pay for Out-of-Area Covered Services outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a BlueCard Worldwide International claim form and send the claim form with the Provider's itemized bill(s) to the BlueCard Worldwide Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from the BlueCard Worldwide Service Center or online at www.bluecardworldwide.com. If you need assistance with your claim submission, you should call the BlueCard Worldwide Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.

COVERAGE ACCESS RULES

It is important that you become familiar with the rules for accessing health care coverage through HOI. The following section explains our role and the Primary Care Physician's (PCP) role, how to access specialty care coverage, and what to do if Emergency Services are needed. It is also important for you to review all Service Area-specific Coverage Access Rules for particular types of Services and In-Network Providers within the Service Area. These Service Area-specific Coverage Access Rules, if any, are set forth in the provider directory and may vary based on negotiated Provider contracts and other network factors specific to the Service Area.

Choosing a Primary Care Physician

The first and most important decision you must make when joining a health maintenance organization is the selection of a PCP. This decision is important since it is through this Provider that all other Covered Services, particularly those of Specialists, are coordinated. You are free to choose any PCP listed in our published list of PCPs whose practice is open to additional HMO patients. This choice should be made when you enroll. You are responsible for choosing a PCP for all minor Covered Dependents including a newborn child or an adopted newborn child. If you do not choose a PCP when enrolling, we will assign one to you and notify you of that assignment. The following important rules apply to your PCP relationship:

- Primary Care Physicians are trained to provide a broad range of medical care and can be a valuable resource to coordinate your overall health care needs. Developing and continuing a relationship with a PCP allows the Physician to become knowledgeable about your health history.
- A PCP can help you determine the need to visit a Specialist and also help you find one based on his or her knowledge of you and your specific health care needs.
- A PCP may specialize in internal medicine, family practice, general practice, or pediatrics. Also, a gynecologist or obstetrician/gynecologist may elect to contract with us as a Primary Care Physician.
- Care rendered by your PCP usually results in lower Cost Share for you.

The PCP you select maintains a Physician-patient relationship with you, and will be, except as specified by the Coverage Access Rules set forth in the provider directory, if any, responsible for helping to coordinate medical Services for you.

Both you and your PCP may request a change in the PCP assignment as discussed below:

1. You may request a transfer to another PCP whose practice is open to new HMO patients. The effective date of a transfer to the new PCP will depend upon when we receive your request. Requests may be made on our website at www.floridablue.com or by calling the number on the back of your ID card.
2. There are also times when a PCP, for good cause, may request that we assist you in choosing another PCP.
3. If your PCP terminates his or her contract with us or is unable to perform his or her duties or is on a leave of absence, we may help you choose another PCP or assign a new one for you.

Authorization Requirements

Many Services have to be authorized by us **before** the Services are rendered in order to be covered under this Booklet.

There may be times when Services are authorized, but only if received in a specific setting, such as an Ambulatory Surgical Center or Independent Diagnostic Testing Center. If the authorization includes a specific setting and you receive the Services in a different setting, such Services may be denied. For example, a procedure may be authorized only when performed in an Ambulatory Surgical Center. In this case, if you have the procedure done in a Hospital, the claim may be denied because the procedure was only authorized when performed in an Ambulatory Surgical Center.

In-Network Providers have agreed to obtain these authorizations for you; however, it is always a good idea to ask your Provider if he or she has obtained an authorization if one is required. Services that must be authorized by us in advance include, but are not limited to:

1. hospitalization, both inpatient and observation stays (except Emergency Services rendered for an Emergency Medical Condition, see the WHAT IS COVERED? section);
2. certain radiology Services, including advanced diagnostic imaging Services, such as CT scans, MRIs, MRAs and nuclear imaging;
3. Birth Center Services;
4. Services rendered in connection with Approved Clinical Trials;
5. Home Health Care;
6. certain Durable Medical Equipment;
7. Prosthetic Devices and Orthotic Devices;
8. Pain Management Services;
9. surgery (at all locations);
10. Services provided by Out-of-Network Providers;
11. all Services provided in a Skilled Nursing Facility;
12. certain injections and infusion therapy;
13. certain Provider-administered drugs (denoted with a special symbol in the Medication Guide);
14. Hospice Services; and
15. certain diagnostic Services.

Personal Case Management Program

The personal case management program focuses primarily on members who suffer from a catastrophic illness or injury. If you meet our case management guidelines, we may, in our sole discretion, assign a personal case manager to you to help you coordinate coverage, benefits or payment for Health Care Services you receive. Your participation in this program is completely voluntary.

Under the personal case management program, we may elect to offer alternative benefits or payment for cost-effective Health Care Services. These alternative benefits or payments may be made available by us on a case-by-case basis when you meet our case management criteria then in effect. Such alternative benefits or payments, if any, will be made available in accordance with a treatment plan with which you, or your representative, and your Physician agree to in writing.

The fact that we may offer to pay for, or that we have paid for certain Health Care Services under the personal case management program in no way obligates us to continue to provide or pay for the same or similar Services. Nothing contained in this section shall be deemed a waiver of our right to enforce this Booklet in strict accordance with its terms. The terms of this Booklet will continue to apply, except as specifically modified in writing by us in accordance with the personal case management program rules then in effect.

ELIGIBILITY FOR COVERAGE

Each employee or other individual who is eligible to participate in the Group Plan, and who meets and continues to meet our eligibility rules described in this Booklet, shall be entitled to apply for coverage with us. These eligibility rules are binding upon you and the Group. No changes in our eligibility rules will be permitted unless we have been notified of and have agreed in writing to any such change in advance. We may require acceptable documentation that an individual meets and continues to meet the eligibility requirements such as a court order naming the Covered Employee as the legal guardian or appropriate Adoption documentation described in the ENROLLMENT AND EFFECTIVE DATE OF COVERAGE section.

Employee Eligibility

In order to be eligible to enroll as a Covered Employee, an individual must be an Eligible Employee. An Eligible Employee must meet each of the following requirements:

1. the employee must maintain his or her primary residence in the Service Area or be regularly employed in the Service Area;
2. be a bona fide employee;
3. the employee's job must fall within a job classification identified on the Group Application;
4. completed any applicable Waiting Period identified on the Group Application; and
5. meets any additional eligibility requirements identified on the Group Application.

This Employee eligibility classification may be expanded to include:

1. retired employees;
2. additional job classifications;
3. employees of affiliated or subsidiary companies of the Group, provided such companies and the Group are under common control; and
4. other individuals as determined by us and the Group such as members of associations or labor unions.

Any expansion of the Employee eligibility class must be approved in writing by us and the Group prior to such expansion, and may be subject to different Rates.

Dependent Eligibility

An individual who meets the eligibility criteria specified below is an Eligible Dependent and is eligible to apply for coverage under this Booklet:

1. The Covered Employee's spouse under a legally valid existing marriage, who maintains his or her primary residence in the Service Area.
2. The Covered Employee's natural, newborn, Adopted, Foster or step child (or a child for whom the Covered Employee has been court-appointed as legal guardian or legal custodian) who has not

reached the end of the Calendar Year in which he or she reaches age 30 regardless of the dependent child's student or marital status, financial dependency on the covered parent, whether the dependent child resides with the covered parent, or whether the dependent child is eligible for or enrolled in any other health plan. A dependent child must maintain his or her primary residence in the Service Area only beginning with the Calendar Year following the year they reach age 26 to the end of the Calendar Year the dependent child reaches age 30;

3. The newborn child of a Covered Dependent child. Coverage for such newborn child will automatically terminate 18 months after the birth of the newborn child.

Note: It is your sole responsibility as the Covered Employee to establish that a child meets the eligibility rules. Eligibility will terminate at the end of the Calendar Year in which the child no longer meets the eligibility rules required to be an Eligible Dependent.

Handicapped Children

In the case of a handicapped dependent child, such child is eligible to continue coverage as a Covered Dependent, beyond the age of 30, if the child is:

1. otherwise eligible for coverage under the Group Plan;
2. incapable of self-sustaining employment by reason of mental retardation or physical handicap; and
3. chiefly dependent upon the Covered Employee for support and maintenance provided that the symptoms or causes of the child's handicap existed prior to the child's 30th birthday.

This eligibility will terminate on the last day of the month in which the dependent child no longer meets the requirements for extended eligibility as a handicapped child.

Other Rules Regarding Eligibility

1. No individual whose coverage with us has been terminated for cause (see the TERMINATION OF COVERAGE section) shall be eligible to re-enroll with us.
2. No person shall be refused enrollment or re-enrollment because of race, color, creed, marital status, gender, or age (except as provided in the Dependent Eligibility subsection).
3. The Covered Employee must notify us as soon as possible when a Covered Dependent is no longer eligible for coverage. If a Covered Dependent fails to continue to meet each of our eligibility requirements, and proper notification is not provided timely by the Covered Employee to us, we shall have the right to retroactively terminate the coverage of such Dependent to the date any such eligibility requirement was not met, and to recover an amount equal to the Allowed Amount for Services and/or supplies provided following such date less any Premium received by us for such Dependent for coverage after such date. Upon our request, the Covered Employee shall provide proof, which is acceptable to us, of a Covered Dependent's continuing eligibility for coverage.
4. If the Group offers an alternative health benefits plan for Medicare eligibles or retirees, and an individual elects to be covered under such plan, then such individual shall not be eligible for coverage under the Policy.

ENROLLMENT AND EFFECTIVE DATE OF COVERAGE

Eligible Employees and Eligible Dependents may enroll for coverage as described in this section. Any Eligible Employee or Eligible Dependent who is not properly enrolled with us will not be covered under this Booklet. We shall have no obligation whatsoever to any individual who is not properly enrolled.

General Rules for Enrollment

1. You may apply for coverage by completing an Enrollment Form and submitting it to the Group.
2. All factual representations on the Enrollment Forms must be accurate and complete. Any false, incomplete, or misleading information provided during enrollment, or at any time, may cause you to be disqualified for coverage and, in addition to any other legal right we may have, we may terminate or Rescind your coverage.
3. We will not provide coverage or benefits to any person who would not have been eligible to enroll with us, had accurate and complete information been provided to us on a timely basis. In such cases, we may require you or a person legally responsible for you, to repay us for any payments we made on your behalf.

How to Apply for Coverage

To apply for coverage, you as the Eligible Employee must:

1. complete the Enrollment Form and submit it to the Group;
2. provide any other information we may need to determine eligibility, at our request;
3. agree to pay your portion of the required Premium; and
4. to add Eligible Dependents or delete Covered Dependents, complete the Enrollment Form and submit it to the Group.

When applying for coverage, you must elect one of the types of coverage available under the Group's program. Such types may include:

Coverage Type	Provides Coverage for:
Employee Only	the Eligible Employee only
Employee / Spouse	the Eligible Employee and his or her spouse
Employee / Child(ren)	the Eligible Employee and children only
Employee / Family	the Eligible Employee, spouse and children

There may be an additional Premium charge for each Covered Dependent based on the coverage selected by the Group.

Enrollment Periods

There are only certain times during the year that you can enroll for coverage, these enrollment periods are as follows:

Initial Enrollment Period: this is the period of time when you are first eligible to enroll. It starts on the date you are first eligible and ends no less than 30 days later. This time can be when the Group first starts its Plan with us, or when an employee first becomes eligible for coverage under the Plan.

Annual Open Enrollment Period: this is the period of time (usually 30 days) when you have an opportunity to select coverage from the alternatives your Group offers in its health benefit program. This period takes place every year prior to the Anniversary Date.

Special Enrollment Period: this is the 30-day period of time immediately following a special event such as getting a new dependent or losing other coverage. During this time you may apply for coverage because of the special event. Special events are described in the Special Enrollment Period subsection of this section.

