

**SUWANNEE COUNTY SCHOOL DISTRICT
“PHARMACY BENEFIT MANAGEMENT SERVICES”
SELF-FUNDED HEALTH INSURANCE PROGRAM
INVITATION TO BID RFP # 23-206
ADDENDUM 5**

1. **Question:** NDC Numbers and tier information to provide the requested formulary disruption, and NCPDP/other identifiers to identify each pharmacy to provide the requested network analysis.

Answer: Please see the attached file that has the necessary elements to do the disruption analyses.

2. **Question:** Since there is a line on page 12 of the RFP specifically for Guaranteed minimum overall brand and generic discount off of AWP for 35-90 days, is the group looking to take a non-standard benefit of allowing specialty drugs to be filled for up to 90 days?

Answer: No, the School district is not looking to take a non-standard approach to the specialty benefit. The request for pricing for the 90d supply is for those instances in which there may be a 90d fill for specialty.

3. Based on Addendum 3 it states to submit the RFP response via email to you at marsha.brown@suwannee.k12.fl.us, please confirm this is the new RFP delivery method.

Answer: Confirmed, this is the delivery method for the Pharmacy Benefit Management Services, Self-Funded Health Insurance Program RFP#23-206.