Initial Enrollment Period

1. If you are an Eligible Employee when the Group first obtains coverage with us; you must enroll (yourself and any Eligible Dependents) during the Initial Enrollment Period in order to become covered as of the Effective Date of the Group. In this case, the Effective Date of coverage for you and the dependents you enroll will be the same as the Group.
2. If you become an Eligible Employee after the Group has coverage with us (for example, newly-hired employees) you must enroll (yourself and any Eligible Dependents) before or within the Initial Enrollment Period and your Effective Date of coverage will begin on the date specified on the Group Application.

Annual Open Enrollment Period

If you did not apply for coverage during the Initial Enrollment Period or a Special Enrollment Period you may apply for coverage by completing an Enrollment Form during an Annual Open Enrollment Period. Your Effective Date of coverage will be the first billing date following the Annual Open Enrollment Period, or the date specified by the Group.

If you do not enroll or change your coverage selection during the Annual Open Enrollment Period, you must wait until the next Annual Open Enrollment Period to make any changes, unless a special event, as outlined in the Special Enrollment Period subsection of this section, occurs.

Special Enrollment Period

You may apply for coverage outside of the Initial Enrollment Period and Annual Enrollment Period as a result of a special enrollment event. To apply for coverage, you must complete an Enrollment Form and submit it to the Group within the time periods noted below for each special enrollment event.

If you declined coverage when it was first offered under this Group Plan and you stated in writing, that coverage under another group health plan or health insurance coverage was the reason for declining enrollment, you may apply for coverage if one of the following special enrollment events occurs and you

complete an Enrollment Form and submit it to the Group within time periods indicated in the chart that follows.

Special Enrollment Events

Loss of Coverage under...	Caused by...	Enrollment Form due to Group within...
a group health plan or COBRA	<ul style="list-style-type: none"> • Exhaustion of COBRA • termination of employment • reduction in the number of hours you work • reaching or exceeding the lifetime maximum of all benefits under other health coverage • the employer stopped offering group health coverage • death of your spouse • divorce or legal separation • employer contributions toward such coverage are terminated 	30 days of the date coverage was terminated
a Children's Health Insurance Program or Medicaid	<ul style="list-style-type: none"> • loss of eligibility for such coverage • becoming eligible for the optional state premium assistance program 	60 days of the date coverage was terminated
Adding Coverage...	<ul style="list-style-type: none"> • your marriage • your getting a new dependent through birth, Adoption or placement in anticipation of Adoption 	30 days of the date of the event

Your Effective Date of coverage will be the date of the special enrollment event. If you do not enroll or change your coverage during the Special Enrollment Period you must wait until the next Annual Open Enrollment Period.

Note: Loss of coverage for failure to pay your portion of the required Premium on a timely basis or for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the prior health coverage) is not a qualifying event for special enrollment.

Dependent Enrollment

An individual may be added upon becoming an Eligible Dependent of a Covered Employee. Below are special rules for certain Eligible Dependents.

Newborn Children – To enroll a newborn child who is an Eligible Dependent, the Covered Employee must complete an Enrollment Form and submit it to the Group. The Effective Date of coverage for a newborn child is usually the date of birth as long as you have enrolled the newborn child in time (as indicated below). We must be notified, in writing, when you are adding a newborn and the rules for Effective Date and Premiums charged for the newborn vary depending on when we receive this written notification. The chart that follows indicates these differences:

Newborn Enrollment

If we receive written notice within...	the Effective Date of the newborn will be...	Premium for the newborn child...
30 days after the date of birth	the date of birth	will not be charged for the first 30 days
31 to 60 days after the date of birth	the date of birth	will be charged from the date of birth
61 or more days* after the date of birth	the date of birth	will be charged from the date of birth

*This applies only if the Group **has not had** an Annual Open Enrollment Period since the baby was born. If we receive the written notice more than 60 days after the birth of the newborn child, and your Group **has had** an Annual Open Enrollment Period since the birth of the newborn, the child may not be added until the Group's next Annual Open Enrollment Period.

Additional Rules for Adopted Newborn Children

If an Adopted newborn's Effective Date of coverage is determined to be the date of birth (based on the above chart), a written agreement to Adopt such child must have been entered into by the Covered Employee prior to the birth of such child, whether or not such an agreement is enforceable. We may require the Covered Employee to provide any information and/or documents which we deem necessary in order to administer this provision. If the Adopted newborn child is not ultimately placed in your residence, there shall be no coverage for the Adopted newborn child. It is your responsibility as the Covered Employee to notify us within ten calendar days of the date that placement was to occur if the Adopted newborn child is not placed in your residence.

The guidelines above only apply to newborns born after the Effective Date of the Covered Employee. If a child is born before the Effective Date of the Covered Employee the newborn should be added during the Initial Enrollment Period.

Adopted/Foster Children: To enroll an Adopted child (other than a newborn child) or Foster Child, the Covered Employee must complete an Enrollment Form and submit it to the Group within 30 days after the date of placement and the Effective Date will be the date the Adopted or Foster Child is placed in the residence of the Covered Employee pursuant to Florida law. If timely notice is given, no additional Premium will be charged for coverage of the Adopted or Foster Child for the duration of the notice period (the 30-day period before the child was placed in your home). We may need you to provide additional information and/or documents deemed necessary by us in order to properly administer this provision.

If you have submitted the Enrollment Form to the Group on time, as discussed above, but we are not notified timely, the child will be added as of the date of placement so long as we receive the Enrollment Form within 60 days of the placement, and any applicable Premium is paid back to the date of placement. If we are not notified within 60 days of the date of placement, the Covered Employee must make application during an Annual Open Enrollment Period or Special Enrollment Period in order for the Adopted or Foster Child to be covered.

Adopted Children

For all children covered as Adopted children, if the final decree of Adoption is not issued, coverage shall not be continued for such Adopted Child. It is your responsibility as the Covered Employee to notify us if the Adoption does not take place. Upon receipt of this notification, we will terminate the coverage of the child on the Effective Date of the Adopted Child upon receipt of the written notice.

Foster Children

If the Covered Employee's status as a foster parent is terminated, coverage will end for any Foster Child. It is your responsibility as the Covered Employee to notify us in writing that the Foster Child is no longer in your care. Upon receipt of this notification, we will terminate the coverage of the child on the date provided by the Group on the first billing date following receipt of the written notice.

Marital Status: If the Covered Employee marries after his or her Effective Date, he or she may add the spouse who is an Eligible Dependent due to a legally valid marriage. The Covered Employee must complete an Enrollment Form and submit it to the Group within 30 days of the marriage and the Effective Date of coverage for the new spouse will be the date of the marriage.

Court Order: You, as the Covered Employee may add an Eligible Dependent outside of the Initial Enrollment Period and Annual Open Enrollment Period if a court has ordered coverage to be provided by you for a minor child under your plan. The Covered Employee must complete an Enrollment Form and submit it to the Group within 30 days of the court order and the Effective Date of coverage for an Eligible Dependent who is enrolled as a result of a court order will be the date required by the court or the next billing date.

Other Provisions

Rehired Employees

If you are rehired as an employee of the Group; you are considered a newly-hired employee for purposes of this section, unless the employer has indicated that the employee qualifies for the exception as described in the federal regulations. The provisions of the Policy, applicable to newly-hired employees and their Eligible Dependents if the employee does not qualify for the federal exception, such as Effective Dates of coverage and Waiting Periods will apply to you.

Premium Payments

In those instances where an individual is to be added to coverage (e.g., a new Eligible Employee or a new Eligible Dependent, including a newborn or Adopted child), that individual's coverage shall be effective, as described in this section, only if we receive the additional Premium payment within 30 days of the date we notified the Group of such amount. In no event shall an individual be covered under this Group Plan if we do not receive the Premium payment within such time period.

TERMINATION OF COVERAGE

Covered Employee

A Covered Employee's coverage will automatically terminate at 12:01 a.m.:

1. on the date the Policy terminates;
2. on the date the Covered Employee becomes covered under an alternative health benefits plan which is offered through or in connection with the Group;
3. on the last day of the first month that the Covered Employee no longer meets any of the applicable eligibility requirements;
4. on the date the Covered Employee's coverage is terminated for cause; or
5. on the date specified by the Group.

Covered Dependent

A Covered Dependent's coverage will automatically terminate at 12:01 a.m.:

1. on the date the Covered Employee's coverage terminates for any reason;
2. on the last day of the Calendar Year that the Covered Dependent no longer meets the eligibility requirements;
3. on the date we specify that the Covered Dependent's coverage is terminated by us for cause;
4. on the date specified by the Group.

If you as the Covered Employee wish to delete a Covered Dependent from coverage, you must complete an Enrollment Form and submit it to the Group. If you wish to delete your spouse from coverage, in the case of divorce for example, the Enrollment Form must be submitted before the termination date you are requesting, or within 10 days of the date the divorce is final, whichever is applicable.

Termination for Cause

If, in our opinion, any of the following events occur, we may terminate an individual's coverage for cause:

1. disruptive, unruly, abusive, unlawful, fraudulent or uncooperative behavior to the extent that your continued coverage with us impairs our ability to provide coverage and/or benefits or to arrange for the delivery of Health Care Services to you or any other Covered Person. Prior to terminating your coverage for any of the above reasons, we will:
 - a. make a reasonable effort to resolve the problem presented by you, including the use or attempted use of our Complaint and Grievance Process;
 - b. ascertain, to the extent possible, that your behavior is not related to the use of medical Services or mental illness; and

- c. document the problems encountered, efforts made to resolve the problems, and any of your medical conditions involved.
- 2. fraud, material misrepresentation or omission in applying for coverage or benefits;
- 3. you intentionally misrepresent, omit, or give false information on Enrollment Forms or other forms completed for us, by you or on your behalf;
- 4. misuse of the ID Card;
- 5. you no longer live or work in the Service Area; or
- 6. a Covered Dependent reaches the limiting age.

Any termination made under the provisions stated above is subject to review in accordance with the Complaint and Grievance Process described in this Booklet.

Note: Only fraudulent misstatements on the Enrollment Form may be used by us to void coverage or deny any claim for loss incurred or disability, if discovered after two years from your Effective Date.

Rescission of Coverage

We reserve the right to Rescind coverage under this Booklet for any individual covered under this Benefit Booklet as permitted by law.

We may only Rescind your coverage if you or another person on your behalf commits fraud or intentional misrepresentation of material fact in applying for coverage or benefits.

We will provide at least 45 days advance written notice to the Covered Employee of our intent to Rescind coverage.

Rescission of coverage is considered an Adverse Benefit Determination and is subject to the Adverse Benefit Determination review standards described in the CLAIMS PROCESSING section and the appeal procedures described in the COMPLAINT AND GRIEVANCE PROCESS sections.

Notice of Termination

It is the Group's responsibility to immediately notify you of termination of the Policy for any reason.

Our Responsibilities Upon Termination of Your Coverage

Upon termination of coverage for you or your Covered Dependents for any reason, we will have no further liability or responsibility with respect to such individual, except as otherwise specifically described in this Booklet.

CONTINUING COVERAGE

Introduction

This section describes the ways coverage can be continued after your termination date. We have divided this section into three subsections: Federal Continuation Provisions, Conversion Privilege and Extension of Benefits.

Federal Continuation of Coverage Law

A federal continuation of coverage law, known as the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, may apply to your Group; if so, you may be entitled to continue coverage for a limited period of time, if you meet the applicable requirements, make a timely election, and pay the proper amount required to maintain coverage.

You must contact your Group to determine if you are entitled to COBRA continuation of coverage. Your Group is solely responsible for meeting all of the obligations under COBRA, including the obligation to notify you of their rights under COBRA. If you or the Group do not meet your obligations under COBRA and this Policy, we shall not be liable for any claims incurred by you after your coverage terminates.

A summary of your COBRA rights and the general conditions for qualification for COBRA continuation coverage is provided below. This summary is not meant as a representation that any of the COBRA obligations of the Group are met by the purchase of the Policy; the duty to meet such obligations remains with the Group.

The following is a summary of what you may elect, if COBRA applies to your Group and you are eligible for such coverage:

1. You may elect to continue your coverage for a period not to exceed 18 months* in the case of:
 - a. termination of employment of the Covered Employee other than for gross misconduct; or
 - b. reduced hours of employment of the Covered Employee.

***Note:** You are eligible for an 11 month extension of the 18 month COBRA continuation option above (to a total of 29 months) if you are totally disabled, as defined by the Social Security Administration (SSA), at the time of your termination, reduction in hours or within the first 60 days of COBRA continuation coverage. You must supply notice of the disability determination to the Group within 18 months of becoming eligible for continuation coverage and no later than 60 days after the SSA's determination date.

2. Your Covered Dependents may elect to continue their coverage for a period not to exceed 36 months in the case of:
 - a. the Covered Employee's entitlement to Medicare;
 - b. divorce or legal separation from the Covered Employee;
 - c. death of the Covered Employee;
 - d. the employer files bankruptcy (subject to bankruptcy court approval); or

- e. a Covered Dependent child who ceases to be an Eligible Dependent under the terms of the Policy.

Children born to or placed for Adoption with the Covered Employee during the continuation coverage periods noted above are also eligible for the remainder of the continuation period.

If you are eligible to continue group health insurance coverage pursuant to COBRA, the following conditions must be met:

1. The Group must notify you of your continuation of coverage rights under COBRA within 14 days of the event that creates the continuation option. If coverage would be lost due to Medicare entitlement, divorce, legal separation or because a Covered Dependent child no longer meets eligibility requirements, you or your Covered Dependent must notify the Group, in writing, within 60 days of any of these events. The Group's 14-day notice requirement runs from the date of receipt of such notice.
2. You must elect to continue the coverage within 60 days of the later of:
 - a. the date that your coverage ends; or
 - b. the date the notification of continuation of coverage rights is sent by the Group.
3. COBRA coverage will end if you become covered under any other group health plan. However, COBRA coverage may continue if the new group health plan contains exclusions or limitations due to a Pre-existing Condition that would affect your coverage.
4. COBRA coverage will end if you become entitled to Medicare.
5. If you are totally disabled and eligible and elect to extend your continuation of coverage, you may not continue such extension of coverage more than 30 days after a determination by the SSA that you are no longer disabled. You must inform the Group of the SSA's determination within 30 days of such determination.
6. You must meet all Premium payment requirements and all other eligibility requirements described in COBRA, and, to the extent not inconsistent with COBRA, as described in the Policy.
7. The Group must continue to provide group health coverage to its employees, in order for COBRA continuation coverage to remain available to you.

An election by a Covered Employee or Covered Dependent spouse shall be deemed to be an election for any other qualified beneficiary related to that Covered Employee or Covered Dependent spouse, unless otherwise specified in the election form.

Note: This section shall not be interpreted to grant any continuation rights in excess of those required by COBRA and/or Section 4980B of the Internal Revenue Code. Additionally, the Policy shall be deemed to have been modified, and shall be interpreted, so as to comply with COBRA and changes to COBRA that are mandatory with respect to the Group.

Conversion Privilege

If your Group Plan has terminated you may apply for conversion to a non-group plan. HOI and the Group have no obligation to notify you of the conversion privilege. It is your sole responsibility to exercise this conversion privilege subject to the provisions set forth below.

Eligibility Criteria for Conversion

You are entitled to apply for a conversion contract for a non-group plan if:

1. you have been continuously covered under this Group Plan for at least three consecutive months; or
2. you were covered for at least three consecutive months under any other group policy providing similar benefits that this Group Plan immediately replaced; and
3. your coverage has been terminated for any reason, including discontinuance of this Group Plan in its entirety and termination of continued coverage under COBRA; and
4. you maintain your primary residence in the Service Area.

The conversion contract shall be issued without regard to health status or requirements for Health Care Services. **We must receive the completed conversion application and the applicable Premium payment within the 63-day period beginning on the date this Group Plan terminated.** If this Group Plan has been terminated due to the non-payment of Premium by the Group, we must receive the completed conversion application and the applicable Premium payment within the 63-day period beginning on the date notice was given to the Group that this Group Plan terminated.

In the event we do not receive the conversion application and the initial Premium payment within such 63-day period, your conversion application will be denied, and you will not be entitled to a conversion policy.

Conversion is not available if termination occurred for any of the following reasons:

1. you had not been continuously covered under the Group Plan for at least three months prior to termination;
2. failure to pay any required Premium unless such nonpayment was due to acts of an employer or person other than you;
3. Premiums required by us were not paid by you when due;
4. replacement of coverage by similar group coverage occurs within 31 days of termination;
5. fraud or intentional misrepresentation in applying for the Group Plan or for any Covered Services;
6. termination for cause as set forth in the TERMINATION OF COVERAGE subsection;
7. you have left the Service Area with the intent to relocate or to establish a new residence outside the Service Area; or
8. you are eligible for, or covered under, Medicare.

Additionally, conversion is not available:

1. if you are eligible for similar benefits, whether or not you are actually covered under any arrangement of coverage for individuals in a Group;

2. if you are covered by similar benefits by another hospital, surgical, medical or major medical expense insurance policy or hospital or medical Service insured contract or medical practice or other prepayment plan, or by any other plan or program;
3. if similar benefits are provided for or are available to you pursuant to or in accordance with the requirements of any state or federal law (e.g., COBRA); or
4. if the benefits provided or available to you, together with the benefits provided by us, would result in excess of coverage, as determined by us.

Conversion Coverage

The conversion contract issued to each individual who converts to non-group coverage shall include a level of benefits for "minimum Services" which is similar to the level of benefits for the Services included in this Booklet. For purposes of this section, the term "minimum Services" shall mean Services which include any of the following: emergency care, inpatient Hospital Services, Physician care, ambulatory diagnostic treatment, and preventive Health Care Services. Conversion coverage is not a continuation of the Group Plan. Benefits under such conversion coverage may differ from benefits under the Group Plan and any Endorsements attached thereto. Conversion coverage may continue in effect as long as you: (a) continue to meet all applicable eligibility requirements; (b) pay all applicable fees and charges; and (c) otherwise comply with all requirements under the conversion contract.

Effective Date of Conversion

The effective date of conversion coverage shall be the day following the termination of the Group Plan. However, until such time as coverage under the conversion contract becomes effective, you shall pay the Allowed Amount for any Covered Services rendered during the 63-day period immediately following termination of the Group Plan. In the event such conversion coverage becomes effective, you may request reimbursement from us for any payment for Covered Services. You must submit proof of payment to us in order to obtain reimbursement.

Extension of Benefits

If the Group Plan is terminated, coverage will end on the termination date. We will not provide coverage or benefits for any Covered Service received on or after the termination date, except as listed below. The extension of benefits described below only applies when the Group Plan is terminated, and the benefits provided under an extension of benefits are subject to all other terms included in this Booklet.

Note: You must provide proof that you are entitled to an extension of benefits.

Extension of Benefits

1. If you are pregnant on the termination date of the Group Plan, we will provide a limited extension of the maternity benefits, as long as the pregnancy started while you were covered by us. This extension of benefits is only for Covered Services necessary to treat the pregnancy and will automatically terminate on the date the child is born.
2. If you are totally disabled on the termination date of the Group Plan because of a specific accident or illness that happened while you were covered under the Group Plan, we will provide a limited extension of benefits for you only. This extension of benefits is only for Covered Services necessary to treat the disabling Condition. This extension of benefits will only continue as long as the disability

is continuous and uninterrupted; however, in any event, this extension of benefits will automatically terminate at the end of the 12-month period beginning on the termination date of the Group Plan.

Note: For purposes of this subsection, you will be considered totally disabled only if, in our opinion, you are unable to work at a job for which you have the education, training, or experience, and you continue to require regular care from a Physician for the disability. This applies, even if you are not working (e.g., a student, non-working spouse, or children), if you are unable to perform the normal day-to-day activities which you would otherwise be able to perform.

We are not required to provide an extension of benefits if you leave the Service Area with the intent to relocate or establish a new residence outside the Service Area; if you intentionally left out or provided false information on any Enrollment Form in order to obtain coverage or Covered Services; or if you were terminated for disruptive, unruly, abusive, unlawful, fraudulent or uncooperative behavior to the extent that your continued coverage with us impairs our ability to provide coverage and/or benefits or to arrange for the delivery of Health Care Services to you or any other Covered Person.

CLAIMS PROCESSING

Introduction

This section is intended to:

1. help you understand what your treating Providers must do, under the terms of this Booklet, in order to obtain payment for Covered Services that have been rendered or will be rendered to you; and
2. provide you with a general description of the procedures we will use for making Adverse Benefit Determinations, Concurrent Care Decisions and for notifying you when we deny benefits.

If the Group Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator (usually the employer) is solely responsible for complying with ERISA. While the benefit determination timeliness standards set forth in this section are generally consistent with ERISA, we are not legally responsible for notifying you of any rights you may have under ERISA. If you are not sure of your rights under ERISA, you should contact the plan administrator or an attorney of your choice. We will follow the claim determination procedures and notice requirements set forth in this section even if the Group Plan is not subject to ERISA.

Under no circumstances will we be held responsible for, nor will we accept liability relating to, the failure of the Group Plan's sponsor or plan administrator to: (1) comply with ERISA's disclosure requirements; (2) provide you with a Summary Plan Description (SPD) as that term is defined by ERISA; or (3) comply with any other legal requirements. You should contact the plan sponsor or administrator if you have questions relating to the Group Plan's SPD. We are not the Group Plan's sponsor or plan administrator. In most cases, a plan's sponsor or plan administrator is the employer who establishes and maintains the plan.

Types of Claims

For purposes of this Booklet, there are three types of claims: (1) Post-Service Claims; (2) Pre-Service Claims; and (3) Claims Involving Urgent Care. It is important that you become familiar with the types of claims that can be submitted to us and the timeframes and other requirements that apply.

Post-Service Claims

How to File a Post-Service Claim

Experience shows that the most common type of claim we will receive from you or your treating Providers will be Post-Service Claims.

In-Network Providers have agreed to file Post-Service Claims for Covered Services they render to you. If you receive a bill from an In-Network Provider, you should forward it to us. If you require Emergency Services from an Out-of-Network Provider while inside or outside the Service Area or, if we refer you to an Out-of-Network Provider, we will pay for Covered Services provided to you. If you receive a bill from an Out-of-Network Provider for Covered Services, you should forward it to us. We rely on the information you provide when processing a claim.

We must receive a Post-Service Claim within 90 days of the date the Covered Service was rendered or, if it was not reasonably possible to file within such 90-day period, as soon as possible. In any event, no Post-Service Claim will be considered for payment if we do not receive it at the address indicated on your Identification Card within one year of the date the Covered Service was rendered unless you are legally incapacitated.

For Post-Service Claims, we must receive an itemized statement containing the following information:

1. the date the Service was provided;
2. a description of the Service including any applicable procedure codes;
3. the amount actually charged by the Provider;
4. the diagnosis including any applicable diagnosis codes;
5. the Provider's name and address;
6. the name of the individual who received the Service; and
7. your name and contract number as they appear on the Identification Card.

Note: Please refer to the PRESCRIPTION DRUGS PROGRAM section for information on the processing of prescription drug claims. Further, special claims processing rules may apply for Health Care Services you receive outside the state of Florida under the BlueCard Program. (See the BLUECARD PROGRAM or AWAY FROM HOME CARE section.)

Processing Post-Service Claims

We will use our best efforts to pay, contest, or deny all Post-Service Claims for which we have all of the necessary information, as determined by us, within the timeframes described below.

Payment for Post-Service Claims

When payment is due under the terms of this Booklet, we will use our best efforts to pay (in whole or in part) for electronically submitted Post-Service Claims within 20 days of receipt. Likewise, we will use our best efforts to pay (in whole or in part) for paper Post-Service Claims within 40 days of receipt. You may receive notice of payment for paper claims within 30 days of receipt. If we are unable to determine whether the claim or a portion of the claim is payable because we need more information, we may contest or deny the claim within the timeframes set forth below.

Contested Post-Service Claims

In the event we contest an electronically submitted Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is contested. In the event we contest a paper Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 30 days of receipt, that the claim or a portion of the claim is contested. The notice may identify: (1) the contested portion or portions of the claim; (2) the reasons for contesting the claim or a portion of the claim; and (3) the date that we reasonably expect to notify you of the decision. The notice may also indicate whether more information is needed in order to complete processing of the claim. If we request additional information, we must receive it within 45 days of the request for the information. **If we do not receive the requested information, the claim or a portion of the claim will be processed based on the information in our possession at the time and may be**

denied. Upon receipt of the requested information, we will use our best efforts to complete the processing of the Post-Service Claim within 15 days of receipt of the information.

Denial of Post-Service Claims

In the event we deny a Post-Service Claim submitted electronically, we will use our best efforts to provide notice, within 20 days of receipt that the claim or a portion of the claim is denied. In the event we deny a paper Post-Service Claim, we will use our best efforts to provide notice, within 30 days of receipt of the claim, that the claim or a portion of the claim is denied. The notice may identify the denied portion(s) of the claim and the reasons for denial. It is your responsibility to ensure that we receive all information that we determine is necessary to process a Post-Service Claim. **If we do not receive the necessary information, the claim or a portion of the claim may be denied.**

A Post-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards in this section, and the appeal procedures described in the COMPLAINT AND GRIEVANCE PROCESS section.

In any event, we will use our best efforts to pay or deny all (1) electronic Post-Service Claims within 90 days of receipt of the completed claim; and (2) paper Post-Service Claims within 120 days of receipt of the completed claim. Claims processing shall be deemed to have been completed as of the date the notice of the claims decision is deposited in the mail by us or otherwise electronically transmitted. Any claims payment relating to a Post-Service Claim that is not made by us within the applicable timeframe is subject to the payment of simple interest at the rate established by the Florida Insurance Code.

Pre-Service Claims

How to file a Pre-Service Claim

This Booklet may condition coverage, benefits, or payment (in whole or in part) for a specific Covered Service, on the receipt by us of a Pre-Service Claim as that term is defined herein. In order to determine whether we must receive a Pre-Service Claim for a particular Covered Service, please refer to the COVERAGE ACCESS RULES section, the WHAT IS COVERED? section and other applicable sections of this Booklet. You may also call the customer service phone number on your Identification Card for assistance.

We are not required to render an opinion or make a coverage or benefit determination with respect to a Service that has not actually been provided to you unless the terms of this Booklet require approval by us (or condition payment) for the Service before it is received.

Benefit Determinations on Pre-Service Claims Involving Urgent Care

For a Pre-Service Claim Involving Urgent Care, we will use our best efforts to provide notice of the determination (whether adverse or not) as soon as possible, but not later than 72 hours after receipt of the Pre-Service Claim unless additional information is required for a coverage decision. If additional information is necessary to make a determination, we will use our best efforts to provide notice within 24 hours of: (1) the need for additional information; (2) the specific information that you or the Provider may need to provide; and (3) the date that we reasonably expect to provide notice of the decision. If we request additional information, we must receive it within 48 hours of the request. We will use our best efforts to provide notice of the decision on the Pre-Service Claim within 48 hours after the earlier of: (1)

receipt of the requested information; or (2) the end of the period you were afforded to provide the specified additional information as described above.

Benefit Determinations on Pre-Service Claims That Do Not Involve Urgent Care

We will use our best efforts to provide notice of a decision of a Pre-Service Claim not involving urgent care within 15 days of receipt provided additional information is not required for a coverage decision. This 15-day determination period may be extended by us one time for up to an additional 15 days. If such an extension is necessary, we will use our best efforts to provide notice of the extension and reasons for it. We will use our best efforts to provide notification of the decision on your Pre-Service Claim within a total of 30 days of the initial receipt of the claim, if an extension of time was taken by us.

If additional information is necessary to make a determination, we will use our best efforts to:

- (1) provide notice of the need for additional information, prior to the expiration of the initial 15-day period;
- (2) identify the specific information that you or your Provider may need to provide; and (3) inform you of the date that we reasonably expect to notify you of the decision. If we request additional information, we must receive it within 45 days of the request for the information. We will use our best efforts to provide notice of the decision on the Pre-Service Claim within 15 days of receipt of the requested information.

A Pre-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards in this section, and the appeal procedures described in the COMPLAINT AND GRIEVANCE PROCESS section.

Concurrent Care Decisions

Reduction or Termination of Coverage or Benefits for Covered Services

A reduction or termination of coverage or benefits for Covered Services will be considered an Adverse Benefit Determination when:

1. we have approved in writing coverage or benefits for an ongoing course of Covered Services to be provided over a period of time or a number of Covered Services to be rendered; and
2. the reduction or termination occurs before the end of such previously approved time or number of Covered Service(s); and
3. the reduction or termination of coverage or benefits by us was not due to an amendment to the Booklet or termination of your coverage as provided by this Booklet.

We will use our best efforts to notify you of such reduction or termination in advance so you will have a reasonable amount of time to have the reduction or termination reviewed in accordance with the COMPLAINT AND GRIEVANCE PROCESS described in this Booklet. In no event shall we be required to provide more than a reasonable period of time within which you may develop your appeal before we actually terminate or reduce coverage for the Covered Services.

Requests for Extension of Covered Services

Your Provider may request an extension of coverage or benefits for a Covered Service beyond the approved period of time or number of approved Covered Services. If the request for an extension is for a Claim Involving Urgent Care, we will use our best efforts to notify you of the approval or denial of such requested extension within 24 hours after receipt of the request, provided it is received at least 24 hours prior to the expiration of the previously approved number or length of coverage for such Covered Services. We will use our best efforts to notify you within 24 hours if: (1) we need additional information; or (2) you or your representative did not follow proper procedures in the request for an extension. If we request additional information, you will have 48 hours to provide the requested information. We may notify you orally or in writing, unless you or your representative specifically request that it be in writing. A denial of a request for an extension of Covered Services is considered an Adverse Benefit Determination and is subject to the Complaint and Grievance process described in this Booklet.

Adverse Benefit Determinations

Manner and Content of a Notification of an Adverse Benefit Determination

We will use our best efforts to provide notice of any Adverse Benefit Determination in writing. Notification of an Adverse Benefit Determination will include (or will be made available to you free of charge upon request):

1. the date the Service or supply was provided;
2. the Provider's name;
3. the dollar amount of the claim, if applicable;
4. the diagnosis codes included on the claim (e.g., ICD-9, DSM-IV), including a description of such codes;
5. the standardized procedure code included on the claim (e.g., Current Procedural Terminology), including a description of such codes;
6. the specific reason or reasons for the Adverse Benefit Determination, including any applicable denial code;
7. a reference to the specific Booklet provisions upon which the Adverse Benefit Determination is based, as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination;
8. a description of any additional information that might change the determination and why that information is necessary;
9. a description of the Adverse Benefit Determination review procedures and the time limits applicable to such procedures; and,
10. if the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational limitations and exclusions, a statement telling you how to obtain the specific explanation of the scientific or clinical judgment for the determination.

If the claim is a Claim Involving Urgent Care, we may notify you orally within the proper timeframes, provided we follow up with a written or electronic notification meeting the requirements of this subsection no later than three days after the oral notification.

Additional Claims Processing Provisions

Release of Information/Cooperation

In order to process claims, we may need certain information, including information regarding other health care coverage you may have. You must cooperate with us in our effort to obtain this information, including signing any release of information form at our request. If you do not fully cooperate with us we may deny the claim and we will have no liability for such claim.

Physical Examination

In order to make coverage and benefit decisions, we may, at our expense, require you to be examined by a Provider of our choice as often as is reasonably necessary while a claim is pending. If you do not fully cooperate with such examination we may deny the claim and we will have no liability for such claim.

Legal Actions

No legal action arising out of or in connection with coverage under this Booklet may be brought against us within the 60-day period following our receipt of the completed claim as required herein. Additionally, no such action may be brought after expiration of the applicable statute of limitations.

Fraud, Misrepresentation or Omission in Applying for Benefits

We rely on the information provided on the itemized statement when processing a claim. All such information, therefore, must be accurate, truthful and complete. Any fraudulent statement, omission or concealment of facts, misrepresentation, or incorrect information may result, in addition to any other legal remedy we may have, in denial of the claim or cancellation or Rescission of your coverage.

Communication of Claims Decisions

All claims decisions, including denial and review decisions, will be communicated to you in writing. This written correspondence may indicate:

1. The specific reason or reasons for the Adverse Benefit Determination.
2. Reference to the specific Booklet provisions upon which the Adverse Benefit Determination is based as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination.
3. A description of any additional information that would change the initial determination and why that information is necessary.
4. A description of the applicable Adverse Benefit Determination review procedures and the time limits applicable to such procedures.
5. If the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational exclusions, a statement telling you how you can obtain the specific explanation of the scientific or clinical judgment for the determination.

Circumstances Beyond Our Control

To the extent that natural disaster, war, riot, civil insurrection, epidemic, or other emergency or similar event not within our control, results in facilities, personnel or our financial resources being unable to process claims for Covered Services, we will have no liability or obligation for any delay in the payment of claims for Covered Services, except that we will make a good faith effort to make payment for such Covered Services, taking into account the impact of the event. For purposes of this paragraph, an event is not within our control if we cannot effectively exercise influence or dominion over its occurrence or non-occurrence.

COORDINATION OF BENEFITS

Coordination of Benefits

Coordination of Benefits is a limitation of coverage and/or benefits to be provided by HOI. It is designed to avoid duplication of payment for Covered Services and/or supplies. We shall coordinate payment of Covered Services to the maximum extent allowed by law provided you follow the Coverage Access Rules set forth in the COVERAGE ACCESS RULES section. Contracts which may be subject to Coordination of Benefits include, but are not limited to, the following which will be referred to as "plan(s)" for purposes of this section:

1. any group insurance, group-type self-insurance, or HMO plan;
2. any group contract issued by any Blue Cross and/or Blue Shield Plan(s);
3. any plan, program or insurance policy, including an automobile insurance policy, provided that any such non-group policy contains a coordination of benefits provision;
4. Medicare, as described in the Medicare Secondary Payer Provisions subsection; and
5. to the extent permitted by law, any other government sponsored health insurance program.

The amount of payment by us, if any, is based on whether or not we are the primary payer. When we are primary, we will provide Covered Services without regard to your coverage under other plans. When we are not primary, our payment may be reduced so that total benefits under all plans will not exceed 100 percent of the total reasonable expenses actually incurred for the Covered Services. In the event the Covered Services were rendered by an In-Network Provider, total reasonable expenses, for purposes of this section, shall be equal to the amount we are obligated to pay such In-Network Provider based on the Provider's contract.

The following rules shall be used to establish the order in which benefits under the respective plans will be determined:

1. This plan always pays secondary to any medical payment, personal injury protection (PIP) coverage or no-fault coverage under any automobile policy available to you.
2. When we cover you as a dependent and the other plan covers you as other than a dependent, we will be secondary.
3. When we cover you as a dependent child and your parents are married (not separated or divorced):
 - a. the plan of the parent whose birthday, month and day, falls earlier in the year will be primary;
 - b. if both parents have the same birthday, month and day, and the other plan has covered one of the parents longer than us, we will be secondary.
4. When we cover you as a dependent child whose parents are not married, or are separated or divorced:
 - a. if the parent with custody is not remarried, the plan of the parent with custody is primary;

- b. if the parent with custody has remarried, the plan of the parent with custody is primary; the step-parent's plan is secondary; and the plan of the parent without custody pays last;
 - c. regardless of which parent has custody, whenever a court decree specifies the parent who is financially responsible for the child's health care expenses, the plan of that parent is always primary.
- 5. When we cover you as a dependent child and the other plan covers you as a dependent child:
 - a. the plan of the parent who is neither laid off nor retired will be primary;
 - b. if the other plan is not subject to this rule, and if, as a result, such plan does not agree on the order of benefits, this paragraph shall not apply.
- 6. If you have continuation of coverage under COBRA as a result of the purchase of coverage as provided under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, and also under another group plan, the following order of benefits applies:
 - a. first, the plan covering the person as an employee, or as the employee's Dependent; and
 - b. second, the coverage purchased under the plan covering the person as a former employee, or as the former employee's Dependent provided according to the provisions of COBRA.
- 7. When rules 1 through 6 above do not establish an order of benefits, the plan which has covered the individual the longest shall be primary.
- 8. If the other plan does not have rules that establish the same order of benefits as under this Booklet, the benefits under the other plan will be determined primary to the benefits under this Booklet.

We will not coordinate benefits against an indemnity-type policy, an excess insurance policy, a policy with coverage limited to specified illnesses or accidents, or a Medicare Supplement policy.

Medicare Secondary Payer Provision

When you become covered under Medicare and are still eligible and covered under the Group Plan, your Group Plan will be primary and Medicare benefits will be secondary, but only to the extent required by law. In all other instances, your Group Plan will be secondary to any Medicare benefits. When your Group Plan is the primary payer, claims for Covered Services should be filed with us first.

If you become covered under Medicare and are still eligible and covered under the Group Plan, the Group MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to you. Also, the Group MAY NOT persuade you to decline or terminate your Group Plan coverage and elect Medicare as the primary payer.

When you turn 65 or become eligible for Medicare due to End Stage Renal Disease (ESRD), you must notify the Group.

Individuals With End Stage Renal Disease

If you become entitled to Medicare coverage because of ESRD, your Group Plan is primary for 30 months beginning with the earlier of:

1. the month in which you became entitled to Medicare Part A ESRD benefits; or
2. the first month in which you would have been entitled to Medicare Part A ESRD benefits if a timely application had been made.

If Medicare was already primary before ESRD, Medicare will remain primary. Also, if your Group Plan coverage was primary before ESRD entitlement, the Group Plan will remain primary for the ESRD coordination period. If you are eligible for Medicare due to ESRD, your Group Plan coverage is primary for 30 months.

Disabled Active Individuals

Your Group Plan coverage is primary, if:

1. your Group is a part of a health plan that has covered employees of at least one employer of 100 or more full-time or part-time employees on 50% or more of its regular business days during the previous Calendar Year; and
2. you are entitled to Medicare coverage because of disability (unless you have ESRD).

Primary coverage under the Group Plan is pursuant to the following terms:

1. your Group Plan coverage is primary during any month in which you are entitled to Medicare coverage because of disability;
2. your entitlement to primary coverage under this subsection will terminate automatically when:
 - a. you turn 65 years of age; or
 - b. you no longer qualify for Medicare coverage because of disability; or
 - c. you elect Medicare as the primary payer. Coverage will terminate as of the date of your election.

Under Medicare, the Group MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to you or induce you to decline or terminate your Group Plan coverage and elect Medicare as the primary payer.

3. Your entitlement to primary coverage under this subsection will terminate automatically if you no longer qualify under applicable Medicare regulations and instructions. The Group shall notify us, without delay, of any such change in status.

Miscellaneous

This section shall be changed, if necessary, to comply with federal statutory and regulatory Medicare Secondary Payer rules as they relate to Medicare beneficiaries who are covered under a Group Plan.

We will not be liable to the Group or anyone covered under the Group Plan due to any nonpayment of primary benefits that result from any failure of the Group's performance or obligations set forth in this section.

If we elect to make primary payments for Covered Services rendered to you as described in this section in a period prior to receipt of the information required by the terms of this section, we may require the Group to reimburse us for such payments. Or, we may require the Group to pay the rate difference that resulted from the Group's failure to provide us with the required information in a timely manner.

Facility of Payment

Whenever payments which should have been made by us are made by any other person, plan, or organization, we shall have the right, exercisable alone and in our sole discretion, to pay over to any such person, plan, or organization making such other payments, any amounts we shall determine to be required in order to satisfy our coverage obligations hereunder. Amounts so paid shall be deemed to be paid under the Policy and, to the extent of such payments, we shall be fully discharged from liability.

Non-Duplication of Government Programs

The benefits provided under this Booklet shall not duplicate any benefits to which you are entitled, or for which you are eligible, under governmental programs such as Medicare, Veterans Administration, TRICARE, or Workers' Compensation, to the extent allowed by law or any extension of benefits of coverage under a prior plan or program which may be required by law.

GENERAL PROVISIONS

Access to Information

We shall have the right to receive, from any health care Provider rendering Services to you, information that is reasonably necessary, as determined by us, in order to administer the coverage and/or benefits we provide, subject to all applicable confidentiality requirements set forth in this section. By accepting coverage in this Group plan, you authorize every health care Provider who renders Services or furnishes supplies to you, to disclose to us or to entities affiliated with us, upon request, all facts, records, and reports pertaining to your care, treatment, and physical or mental Condition, and to permit us to copy any such records and reports so obtained.

Amendment

The terms of coverage and benefits to be provided by us under the Group Plan may be amended at any time by us, without your consent or that of the Group or any other person, upon 30 days prior written notice to the Group. In the event the amendment is unacceptable to the Group, the Group may terminate the Group Plan upon at least ten days prior written notice to us. Any such amendment shall be without prejudice to claims filed with us prior to the date of such amendment. No agent or other person, except our duly authorized officer, has the authority to modify the terms of this Booklet, or to bind us in any manner not expressly set forth herein, including but not limited to the making of any promise or representation, or by giving or receiving any information. The terms of coverage and benefits to be provided by us under the Group Plan may not be amended by the Group unless such amendment is evidenced in writing and signed by a duly authorized representative of the Group and our duly authorized officer. The Group shall immediately notify each Covered Person of any such amendment or shall assist us in so notifying you at our request.

Assignment and Delegation

The obligations arising hereunder may not be assigned, delegated or otherwise transferred by either party without the written consent of the other party; provided, however that we may assign our coverage and/or benefit obligations to our successor in interest or an affiliated entity without the Group's consent, at any time. **Any assignment, delegation, or transfer made in violation of this provision shall be void.**

Care Profile Program – A Payer-Based Health Record Program

A care profile is available to treating Physicians for each person covered under this Group Plan. This care profile allows a secure, electronic view of specific claims information for Services rendered by Physicians, Hospitals, labs, pharmacies, and other health care Providers. Unless you have chosen to opt out, here are a few of the benefits of participation in the Care Profile Program:

1. All authorized treating Physicians will have a consolidated view – or history – of your Health Care Services, assisting them in improved decision-making in the delivery of health care.
2. In times of catastrophic events or Emergency Services, the care profile will be accessible from any location by authorized Physicians so that appropriate treatment and Service can still be delivered.

3. Safe and secure transmission of claim information. Only authorized health care Providers or authorized members of the Provider's staff will have access to your information.
4. Coordination of care among your authorized treating health care Providers.
5. More efficient health care delivery for you.

Keeping your health information private is extremely important, so your care profile will not include certain health information that pertains to "sensitive" medical conditions, for which the law provides special protection. Health care Providers access the care profile using the same secure, electronic channel they use to file claims. In addition, only authorized members of the Provider's staff will have access to the information. Remember, this will help your Physician in obtaining important information concerning your health history.

However, if for some reason you, or any of your family members, choose not to provide your treating Physician access to your claim history, the use of this information may be restricted. Should you choose not to participate call 800-FLA-BLUE and inform a service associate of your decision.

Changes in Premium

We may modify the Premium, without your consent upon at least 45 days prior notice to the Group. Payments submitted to us following receipt of any such notice of modification constitutes acceptance by the Group of any such modification.

Compliance with State and Federal Laws and Regulations

The terms of coverage and benefits to be provided by us under the Policy shall be deemed to have been modified by the parties, and shall be interpreted, so as to comply with applicable state or federal laws and regulations dealing with rates, benefits, eligibility, enrollment, termination, conversion, or other rights and duties of you, the Group, or us.

Confidentiality

Except as otherwise specifically provided herein the Group Plan, and except as may be required in order for us to administer coverage and/or benefits under the Group Plan, specific medical information concerning you received by/from a Provider shall be kept confidential by us. Such information shall not be disclosed to third parties without your written consent, except for use in connection with bona fide medical research and education, or as reasonably necessary in connection with the administration of coverage and/or benefits under the Group Plan, specifically including our quality assurance and utilization review activities. Additionally, we may disclose such information to entities affiliated with us. However, any documents or information which are properly subpoenaed in a judicial proceeding, or by order of a regulatory agency, shall not be subject to this provision.

Our financial arrangements with In-Network Providers may require that we release certain claims and medical information about you even if you have not sought treatment by or through that Provider. By accepting coverage, each Covered Person hereby authorizes us to release to In-Network Providers claims information, including related medical information, pertaining to the Covered Person, in order for the In-Network Provider to evaluate financial responsibility under their contracts with us.

Cooperation Required of Covered Persons

You must cooperate with us, and must execute and submit to us such consents, releases, assignments, and other documents as may be requested by us in order to administer, and exercise our rights under the Policy. Failure to do so may result in the denial of claims and will constitute grounds for termination for cause by us as described in the TERMINATION OF COVERAGE section.

Customer Rewards Program

From time to time, we may offer programs to you that reward you for following the terms of the program. We will tell you about any available rewards programs in general mailings, newsletters and/or on our website. Your participation in these programs is always completely voluntary and will in no way affect the coverage available to you under this Booklet. We reserve the right to offer rewards in excess of \$25 per year as well as the right to discontinue or modify any reward program features or promotional offers at any time without your consent.

ERISA

We are not the plan sponsor or plan administrator of your Group Plan, as defined by the Employee Retirement Income Security Act (ERISA). If the Group Plan under which you are covered is subject to ERISA, the Group, as either plan sponsor or plan administrator of an employee welfare benefit plan subject to ERISA, is responsible for ensuring compliance with ERISA.

Evidence of Coverage

You have been provided with this Booklet and an Identification Card as evidence of coverage under the Policy issued by us to the Group.

Florida Agency for Health Care Administration (AHCA) Performance Data

The performance outcome and financial data published by AHCA, per Florida Statutes, or any successor statute, located at www.floridahealthfinder.gov, may be accessed through the link provided on the Blue Cross and Blue Shield of Florida corporate website at www.FloridaBlue.com.

Governing Law

The terms of coverage and benefits to be provided hereunder and the rights of the parties hereunder shall be construed in accordance with the laws of the state of Florida and/or the United States, when applicable.

Identification Cards

The Identification Cards issued to you in no way create, or serve to verify eligibility to receive coverage and benefits under this Booklet. ID cards are our property and must be destroyed or returned to us immediately following termination of your coverage.

Modification of Provider Network

Our Provider network is subject to change at any time without prior notice to, or approval of, you or the Group. Additionally, we may, at any time, terminate or modify the terms of any Provider contract and may enter into additional Provider contracts without prior notice to, or approval of, you or the Group. It is your responsibility to determine whether a health care Provider is an In-Network Provider at the time Services are rendered. Under this Booklet, your financial responsibility may vary depending on a Provider's participation status.

Non-Waiver of Defaults

Any failure by us at any time, or from time to time, to enforce or to require the strict adherence to any of the terms or conditions set forth herein, shall in no event constitute a waiver of any such terms or conditions. Further, it shall not affect our right at any time to enforce or avail ourselves of any such remedies as we may be entitled to under applicable law, the Policy or this Booklet.

Notices

Any notice required or permitted hereunder will be deemed given if hand delivered or if mailed by United States Mail, postage prepaid, and addressed as set forth below. Such notice shall be deemed effective as of the date delivered or so deposited in the mail.

If to us:

To the address printed on the Group Application or the Identification Card.

If to you:

If to Group:

To the address indicated on the Group Application.

Our Obligations Upon Termination

Upon termination of your coverage for any reason, we shall have no further liability or responsibility under the Policy with respect to you, except as specifically set forth herein.

Promissory Estoppel

No oral statements, representations, or understanding by any person can change, alter, delete, add, or otherwise modify the express written terms of this Booklet.

Relationships Between the Parties

HOI and Health Care Providers

Neither HOI nor any of its officers, directors or employees provide health care Services to you. By accepting this coverage and benefits, you agree that health care Providers rendering Health Care Services are not our employees or agents. **In this regard, we hereby expressly disclaim any agency**

relationship, actual or implied, with any health care Provider. We do not, by virtue of making coverage, benefit, and payment decisions, exercise any control or direction over the medical judgment or clinical decisions of any health care Provider. Any decisions made by us concerning appropriateness of setting, or whether any Service is Medically Necessary, shall be deemed to be made solely for the purpose of determining whether such Services are covered, and not for the purpose of recommending any treatment or non-treatment. Neither HOI nor the Group will assume liability for any loss or damage arising as a result of acts or omissions of any health care Provider.

HOI and the Group

Neither the Group nor any Covered Person is our agent or representative, and neither shall be liable for any acts or omissions of HOI, its agents, servants, or employees. Additionally, neither the Group, any Covered Person, nor HOI shall be liable, whether in tort or contract or otherwise, for any acts or omissions of any other person or organization with which HOI has made or hereafter makes arrangements for the provision of Covered Services. HOI is not the agent, servant, or representative of the Group or any Covered Person, and shall not be liable for any acts or omissions of the Group, its agents, servants, employees, any Covered Person, or any person or organization with which the Group has entered into any agreement or arrangement. By acceptance of coverage and benefits hereunder, you agree to the foregoing.

You and In-Network Providers

The relationship between you and In-Network Providers shall be that of a health care Provider-patient relationship, in accordance with any applicable professional and ethical standards.

Right of Recovery

Whenever we have made payments in excess of the maximum provided for under this Booklet, we will have the right to recover any such payments, to the extent of such excess, from you or any other person, plan, or organization that received such payments.

Subrogation and Right of Reimbursement

As used herein, the term "Third Party," means any party that is, or may be, or is claimed to be responsible for illness or injuries to you. Such illness or injuries are referred to as "Third Party Injuries." "Third Party" includes any party responsible for payment of expenses associated with the care or treatment of Third Party Injuries.

If benefits are paid under this Contract for expenses incurred due to Third Party Injuries, then we retain the right to repayment of the full cost of all benefits provided under this Contract on your behalf that are associated with the Third Party Injuries. Our subrogation and reimbursement rights of recovery apply to any claim or potential claim made by you or on your behalf from the following sources, including but not limited to:

- Payments made by a Third Party or any insurance company on behalf of the Third Party;
- Any payments or awards under an uninsured or underinsured motorist coverage policy;
- Any Workers' Compensation or disability award or settlement;

- Medical payments coverage under any automobile policy, premises or homeowners' medical payments coverage or premises or homeowners' insurance coverage; and
- Any other payments from a source intended to compensate you for injuries resulting from an accident or alleged negligence.

By accepting benefits under this Contract, you specifically acknowledge our right of subrogation. In the event you suffer injuries for which a Third Party is responsible (such as someone injuring you in an accident), and we pay benefits under this Contract as a result of those injuries, we will be subrogated and succeed to the right of recovery against such Third Party to the extent of the benefits we have paid. This means that we have the right, independently of you, to proceed against the Third Party responsible for your injuries to recover the benefits we have paid. In order to secure our recovery rights, you agree to assign to us any benefits or claims or rights of recovery you have under any automobile policy or other coverage, to the full extent of our subrogation and reimbursement claims. This assignment allows us to pursue any claim you may have, whether or not you choose to pursue the claim.

By accepting benefits under this Contract, you also specifically acknowledge our right of reimbursement. This right of reimbursement attaches when we have paid health care benefits for expenses incurred due to Third Party Injuries and you or your representative has recovered any amounts from a Third Party. By providing any benefit under this Contract, we are granted an assignment of the proceeds of any settlement, judgment or other payment received by you to the extent of the full cost of all benefits provided under this Contract. Our right of reimbursement is cumulative with and not exclusive of our subrogation right and we may choose to exercise either or both rights of recovery.

By accepting benefits under this Contract, you or your representatives further agree to:

- Notify us promptly and in writing when notice is given to any party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to Third Party Injuries sustained by you;
- Cooperate with us and do whatever is necessary to secure our right of subrogation and reimbursement under this Contract;
- Give us a first-priority lien on any recovery, settlement, or judgment or other source of compensation which may be had from any party to the extent of the full cost of all benefits associated with Third Party Injuries provided under this Contract (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement);
- Pay, as the first priority, from any recovery, settlement, judgment, or other source of compensation, any and all amounts due to us as reimbursement for the full cost of all benefits associated with Third Party Injuries paid under this Contract (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement), unless otherwise agreed to by us in writing;
- Do nothing to prejudice our rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits paid under this Contract; and
- Serve as a constructive trustee for the benefits under this Contract over any settlement.

We may recover the full cost of all benefits paid by us under this Contract without regard to any claim of fault on your part, whether by comparative negligence or otherwise. In the event you or your representative fails to cooperate with us, you shall be responsible for all benefits provided by us under this Contract in addition to costs and attorney's fees incurred by us in obtaining repayment.

Right to Receive and Release Necessary Information

In order to administer coverage and benefits, we may, without the consent of or notice to any person, plan, or organization, release to or obtain from any person, plan, or organization any information with respect to any person covered under this Booklet or an applicant for enrollment which we deem to be necessary.

Third Party Beneficiary

The Policy under which this Booklet was issued was entered into solely and specifically for the benefit of us and the Group. The terms and provisions of the Policy shall be binding solely upon, and inure solely to the benefit of, us and the Group, and no other person shall have any rights, interest or claims thereunder, or under this Booklet, or be entitled to sue for a breach thereof as a third-party beneficiary or otherwise. We and the Group hereby specifically express our intent that Providers that have not entered into contracts with us to participate in our Provider networks shall not be third-party beneficiaries under the Policy or this Booklet.

COMPLAINT AND GRIEVANCE PROCESS

Introduction

We have established a process for reviewing your Complaints and Grievances. The purpose of this process is to facilitate review of, among other things, your dissatisfaction with us, our administrative practices, coverage, benefit or payment decisions, or with the administrative practices and/or the quality of care provided by any independent In-Network Provider. The Complaint and Grievance Process also permits you or your Physician, or a person acting on your behalf, to expedite our review of certain types of Grievances. The process described in this section must be followed if you have a Complaint or Grievance.

Informal Review

We encourage you to first attempt the informal resolution of any dissatisfaction by calling us. To advise us of a Complaint, you should first contact our customer service department, at the phone number listed on your ID Card. A service associate, working with appropriate personnel, will review the Complaint within a reasonable time after its submission and attempt to resolve it to your satisfaction. You must provide all of the facts relevant to the Complaint to the service associate. If you do not provide all requested or relevant information it may delay our review of the Complaint. Consequently, you must cooperate with us in our review of the matter.

If you remain dissatisfied with our resolution of the Complaint, you may submit a Grievance in accordance with the Formal Review subsection below.

Formal Review

You, a Provider who has been directly involved in your treatment or diagnosis acting on your behalf, a state agency, or another person designated in writing by you, may submit a Grievance.

In order to begin the formal review process, you may fill out a pre-printed form, write a letter or meet with us in person to explain the facts and circumstances relating to the Grievance. You should provide as much detail as possible and attach copies of any relevant documentation. You are not required to use our form, however, we strongly urge you to use this form, as it was designed to help facilitate logging, identification, processing, and tracking of the Grievance through the review process. Written requests for formal review must be sent to the address listed in the Telephone Numbers and Addresses subsection.

If you need assistance in preparing your Grievance, you may contact us for assistance. If you are hearing impaired you may contact us via TTY/TDD.

Review of Grievances Involving Adverse Benefit Determination

A Grievance involving an Adverse Benefit Determination will be reviewed using the process described below. The Grievance must be submitted to us in writing for an internal Grievance within 365 days of the original Adverse Benefit Determination, except in the case of Concurrent Care Decisions which may, depending upon the circumstances, require you to file within a shorter period of time from notice of the denial. The following guidelines are applicable to reviews of Adverse Benefit Determinations:

1. You must cooperate fully with us in our effort to promptly review and resolve a Complaint or Grievance. In the event you do not fully cooperate with us, you will be deemed to have waived your right to have the Complaint or Grievance processed within the time frames set forth in this section.
2. We will offer to meet with you if you believe that such a meeting will help us resolve the Complaint or Grievance to your satisfaction, you may also initiate a request for such meeting by notifying us. You may elect to meet with us in person, by telephone conference call, or by video-conferencing (if facilities are available). We will not pay for your travel or lodging in connection with any such meeting. Appropriate arrangements will be made to allow telephone conferencing or video conferencing to be held at our administrative offices within the Service Area. We will make these telephone or video arrangements with no additional charge to you.
3. You, or a Provider or a person acting on your behalf, must specifically request an expedited review. The Expedited Review process only applies to Pre-Service Claims or requests for extension of Concurrent Care Services made within 24 hours before the authorization for such Services expires. An expedited review will not be accepted for an Adverse Benefit Determination on a Post-Service Claim.
4. You may review pertinent documents upon request and free of charge, such as any internal rule, guideline, protocol, or similar criterion relied upon to make the determination, and submit issues or comments in writing.
5. If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service or the Experimental or Investigational exclusion, you may request an explanation of the scientific or clinical judgment relied upon, if any, for the determination, that applies the terms of this Booklet to your medical circumstances. This information is provided free of charge.
6. During the review process, the Services in question will be reviewed without regard to the decision reached in the initial determination.
7. We may consult with appropriate Physicians in the same or similar specialty as typically manages the Condition, procedure, or treatment under review, as necessary.
8. Any independent medical consultant who reviews the Adverse Benefit Determination on our behalf will be identified upon request.
9. If the claim is a Claim Involving Urgent Care, you may request an expedited review orally or in writing in which case all necessary information on review may be transmitted between you and us by telephone, facsimile or other available expeditious method. You may call our expedited phone line at the number listed at the end of this section.
10. If your request for expedited review arises out of a concurrent review determination by us that a continued hospitalization is not Medically Necessary, coverage for the hospitalization will continue until you have been notified of the determination.

11. If you wish to give someone else permission to file a Grievance for an Adverse Benefit Determination on your behalf, we must receive a completed Appointment of Representative form signed by you indicating the name of the person who will represent you with respect to the Grievance. An Appointment of Representative form is not required if the Physician is requesting review of an Adverse Benefit Determination relating to a Claim Involving Urgent Care. Appointment of Representative forms are available at www.floridablue.com or by calling the customer service phone number on your ID Card.
12. The Internal Review Panel will review the Grievance and may make a decision based on medical records, additional information, and input from health care professionals in the same or similar specialty as typically manages the Condition, procedure or treatment under review.
13. We will advise you of all Grievance decisions in writing, as outlined in the Timing of Our Grievance Review on Adverse Benefit Determinations subsection.
14. We will provide written confirmation of our decision concerning a Claim Involving Urgent Care within two working days or three calendar days, whichever is less, after providing notification of that decision.
15. If you are not satisfied with our decision, you have the right to an independent external review through an external review organization for certain Grievances, as described in the External Review subsection below.
16. The panel that reviews Grievances is composed of individuals who did not participate in the previous decision, nor are they subordinates of such individual(s).
17. You may, but are not required to, present evidence and testimony during the Grievance process.

Timing of Our Grievance Review on Adverse Benefit Determinations

We will use our best efforts to review Grievances of Adverse Benefit Determinations and communicate the decision in accordance with the following time frames:

1. Pre-Service Claims: within 30 days of our receipt of the Grievance;
2. Post-Service Claims: within 60 days of our receipt of the Grievance; or
3. Claims Involving Urgent Care (and requests to extend concurrent care Services made within 24 hours prior to the termination of the Services): within 72 hours of our receipt of the request.

Note: The nature of a claim for Services (i.e. whether it is “urgent care” or not) is judged as of the time of the benefit determination on review, not as of the time the Service was initially reviewed or provided.

ERISA Civil Action Provision

A federal law known as the Employee Retirement Security Act of 1974 (ERISA), as amended, may apply to the Group Plan. If ERISA applies to the Group Plan, you are entitled, after exhaustion of the procedures described in this section, to pursue civil action under Section 502(a) of ERISA in connection with an Adverse Benefit Determination or any other legal or equitable remedy otherwise available.

External Review

If we have denied your request for payment of a claim and our decision involved a medical judgment including, but not limited to, a decision based on Medical Necessity, appropriateness, health care setting, level of care or effectiveness of the Health Care Service or treatment you requested or a determination that the treatment is Experimental or Investigational, you are entitled to request an independent, external review of our decision. Your request will be reviewed by an independent third party with clinical and legal expertise ("External Reviewer") who has no association with us. If you have any questions or concerns during the external review process, please contact us at the phone number listed on your ID Card or visit www.floridablue.com. You may submit additional written comments to the External Reviewer. A letter with the mailing address will be sent to you when you file an external review. Please note that if you provide any additional information during the external review process it will be shared with us in order to give us the opportunity to reconsider the denial. Submit your request in writing on the External Review Request form within four months after receipt of your denial to the below address:

Florida Blue HMO

Attention: Member External Reviews DCC9-5
Post Office Box 44197
Jacksonville, FL 32231-4197

If you have a medical Condition where the timeframe for completion of a standard external review would seriously jeopardize your life, health or ability to regain maximum function, you may file a request for an expedited external review. Generally, an urgent situation is one in which your health may be in serious jeopardy, or in the opinion of your Physician, you may experience pain that cannot be adequately controlled while you wait for a decision on the external review of your claim. Moreover, expedited external reviews may be requested for an admission, availability of care, continued stay or Health Care Service for which you received Emergency Services, but have not been discharged from a facility. Please be sure your treating Physician completes the appropriate form to initiate this request type. If you have any questions or concerns during the external review process, please contact us at the phone number listed on your ID Card or visit www.floridablue.com. You may submit additional written comments to the External Reviewer. A letter with the mailing address will be sent to you when you file an external review. IMPORTANT INFORMATION FOR YOU

What is an HMO?

A health maintenance organization (HMO) is an alternative health care financing and/or delivery organization that either provides directly, or through arrangements made with other persons or entities, comprehensive health care coverage and benefits or services, or both, in exchange for a prepaid per capita or prepaid aggregate fixed sum.

While some HMOs are similar, not all HMOs operate or are organized in the same way. For example, an HMO can be organized and operate as a staff model, a group model, an IPA model or a network model.

Types of HMOs

Staff and Group Model HMOs

In a staff model HMO, the doctors and other Providers rendering care are usually salaried employees of the HMO and generally provide care in a clinic setting rather than in their own personal offices. Group model HMOs, on the other hand, contract with large medical group practices to provide or arrange for most Health Care Services. Typically, the doctors in the medical groups own the HMO. In both these models, the HMO's doctors and other providers typically do not see patients covered by other third party payers or managed care organizations.

IPA Model HMOs

In an IPA model HMO, the HMO typically contracts with individual, independent doctors and/or a Physician organization, which may, in turn, contract services with additional doctors and Providers. Unlike the staff or group model HMOs, the IPA model HMO does not provide Health Care Services itself. Instead, it pays independent, qualified Providers to render health care to its members. The doctors in an IPA model HMO are not the agents or employees of the HMO; they typically practice in their own personal offices, and continue to see patients covered by other third party payers or managed care organizations.

Note: This description is not intended to be an exhaustive listing of all HMO organization models in use in the United States.

Health Options is an IPA Model HMO. **It is not a staff or group model HMO.** This means that the doctors and other Providers with whom we contract are independent contractors and not the employees or agents, actual or ostensible, of Health Options. Rather these independent doctors and Providers typically continue to see their own patients in their own personal offices or facilities and continue to see patients covered by other third party payers or managed care organizations.

Disclosure of Continuing Care Facility Resident/Retirement Facility Resident Rights

If, at the time of enrollment you are a resident of a continuing care facility certified under Chapter 651, Florida Statutes, or a retirement facility consisting of a nursing home or assisted living facility and residential apartments, your PCP must refer you to that facility's skilled nursing unit or assisted living facility if:

1. you request it and the facility agrees;
2. your PCP finds that such care is Medically Necessary;
3. the facility agrees to be reimbursed at the same contracted rate as similar Providers for the same Covered Services and supplies; and
4. the facility meets all guidelines established by us related to quality of care, utilization, referral authorization, risk assumption, use of our Provider network, and other criteria applicable to Providers under contract with us for the same Services.

If your request to be referred to the skilled nursing unit or assisted living facility that is part of your place of residence is not honored, you have the right to initiate a Complaint or Grievance under the process described in this Booklet.

Statement on Advance Directives

The following information is provided in accordance with the Patient Self-Determination Act to advise you of your rights under Florida law to make decisions concerning your medical care, including your right to accept or refuse medical or surgical treatment, the right to prepare an advance directive, and explain our policy on advance directives. The information is general and is not intended as legal advice for specific needs. You are encouraged to consult with your attorney for specific advice.

Florida law recognizes your right as a competent adult to make an advance directive instructing your Physician to provide, withhold, or withdraw life-prolonging procedures, or to name someone to make treatment decisions for you in the event that you are found to be incompetent and suffering from a terminal Condition. Advance directives provide patients with a way to direct the course of their medical treatment even after they are no longer able to consciously participate in making their own health care decisions.

An "advance directive" is a witnessed oral or written statement which indicates your choices and preferences with respect to medical care made by you while you are still competent. An advance directive can address such issues as whether to provide any and all health care, including extraordinary life-prolonging procedures, whether to apply for Medicare, Medicaid or other health benefits, and with whom the health care Provider should consult in making treatment decisions.

There are three types of documents recognized in Florida that are commonly used to express an individual's advance directives: a Living Will, a Health Care Surrogate Designation and a Durable Power of Attorney for Health Care.

A Living Will is a declaration of a person's desire that life-prolonging procedures be provided, withheld, or withdrawn in the event that the person is suffering from a terminal Condition and is not able to express his or her wishes. It does not become effective until the patient's Physician and one other Physician determine that the patient suffers from a terminal Condition and is incapable of making decisions.

Another common form of advance directive is the Health Care Surrogate Designation. When properly executed, a Health Care Surrogate Designation grants authority for the surrogate to make health care decisions on behalf of the patient in accordance with the patient's wishes. The surrogate's authority to make decisions is limited to the time when the patient is incapacitated and must be in accordance with what the patient would want if the patient was able to communicate his or her wishes. While there are some decisions the surrogate cannot make, by law, such as consent to abortion or electroshock therapy, any specific limits on the surrogate's power to make decisions should be clearly expressed in the Health Care Surrogate Designation document.

Finally, there is the Durable Power of Attorney for Health Care. This document, when properly executed, designates a person as the individual's attorney-in-fact to arrange for and consent to medical, therapeutic, and surgical procedures for the individual. This type of advance directive can relate to any medical Condition.

A suggested form of Living Will and Designation of Health Care Surrogate is contained in Chapter 765 of the Florida Statutes. There is no requirement that you have an advance directive and your health care Provider cannot condition treatment on whether or not you have one. Florida law provides that, when there is no advance directive, the following persons are authorized, in order of priority, to make health care decisions on behalf of the patient:

1. a judicially appointed guardian;
2. a spouse;
3. an adult child or a majority of the adult children who are reasonably available for consultation;
4. a parent;
5. siblings who are reasonably available for consultation;
6. an adult relative who has exhibited special care or concern, maintained regular contact, and is familiar with the person's activities, health and religious or moral beliefs;
7. a close friend who is an adult, has exhibited special care and concern for the person, and who gives the health care facility or the person's attending Physician an affidavit stating that he or she is a friend of the person who is willing to become involved in making health care decisions for that person and has had regular contact with the individual so as to be familiar with the person's activities, health, religious and moral beliefs.

Deciding whether to have an advance medical directive, and if so, the type and scope of the directive, is a complex understanding. It may be helpful for you to discuss advance directives with your spouse, family, friends, religious or spiritual advisor or attorney. The goal in creating an advance directive should be for a person to clearly state his or her wishes and ensure that the health care facility, Physician and whomever else will be faced with the task of carrying out those wishes knows what you would want.

It is our policy to recognize your right to make health care treatment decisions in accordance with your own personal beliefs. You have a right to decide whether or not to execute an advance directive to guide treatment decisions in the event you become unable to do so. We will not interfere with your decision. It is your responsibility to provide notification to your Providers that an advance directive exists. If you have a written advance directive, we recommend that you furnish your Providers with a copy so that it can be made a part of your medical record.

Florida law does not require a health care Provider or facility to commit any act which is contrary to the Provider's or facility's moral or ethical beliefs concerning life-prolonging procedures. If a Provider or facility in our network, due to an objection on the basis of conscience, would not implement your advance directive, you may request treatment from another Provider or facility.

Our Providers have varying practices regarding the implementation of an individual's advance directive, in accordance with state law. Therefore, we recommend that you have discussions about advance directives with your medical care givers, family members and other friends and advisors. Your Physician should be involved in the discussion and informed clearly and specifically of any decisions reached. Those decisions need to be revisited in light of the passage of time or changes in your medical Condition or environment.

Complaints concerning noncompliance with advance directives may be submitted to the following address:

Agency for Health Care Administration
Bureau of Managed Health Care
Building 1, Room 311
2727 Mahan Drive
Tallahassee, Florida 32308

We hope this information has been helpful to your understanding of your rights under the Patient Self-Determination Act and Florida law.

AWAY FROM HOME CARE®

Away From Home Care (AFHC) Guest Membership is an out-of-area program sponsored by the Blue Cross Blue Shield Association (BCBSA). AFHC is available to individuals covered by a participating Blue-sponsored HMO when the program's requirements are met. Guest Membership is defined as a courtesy membership for individuals who are temporarily residing outside of their Home HMO service area. Health Options, Inc. (HOI) is your Home HMO.

Under AFHC, you receive a courtesy enrollment in a participating Host HMO and have access to a comprehensive range of benefits, including routine and preventive Services. You will receive the benefits of the Host HMO plan while in that HMO Plan's service area. You remain a Member of your Home HMO and are entitled to payment for Covered Services not payable under your AFHC Guest Membership under the terms of this Booklet. Under the AFHC Program, Premium continues to be paid to the Home HMO. Should your coverage with your Home HMO terminate, you will no longer be eligible for AFHC coverage, and if you are then in this program your AFHC coverage will also be terminated.

The Host HMO pays the Provider the lowest available rate on a fee-for-service basis and then bills the Home HMO for reimbursement. You pay any applicable Cost Share amounts to the Provider in the Host Plan's service area at the time of Service.

Guest Application

You must complete an AFHC Guest Application with the Home HMO, and then work with the Host HMO to locate a PCP in the Host Plan's service area. The AFHC Guest Application form is used to verify your eligibility and to provide the appropriate information for billing and reimbursement.

Guest Membership Types

The types of Guest Memberships are based on your eligibility and the length of time that you will be out of the Home HMO service area. The three types of Guest Memberships are as follows:

Long-Term Traveler

This Guest Membership is available to Covered Persons that are away from home for at least 90 consecutive days (three months) but not more than 180 days (six months).

This Guest Membership is typically used for long-term work assignments or for a retiree with a dual residence. Home HMOs may limit the number of Long-Term Traveler Guest Memberships to two per year.

Families Apart

The Families Apart Guest Membership is available to Covered Dependents that do not reside in the Home HMO service area for 90 or more consecutive days. A Covered Employee is not eligible for this type of Guest Membership.

To qualify for a Families Apart Guest Membership, the Covered Dependent must not be living with the Covered Employee and must live in the service area of a Blue-Sponsored HMO.

There is no administrative time limit on the length of a Families Apart Guest Membership.

Student

The Student Guest Membership is available to Covered Dependents that are out of the Home HMO Service Area for 90 or more consecutive days attending school.

To qualify for a Student Guest Membership, the Covered Dependent must not be living with the Covered Employee and must live in the service area of a Blue-Sponsored HMO.

The Student Guest Membership is typically used for students while they are away at school. The student membership should terminate when the student returns to the Home HMO Service Area for the summer. There is no administrative time limit on the length of a Student Guest Membership.

Covered Dependents under a Student Guest Membership that seek care in a third HMO service area (out of the Home HMO area and out of the Host HMO area) should be referred back to HOI, the Home HMO.

Guest Membership Policies

Host HMOs need enough time to process and setup Guest Memberships before the desired effective date. A 15-day notification period is provided for Host HMOs to complete the processing and setup of the Guest Membership. Covered individuals can be under only one Guest Membership at a time.

Guest Membership Renewals

When your Guest Membership expires, you may apply for a separate, consecutive Guest Membership period to begin after your current one expires. The 15-day notification period applies to Guest Membership renewals, so it is important that you apply for renewal far enough in advance to avoid a lapse in Guest Membership.

Guest Membership renewals have the same requirements as initial Guest Memberships, including the 90-day out-of-area requirement. Renewals must be for a minimum of 90 or more consecutive days in length. A renewal requires that the Home HMO Guest Membership Coordinator re-verify eligibility, submit a new Guest Application form, obtain a new signature sticker and pay a new setup and renewal fee.

Renewals typically apply to Families Apart and Student Guest Memberships which commonly renew on an annual basis. A Long Term Traveler Guest Membership can also renew but you would need to re-qualify by being out of area for a minimum of 90 consecutive days from the date of the requested renewal, as well as meeting all other Home HMO eligibility requirements. You are not required to return to the Home HMO Service Area to qualify for a renewal.

DEFINITIONS

The following definitions will help you understand the terms that are used in this Booklet, including the Schedule of Benefits and any Endorsements attached to this Booklet. As you read through this Booklet you can refer to this section; we have identified defined terms in the Booklet, the Schedule of Benefits and any Endorsements by capitalizing the first letter(s) of the term.

Accident means an unintentional, unexpected event, other than the acute onset of a bodily infirmity or disease, which results in traumatic injury. This term does not include injuries caused by surgery or treatment for disease or illness.

Accidental Dental Injury means an injury to Sound Natural Teeth caused by a sudden, unintentional, and unexpected event or force. This term does not include injuries to the mouth, structures within the oral cavity, or injuries to natural teeth caused by biting or chewing, surgery, or treatment for a disease or illness.

Adoption or Adopt(ed) means the act of creating a legal parent/child relationship where it did not exist, declaring that the child is legally the child of the adoptive parents and their heir-at-law and is entitled to all the rights and privileges and subject to all the obligations of a child born to such adoptive parents, or as defined by Florida law or a similar applicable law of another state.

Adverse Benefit Determination means any denial, reduction or termination of coverage, benefits, or payment (in whole or in part) under this Booklet in connection with:

1. a Pre-Service Claim or a Post-Service Claim;
2. a Concurrent Care Decision, as described in the CLAIMS PROCESSING section; or
3. Rescission of coverage, as described in the TERMINATION OF COVERAGE section

Allergy Treatment means testing and desensitization therapy (e.g., injections), including cost of hyposensitization serum.

Allowed Amount means the maximum amount upon which payment will be based for Covered Services. The Allowed Amount may be changed at any time without notice to you or your consent.

1. In the case of an In-Network Provider located in the Service Area, this amount will be established in accordance with the applicable agreement between that Provider and HOI.
2. In the case of Out-of-Network Providers located outside of the Service Area who participate in the BlueCard® Program, this amount will generally be established in accordance with the negotiated price that the Host Blue passes on to us, except when the Host Blue is unable to pass on its negotiated price due to the terms of its Provider contracts. See the BLUECARD® PROGRAM section in the Benefit Booklet for more details.

3. In the case of an Out-of-Network Provider that has not entered into an agreement with HOI to provide access to a discount from the billed amount of that Provider for the specific Covered Services provided to you, the Allowed Amount will be the lesser of that Provider's actual billed amount for the specific Covered Services or an amount established by HOI that may be based on several factors, including but not limited to: (i) payment for such Covered Services under the Medicare and/or Medicaid programs; (ii) payment often accepted for such Covered Services by that Out-of-Network Provider and/or by other Providers, either in Florida or in other comparable market(s), that we determine are comparable to the Out-of-Network Provider that rendered the specific Covered Services (which may include payment accepted by such Out-of-Network Provider and/or by other Providers as participating Providers in other Provider networks of third-party payers which may include, for example, other insurance companies and/or health maintenance organizations); (iii) payment amounts which are consistent, as determined by us, with our Provider network strategies (e.g., does not result in payment that encourages Providers participating in an HOI network to become non-participating); and/or, (iv) the cost of providing the specific Covered Services. In the case of an Out-of-Network Provider that has not entered into an agreement with another Blue Cross and/or Blue Shield organization to provide access to discounts from the billed amount for the specific Covered Services under the BlueCard Program, the Allowed Amount for the specific Covered Services provided to you may be based upon the amount provided to HOI by the other Blue Cross and/or Blue Shield organization where the Services were provided at the amount such organization would pay non-participating providers in its geographic area for such Services.

In no event will the allowed amount be greater than the amount the Provider actually charges.

You may obtain an estimate of the allowed amount for particular Services by calling the customer service phone number on your ID Card. The fact that we may provide you with such information does not mean that the particular Service is a Covered Service. All terms and conditions included in this Booklet apply. You should refer to the WHAT IS COVERED? section of this Booklet and your Schedule of Benefits to determine what is covered and how much we will pay.

Please specifically note that, in the case of an Out-of-Network Provider that has not entered into an agreement with HOI to provide access to a discount from the billed amount of that Provider, the Allowed Amount for particular Services is often substantially below the amount billed by such Out-of-Network Provider for such Services.

Ambulance means a ground or water vehicle, airplane or helicopter properly licensed pursuant to Chapter 401 of the Florida Statutes, or a similar applicable law in another state.

Ambulatory Surgical Center means a facility properly licensed pursuant to Chapter 395 of the Florida Statutes, or similar applicable laws of another state, the primary purpose of which is to provide elective surgical care to a patient, admitted to, and discharged from such facility within the same working day.

Anniversary Date means the date one year after the Effective Date stated on the Group Application, and subsequent annual anniversaries or such other date as mutually agreed to in writing by the parties.

Coinsurance means the sharing of health care expenses for Covered Services between you and us. After your Deductible is met, we will pay a percentage of the Allowed Amount for Covered Services, as listed in the Schedule of Benefits. The percentage you are responsible for is your Coinsurance. Concurrent Care Decision means a decision by us to deny, reduce, or terminate coverage, benefits, or payment (in whole or in part) with respect to a course of treatment to be provided over a period of time, or a specific number of treatments, if we had previously approved or authorized coverage, benefits, or payment for that course of treatment or number of treatments in writing.

Condition means a disease, illness, ailment, injury, or pregnancy.

Convenient Care Center means a properly licensed ambulatory center that: 1) treats a limited number of common, low-intensity illnesses when ready-access to the patient's primary Physician is not possible; 2) shares clinical information about the treatment with the patient's primary Physician; 3) is usually housed in a retail business; and 4) is staffed by at least one master's level advanced registered nurse practitioner (ARNP) who operates under a set of clinical protocols that strictly limit the Conditions the ARNP can treat. Cost Share means the dollar or percentage amount established solely by us, which must be paid to a health care Provider by you at the time Covered Services are rendered by that Provider. Cost share may

Custodial or Custodial Care means care that serves to assist a person in the activities of daily living, such as assistance in walking, getting in and out of bed, bathing, dressing, feeding, and using the toilet; preparation of special diets, and supervision of medication that usually can be self-administered. Custodial care essentially is personal care that does not require the continuing attention of trained medical or paramedical personnel. In determining whether a person is receiving custodial care, consideration is given to the frequency, intensity and level of care and medical supervision required and furnished. A determination that care received is custodial is not based on the patient's diagnosis, type of Condition, degree of functional limitation, or rehabilitation potential.

Deductible means the amount of charges, up to the Allowed Amount, for Covered Services which you must actually pay to an appropriate licensed health care Provider who is recognized for payment under this Booklet, before our payment for Covered Services begins. Not all plans include a deductible.

Detoxification means a process whereby an alcohol or drug intoxicated or alcohol or drug dependent person is assisted through the period of time necessary to eliminate, by metabolic or other means, the intoxicating alcohol or drug, alcohol or drug dependent factors or alcohol in combination with drugs as determined by a Physician, while keeping the physiological risk to the person at a minimum.

When determining whether a Service is not more costly than the same or similar Service as referenced above, we may, but are not required to, take into consideration various factors including, but not limited to, the following:

- a) the Allowed Amount for Service at the location for the delivery of the Service versus an alternate setting;
- b) the amount we have to pay to the proposed particular Provider versus the Allowed Amount for a Service by another Provider including Providers of the same and/or different licensure and/or specialty; and/or,
- c) an analysis of the therapeutic and/or diagnostic outcomes of an alternate treatment versus the recommended or performed procedure including a comparison to no treatment. Any such analysis may include the short and/or long-term health outcomes of the recommended or performed treatment versus alternate treatments including an analysis of such outcomes as the ability of the proposed procedure to treat comorbidities, time to disease recurrence, the likelihood of additional Services in the future, etc.

Note: The distance you have to travel to receive a Health Care Service, time off from work, overall recovery time, etc. are not factors that we are required to consider when evaluating whether or not a Health Care Service is not more costly than an alternative Service or sequence of Services.

Reviews we perform of Medical Necessity may be based on comparative effectiveness research, where available, or on evidence showing lack of superiority of a particular Service or lack of

difference in outcomes with respect to a particular Service. In performing Medical Necessity reviews, we may take into consideration and use cost data which may be proprietary.

In this respect, we may review specific medical facts or information pertaining to you. Any such review, however, is strictly for the purpose of determining, among other things, whether a Service provided or proposed meets the definition of Medical Necessity in this Booklet as determined by us.
